

Carver, Marion, Wareham Regional Refuse Disposal District

The Carver, Marion, Wareham Regional Refuse Disposal District (CMWRRDD) operates two transfer stations (Benson Brook in Marion and RT 28 in Rochester) for the convenience of the residents the three towns. Rochester residents are authorized to use the two stations through a separate agreement with SEMASS.

Transfer Station Permit Policy

1. Only household residential waste is accepted at the two transfer stations.
2. Admission to the transfer stations is permitted only if the vehicle displays a valid CMWRRDD sticker from one of the four participating Towns affixed to driver's side front windshield at bottom.
3. Transfer Station Stickers are not transferable to other vehicles, the registration number on the sticker must match the registration on the vehicle.
4. General Registration Plates, including Dealer and repair plates are not eligible for Transfer Station Stickers because their intended use is to be moved from one vehicle to another,.
5. No sticker or a resident from any other Town is permitted access to the transfer station.
6. Stickers may be purchased from the participating Towns if the person is a residential property owner of the District Towns or a year round tenant of a residential dwelling in the District Towns. The person must prove eligibility to purchase the sticker as detailed below:
 - a. Privately owned vehicles: A current vehicle registration permanently assigned to the eligible vehicle must be provided that shows the name of the eligible person as the owner with a street address that has a legally occupied residential structure.
 - b. Leased vehicles: In the case of leased vehicles, the eligible person's name and address must appear on the lease agreement which must be presented with the registration at the time of sticker purchase. All supporting documentation must be presented at time of sticker purchase.
 - c. Out of Town residential registration: If the vehicle is registered at a residential address outside of a district Town, additional documentation must be provided showing that the registered owner or lessee of the vehicle is the owner of residential property within district Towns with a legally occupied residential structure. All supporting documentation must be presented at time of sticker purchase.
 - d. In Town or out of Town business registration: If the vehicle is registered to a business located in or outside of District Towns, the eligible person must provide additional documentation showing that s/he is the sole operator or lessee of the vehicle and is the owner of residential property in District towns. Proof of his/her relationship to the business at the time of sticker purchase is also necessary. In addition s/he must attest in writing that s/he will not dispose of commercial waste at the District's Transfer Station and will only dispose of household residential waste from the eligible person's residence within the District Towns. All supporting documentation must be presented at time of sticker purchase.

e. Special requirement for all commercial registered plates: Since the District Towns contract with CMWRRDD is for household residential waste only, commercial registered vehicles are not eligible for transfer station stickers. Exceptions may be made by meeting with the Town's representative and require, at a minimum, proof that the vehicle will not be used to transport commercial waste into District's Transfer Stations. In addition, the individual applying must be an eligible person and able to prove that s/he is the sole operator of the vehicle and that the individual has no other method to transport waste from his/her district residence. In addition, s/he must attest in writing that s/he will not dispose of commercial waste at the District's Transfer Station and will only dispose of household residential waste from the eligible person's residence within the District Towns. All supporting documentation must be presented at time of sticker purchase.

7. Sticker fee: Each district Town is responsible to assess their own fee.

8. District employees at the transfer stations have the authority to refuse excessive amounts (7 bags) of household residential waste and/or other materials deemed unacceptable but not specifically identified. Failure to abide by employee's instructions will be cause for loss or transfer station privilege.
