Newcomb would like to be included in the meeting when we go before the selectmen before clearing begins.

50/50 fundraiser: was voted down. We will try to get donations from area businesses rather than raffle items.

Grants, Contributions and other Monies: Stacie Pierce will set up a meeting with the managers of Lowe's to further discuss their grant process and application. We will wait until the need arises to go to Tractor Supply, Aubuchon and other businesses about other potential donations.

We will move further once we are firm about the land clearing date(s). Stacie Pierce will continue work on grant writing.
