August 28, 2018  
Meeting called to order, by Mr. Borden, at 5:02pm

### Public Hearing:

- (1) On the application of Joel Fager and Laurie Randall requesting the following variances associated with a septic system upgrade at 8 Oak Drive, Carver, Ma. On a 9,926 SF lot.
  - A. Section 15.405(1)(a)- To allow the proposed leaching system to be 5 feet or greater from a property line and not the recommended 10 feet.
  - B. Section 15.405(1)(g)- To allow the proposed septic tank to be 35 feet or greater from a private well and not the recommended 50 feet.
  - C. Section 15.405(1)(g)- To allow the proposed leaching to be 76 feet from a private potable well and not the recommended 100 feet.

Eric Germaine- Do we require a septic tank cover to grade over the outlet filter? Kevin Forgue- It is not required but the as built plan does show the ties to locate it. Arthur Borden- required to have back property staked where leaching area is proposed and review prior to construction.

Motion to approve variances with 2 bedroom restriction and staking of back line: Mr Mueller Second Mr Borden Approved (2-0)

### Discussion:

Private trash hauler regulation and donation bin regulation.

Michael Milinoski- Would like the Board to develop regulation for trash haulers and donation bins. Sample donation bin regulation handed out to members. Mr Forgue- I will review the DEP guidance for trash hauler regulations and the sample donation bin regulations and edit as necessary and tailor them to the needs of the Town. These reviewed documents will be provided to the Board for review at the next meeting. Mr Milinoski- Need to establish some sort of illegal dumping policy and fines. Mr Forgue- I will research what other Towns are doing and report to the Board. Mr Milinoski- District is in the process of interviewing for a new manager.

Minutes - May 22, 2018 and June 19, 2018 Postponed until next meeting. Required members not present to sign.
