Attendees: Eric Mueller, Chairman; Arthur Borden, Member; Barry Callis, Member

Also Present: Kevin Forgue, Health Agent

Absent:

Meeting called to order by Mr. Mueller at 5:00 PM

Public Hearings:

None tonight.

Discussion:

- 160 Plymouth Street – Accumulation of unsecured trash

Mr. Forgue – This has been resolved. I went out for a visit/discussion. She promised to work on it and get rid of everything by the next day, which she followed through on. I will keep an eye on it.

- Plymouth Street Area – Municipal water service connections

Mr. Forgue – Nothing new tonight. We need to get this done. Mr. Mueller – SWSS will be setting appointments up. I've heard it only takes 15-20 minutes. Mr. Forgue – Mr. Bachand indicated that he was available on a Saturday. His office is calling and trying to get them set up. There are still about 6 more to do.

- Weathervane – Private wells, number of units, sewage disposal

Mr. Forgue – They are not meeting until next week. I will put that letter together and make sure it gets out. We don't have to meet on it. I will email everyone the letter and ask for feedback. I will also get a copy to the Town Planner and to the Weathervane people.

- Update on NCWD well repairs

Mr. Mueller – There was a backorder on parts. They should be here now as they were due by the 15th. Should be online by the end of the month. Kevin will update Jill so she can handle the calls that may come in.

- Topics not reasonably anticipated by the Chairman 48 hours in advance of the meeting
