January 14, 2013 BDC Minutes

Attendance: Steve Romano, Chair; Will Sinclair, Vice Chair; Rob Woolson; and Eric Steele;  
Guest: Jack Hunter

Chairman Romano opened the meeting at 7:05 PM.

Mr. Romano informed the public of the history of the Spring Street Project and where the BDC is at regarding the process. He then asked Mr. Hunter to go over the PowerPoint presentation after which he would open it up for questions and comments.

Mr. Hunter then presented the short PowerPoint. Comments from the public centered on impacts regarding traffic; architectural design; run off; infrastructure and other aspects of the eventual design of the project.

There was also discussion over residential and the tax implications, discussion over whether the commercial piece of the plan was appropriate etc.

Mr. Romano thanked everyone for coming and asked that this be placed on the next BDC meeting's agenda at which time they will decide what actions the BDC should take next.

Next meeting: January 28, 2013
