STAY STRONG - Carver's Public Safety Departments (Police, Fire, EMS, Emergency Management and Public Safety Dispatchers) want to assure the residents of our community that we stand ready as a united TEAM and are prepared to assist you during this period of uncertainty as we weather the COVID-19 pandemic as a community. Your Public Safety Departments are 100% in service and continue to respond to any emergencies and calls for assistance from the residents of Carver. Each day we re-evaluate the needs of our community and revise response plans based on the most current information that is provided by Federal and State authorities to ensure that we remain ready to assist you. Your Police Officers, Firefighters, and EMS Personnel are committed to keeping you all safe. These are challenging and unprecedented times for all, but our Carver Public Safety structure is built to withstand these challenges, and assist those in need. We are confident that in the end, our community will only be stronger.

We remind everyone that if you need immediate life critical assistance from any of our Public Safety Departments, please dial 911 and assistance will be rendered immediately. For non-life threatening concerns or assistance, please call the Public Safety Dispatch line at 508-866-2000 and dial 0 or Fire Dispatch at 508-866-3440. A reminder that our Emergency Management Agency (EMA) and Emergency Operations Center (EOC) remain open each day and can assist with COVID-19 questions, available services that can be rendered, as well as provide you guidance. The EOC can be reached at 508-866-5219. All calls for service and assistance will be handled discreetly and remains confidential.

We are all in this together, we will be stronger as a community, and above all - STAY STRONG!
