Old business:

1. Review of on-going projects:
 - a. Lakenham Green - Mr. Tracey stated that the fence was driven into once again. He hoped for a quick fix.
 - b. Forest St. Field status - Ms. Ross reported that the work had begun.
 - c. Town Clerk records preservation - Mr. Bentley stated there was nothing new to report.
 - d. Route 58 pocket park - Mr. Bentley stated that the work has begun.
 - e. Carver Master Plan - no bills have been received.
 - f. Community garden - no new information to present.

New Business

2. There was a general discussion amongst committee members about finding - in particular - new projects for affordable housing and historic preservation. Since we are searching for a new Town Planner, it was wondered aloud if the position could be expanded to include some work with the CPC. It was noted that Jack Hunter was back in Town providing on a part time basis assistance to the Planning Department. Various ideas were put forward but nothing definitive came out of the discussions.
3. Other issues which might arise - none.
4. Set next meeting date and adjourn. Next meeting was scheduled for the 25th of May 2017 in Room 3 at 7:00 p.m.
Motion was made by Mr. Tracey, seconded by Mr. Hoffman to adjourn. Unanimous vote to approve. Adjourned at 7:50 p.m.
