

Carver Cultural Council Meeting Minutes

April 8, 2021 Zoom

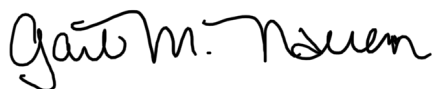

Attendance : Dan Badger, Janet O'Connor, Gail Nauen

Mary Oleskiewicz

The meeting started at 4:03 p.m.

- Review and approved minutes of March 11, 2021.
- Janet O'Connor stressed we promote ourselves more with flyers and social media postings. Mary O. suggested that we post these flyers with the event calendar on social media.
- Janet mentioned getting in touch with the grant recipients to inform us of their dates of their event. Annual events, such as Soule Homestead Harvest Fair and Corn Festival in Norwell, don't need as much lead time as individual grants do. Janet's letter will stress the need for confirmed dates of performances.
- Dan Badger will be publicizing the roll out aspects of the MSSF self guided eco trails. Dan also discussed a community effort of the local scouts working COA events, such a painting Adirondack chairs. Dan also wants to establish a youth ambassador program to guide students in high school to what a local arts council provides for a community.
- At this time, not sure if Old Home Day will be held. Good opportunity for our council to meet and greet.
- Establish a separate gmail account for Arts Council, instead of Janet's email.
- Dan mentioned he has a good web design contact for the council. Mr. Badger also talked about a concert series at the Union Church. Acoustics are wonderful. Fall would be a good time to showcase Carver's talents.
- Next meeting scheduled, Thursday, June 10 , at 3:30 pm. ZOOM
- Meeting adjourned 5:08 pm.

Respectfully submitted,

Gail M. Nauen
