*The Chair reasonably anticipates that the following matters will be discussed and/or voted on at this meeting:*

Old Business:

- Re-vote by roll call vote approval of minutes of 12/10/2020 meeting.
- Tasks remaining to be done on Savery Avenue Trail including parking areas, southern portion of trail, "stroller trail," new trail(s), and possible connections to property potentially to be acquired by Fish & Game on Meadow Street that would abut the

Atwood Reservoir WMA and to have all chainsaw work done by spring: re-vote by roll call vote on working on this by buddying up and keeping a log of work done.

- Discussion and possible vote on models / templates for advertising our work and need for volunteers: re-vote by roll call vote to put together a one-page announcement that we're having a logo contest for high school students.
- Discuss advertising clearing / flagging projects with volunteers at Indian Brook, Savery Avenue, and Cole Property: re-vote by roll call vote to table this discussion.
- Date / place for next Conservation Land Trails Walk in February 2021: re-vote by roll call vote to put this walk off until March 2021.
- Discussion about interpretive signage, "trail maintenance on-going," suggestion box with QR code, color coding of trails, etc., for all trails for a uniform look across properties. Volunteer offered to help with this—ask him for some design ideas: re-vote by roll call vote to figure out how we're going to mark the trails before we discuss signage.
- "Conservation Photo Hunt" project: ask public for wildlife photos seen / taken on conservation land (or nearby? or on private property?) in Carver: re-vote by roll call vote to table this discussion.
