Discussion of North Carver project off Montello St.

Chairman Garretson stated that monies have not been received and that the Committee should send an invoice. D. Whittemore to send an invoice based upon Tally Sheets submitted to Chairman Garretson.

Review of new permit application

Chairman Garretson introduced Mr. Jake Arnold and stated that he would like to complete a project on Route 44 near Walker Road. Mr. Arnold stated that he would like to increase his water source and also stated that he had 6 feet of water last spring; insufficient amount during fall harvest. He discussed the 2.5 acre parcel where he desires to excavate the back side of the bog. Discussion ensued regarding storage, sand, peat and gravel where 90% would be moving material. Chairman Garretson scheduled a meeting to walk the property with Committee members in preparation of the hearing set for 3/28/18. Mr. Arnold stated that he is estimating 35,000 cubic yards to be moved and he was unsure of the amount to be stock piled.

Review of ongoing Earth Removal Projects and site visit schedule

Chairman Garretson scheduled the site visit on March 10th at 9 am to Mr. Arnolds property, Makepeace, Federal Furnace, Johnson & Vincent properties.
