TOWN OF CARVER, BOARD OF HEALTH

Meeting Minutes BOH May 19, 2020

Discussion:

Covid 19 update

Kevin Forgue presented highlights of Governor Baker's press conference held on May 18, 2020 and discussed the re-opening plan documents that the state has provided.

EEE update

Kevin Forgue presented that the spraying of large, remote wetland areas within the Town have been completed by Plymouth County Mosquito Control. PCMC will be accepting private citizens request after Memorial day. Request to PCMC are by fax only.

Update on engineering design for water main extension on Plymouth St.

Kevin Forgue presented that Engineers have completed the existing conditions field survey. The opinion is that the residents on Plymouth St., Hines Ave. and Captain Perkins Dr. will likely push to have the water main installed earlier than fall of 2021.

Re-opening of Town Hall

Kevin Forgue presented that the Governor has listed offices as businesses allowed to re-open by May 25. Discussion about how and when to allow the public to enter Town Hall. Kevin Forgue presented that plexi-glass screens were being installed at all service windows. Kevin Forgue and Dave Siedentopf would work on creating flow paths and cueing marks in the hallways. It was agreed to have the full Board of Health review flow paths, signage and cueing markings on June 2 for their approval.

June 6, Town Election

Kevin Forgue presented that he met with Cara Dahill and Dave Siedentopf to discuss setting up the MHS gym for the upcoming election. Floor markings, directional signs and flow patterns. The Board will inspect on June 2.

Well concept Plan (Priollo Age Restricted Project on Plymouth St.)

Kevin Forgue presented plans and letter from River Hawk Environmental showing individual wells for the Townhouses instead of a municipal water supply. Board is not in favor of this approach and has asked Kevin Forgue to consult with D.E.P. to get their thoughts.
