Public hearing Decas Co. Mayflower Rd.:

Chairman Garretson stated that the hearing could not be conducted as a quorum was not met. He rescheduled the hearing for Wednesday, September 7, 2016 at 7 pm in Meeting Room 4. Mr. Scott Hannula and Mr. Ian Ward provided a general discussion to the residents who were present. They informed the audience that their intention for the project is to increase tailwater supply further away near the existing canal system to use for irrigation and floodwater. Discussion over tree removal and a buffer distance where John Woods would be contacted by the next meeting. Further discussion of the compost site; Mr. Scott Hannula stated that Decas hired another company to manage the compost site.

Review of progress at Silva St. Vaughn:

Chairman Garretson had a general discussion to inform the residents present that Mr. Vaughan informed him that he is no longer excavating because of the drought. He further explained that Mr. Vaughan was ahead of schedule and that he needs to move a pile at the front but finished working the back near the homes located at Waterview Village. He indicated that there is still some grading to be completed.

Dom Fernandes potential project-guidance:

Chairman Garretson listened to a request from Dom Fernandes and his neighbor Dennis who own abutting properties and would like to

collaborate on a project of earth removal and excavation to provide for an organic cranberry bog and utilize soil for sod. They were given an application and directions on how to move forward for a hearing.
