

Carver Cultural Council Meeting Minutes
Special Grant Reconsideration
March 4, 2021 4 pm Zoom

Attendance : Dan Badger, Janet O'Connor, Gail Nauen
Jim Philip

The meeting started at 4:15 p.m.

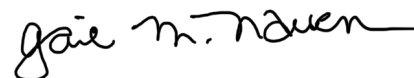

This meeting was to discuss one of the grants that was denied. The Mayflower Camerata requested that we reconsider their grant. Although we have funded them in the past and granted an extension due to Covid 19 circumstances, we voted unanimously not to fund them for this current Grant cycle.

This second denial letter would contain information suggesting another source for funding available from the Mass Cultural Council. These are \$500.00 "Direct Grants" available twice a year for community event projects, due in March and October. They do not require an application to a Cultural Council, but are applied for directly from Mass Cultural Council.

The letter encouraged the group to contact us for any questions and/or further assistance. We concluded our meeting at 5:15 pm.

- Next meeting scheduled, Thursday, March 11, at 4 pm.

Respectfully submitted,

Gail M. Nauen
