SELECT BOARD

INFORMATIONAL SUMMARY: This article asks the Town Meeting to accept the reports of the Town Officers that are printed in the Annual Town Report for 2019 and provides an opportunity for Boards and Committees to present a report directly to the Annual Town Meeting and to abolish Medical Marijuana Center by-law sub-committee and Shurtleff Park Trustees. Copies of the Town Report are available in the Select Board office.

<u>PROPOSED MOTION</u>: I move that the Town approve the 2019 Annual report and Abolish Medical Marijuana Center by-law sub-committee and Shurtleff Park Trustees.

(Majority Vote Required)

Recommendation: Bd. of Selectmen 5-0

ARTICLE 2: SUPPLEMENTAL APPROPRIATIONS FOR FISCAL 2020

To see if the Town will vote to transfer from the available fund a sum or sums of money to be expended by the Town Administrator for various departmental budgets for the remainder of the fiscal year ending June 30, 2020, or to decrease or otherwise adjust any budget line item as appropriated by the Town at the Annual Town Meeting held on April 22, 2019, or to fund any other deficits for fiscal year 2020, or to take any other action related thereto.

SELECT BOARD

INFORMATIONAL SUMMARY: The Town Financial Policy #2 provides in part, "<u>The Town will avoid all budgetary procedures that balance current expenditures at the expense of meeting future years' expenses, such as postponing expenditures...." This article proposes a transfer from the departmental budget that the Finance Director has determined to have surplus funds to cover a projected deficit in stated account.</u>

PROPOSED MOTION: I move that the Town make the Fiscal Year 2020 budget transfer shown below:

From:

To:

TOTAL:

\$7,500

(Majority Vote Required)

Recommendation: Bd. of Selectmen 5-0, Finance Committee 10-0

ARTICLE 3: ALLOCATION OF FUNDS FROM FISCAL 2020 FREE CASH

To see if the Town will vote to transfer from free cash, in the amounts and for the purposes specified below, including all incidental and related costs:

Transfer to: Amount (not to ex	cceed)
A. Town / School Special Education Reserve FY21	\$100,000
B. Recreation Committee Support Funding for Programs and Activities FY21	\$22,500
C. Town-wide radio system / infrastructure priority 1&2 FY20	\$576,000
D. Emergency Radio Communication Maintenance Operating Fund FY21	\$50,000
E. Town Wide – O&M field maintenance and supplies FY21	\$45,000
F. Town-Hall complex & senior housing fire suppression cistern at Police Station FY20	\$262,530
G. North Carver Water District for well and infrastructure debt FY21	\$200,000
TOTAL	\$1,256,030

A. The School Special Education Reserve is to protect mid-year anomalies that may occur out of the reasonable control of the School District. For example, a student who moves into Carver that has special needs and that could not be accommodated within the district would need to be transported to and from an out of district special tuition based school designed to meet that students specialized needs that could result in a cost to the district of potentially \$100,000 or more per student. Without this specialized fund, the school would be forced to potentially lay off

- a teacher(s) midyear for each new student as the school is required to provide these specialized services. This fund would only pay for those costs on a one-time basis as they will be incorporated into the next year's annual budget that were unforeseen at the time the annual budget was developed as of February 1st.
- B. The Recreation Committee has implemented consistent programs to the community and the rollout of a website by paying for programs and a stipend for a part-time employee to seek out, plan and offer a variety of activities for all ages, while working in tandem with the School District and Town.
- C. The amount of \$576,000 will be combined with a CCCIT Grant for \$99,000 to fund Phases #1 and #2 of a four Phase Public Safety/Town Wide Radio Infrastructure Upgrade Project. The upgrades are divided into Phases/Priority's #1, #2, #3, and #4. Phases #1 and #2 will upgrade the following: Repeaters and Receivers for Police, Fire, EMS and DPW Radio Systems, upgraded Minitor Fire and EMS Pagers, Communications Tower Construction and Tower loading, School Bi-Directional Amplification System (BDA), replacement Repeater Site Generator, Public Safety Fiber Line Extension to Public Safety Repeater Site at rear of 31 Main Street, upgrades to the Public Safety Microwave Link System, Communications Equipment for the Public Safety Dispatch Facility, new Repeater System for Council of Aging and miscellaneous radio system upgrades.
- D. Purpose of fund is to establish monies used for preventative maintenance, unforeseen upgrades, continued modernization and repairs to our Public Safety Radio Systems Infrastructure. Fund would be overseen via the direction of a new formed Public Safety / Town Wide Communication Committee (Police Chief, EMS Chief, Fire Chief, Town Administrator, EMD Director, DPW Rep, and School Superintendent)
- E. Town Wide O&M Field Maintenance and Supplies to supplement the school budget and transfer this responsibility to the O&M department that will allow the school to fund the part-time art teacher by transferring funds within the school district budget
- F. Funding will install a 30,000 Gallon Fire Suppression Cistern, Fire Pump, and necessary controls in the outbuilding at the new Police Station. The cistern and fire pump will provide pressurized water to the fire sprinkler protection system already incorporated into the new Police Station. The system will also supply a pressurized fire hydrant located near the Town Library that will be utilized for increased fire protection to Carver Housing, Senior Housing and Town Municipal buildings in the area. System will have some capability to supply municipal buildings with future fire protection, if needed.
- **G.** An amount of \$200,000 for the NCWD Enterprise Fund is intended to close an anticipated FY2021 revenue deficit to cover capital debt costs that is an obligation of the Town.

PROPOSED MOTION: I move that the Town approve Article 3 in the amounts and for the purposes as set forth in the Warrant.

(Majority Vote Required)

Recommendation: Bd. of Selectmen 5-0, Finance Committee 10-0

ARTICLE 4: ALLOCATION OF FUNDS FROM FISCAL 2020 FREE CASH

To see if the Town will vote to transfer from free cash, in the amounts and for the purposes specified below, including all incidental and related costs:

A. Reimbursement to the Capital Committee Reserve Fund (ATM 2014, Art 15)
as approved by the Finance Committee and Capital Outlay Committee

B. Police Station Building including- Furniture Fixtures and Equipment

\$1,085,000

\$177,088

TOTAL

and, to authorize the Town Administrator, in consultation with the Capital Outlay Committee Chair, to expend the funds transferred hereunder in the most fiscally responsible manner and to manage all approved projects, from planning and design to procurement, including negotiation of contracts and change orders, and to authorize the Town Administrator to take such additional action as may be necessary to carry-out the votes taken hereunder.

SELECT BOARD

INFORMATIONAL SUMMARY: Per the Town's Financial Policies, fund balances are only to be used for one-time expenditures as they are not reoccurring expenses. This article includes the following that are consistent with the Carver Town Meeting's Financial Policies:

PROPOSED MOTION: I move that the Town approve Article 4 in the amounts and for the purposes as set forth in the Warrant.

(Majority Vote Required)

Recommendation: Bd. of Selectmen 5-0, Finance Committee 10-0

When the police station building was funded in 2018 with the only borrowing of \$4.9M it was stated in the public record that this would be the last borrowing anticipated by the town for many years and any future additional funds to buildout the project would be coming from the capital budget line items, free cash or reallocation of previously approved funds from other successful projects that have come in under budget like the elementary school. With regard to projected project cost for the police station, the committee is actively working to evaluate all costs with the owner's project manager and architect. The core membership of this committee has proven success with Fire Station, Elementary School, Middle High School Accelerated Repair Project, and Sports Complex – all who have come in under budget and are seen as models statewide for durable cost-effective projects. With approval this article, Town Meeting will have allocated the surplus funds in from the Elementary School to the Police Station Project.

INFORMATIONAL SUMMARY: Article 5 is divided into four parts.

- Part A is a non-monetary portion of the article establishing the salaries and compensation of elected and appointed Town officials and employees and for Town Meeting to approve the employee organizational chart;
- Part B presents the Town-wide shared cost, the Town's operating budget broken into four categories, Town's operating paid by fee for service, and the School's operating budget. The 10-year pro-forma in appendix D includes \$7,278,679 for expenditures of which \$1,331,636 are direct assessments from the state or overlay account that the Town never receives. These assessment amounts are removed from Carver's "Cherry Sheet", the listing of amounts the Town receives as state aid, prior to the Town receiving these funds and therefore are not part of the budget approval. \$99,000 from Free Cash was added to the General Government portion.
- Part C are the annual budgets for the North Carver Water District and Cranberry Village Enterprise Funds.

The 2014 Annual Town Meeting approved a modified "bottom-line budget", with a line-by-line breakdown by department provided in Appendix E for informational purposes. SECTION V - AMENDMENTS

(A) Limitation

This Agreement may be amended from time to time in the manner herein-after provided, but no such amendment shall be made which shall substantially impair the rights of the holders of any bonds or other notes or other evidence of indebtedness of the District then outstanding, or the rights of the District to procure the means for payment thereof.

(B) Procedure

Any proposal for amendment may be initiated by a vote of a majority of all members of the Committee. The secretary of the Committee shall mail or deliver a notice in writing to the Board of Selectmen of each of the member towns that a proposal to amend this Agreement has been made and shall enclose a copy of such proposal. Such amendment shall take effect upon its acceptance by all the member towns, acceptance by each town to be by a majority vote of the Board of Selectmen, provided, however, that Section II, and Section IV (C), may be amended only by an amendment to this Agreement approved by vote of the town meeting of each of the member towns.

Except as may otherwise be provided by law, the fiscal year of the District shall be the same as the fiscal period of the member towns and the word "year" or "fiscal year" as it relates in this Agreement to a fiscal or budget period shall be the fiscal year of the District. If the fiscal year of the District shall be other than the calendar year, the dates on or before which the respective percentages of the annual share of each member town shall be paid as provided in subsection III (F) shall be adjusted so that not less than 25% thereof shall be paid not later than the tenth day of the first month of such fiscal year, 50% shall be paid not later than the tenth day of the fourth month of such fiscal year, 75% shall be paid not later than the tenth day of the seventh month of such fiscal year and 100% shall be paid not later than the tenth day of the tenth month of such fiscal year.

SECTION VII - INCURRING OF DEBT

Within seven days after the date on which the Committee authorizes the incurring of debt, other than temporary debt in anticipation of revenue to be received from member towns, the said Committee shall cause written notice of the date of said authorization, the sum authorized and the general purpose or purposes for authorizing such debt, to be given to the Board of Selectmen of each member town. The notice for which provision is herein made shall be deemed to have been duly given to a Board of Selectmen of a member town if delivered to the Chairman of said Board or, if mailed, by registered or certified mail within the time specified, postage prepaid and addressed to the Chairman of said Board at the Selectmen's office or at his last, known permanent address in such Town. Within 180 days after the date on which the Committee authorized the incurring said debt, each member town shall hold a town meeting for the purpose of expressing approval or disapproval of the amount of said debt and, if at such Meeting a majority of the voters present and voting thereon express disapproval of the amount authorized by the Committee, the said debt shall not be incurred and the Committee shall thereupon prepare another proposal which may be the same as any prior proposal and an authorization to incur debt therefor.

SECTION VIII - DISTRIBUTION TO MEMBER TOWNS

(A) Distribution to Member Towns

Upon a determination by the Committee that there will be no future operational costs beyond those anticipated for the then current fiscal year, the Committee shall distribute all surplus cash to the member towns. For the purpose of this paragraph surplus cash shall mean cash on hand in excess of the amount needed to pay anticipated costs for the then current year. Any distribution authorized under this Section VIII must be approved by a vote of two thirds (2/3) of the members of the Committee, including an affirmative vote of approval by at least one member from each of the member towns.

(B) Distribution of Cash

The parties acknowledge that in the past unequal contributory payments were made by each of the member towns. As a result the parties agree that when distributions are made to the member towns those distributions should reimburse each member town the amount it has previously contributed. In order to reimburse those past contributions, the initial distributions made under this Section VIII shall be in the following dollar amounts, subject to adjustment as set forth below:

- Carver \$ 121,447.17
- Marion -\$ 53,150.60
- Wareham –\$ 188,701.92 Total: \$ 363,299.69

Any of the parties may, by sufficient evidence, show that its contribution was greater than set forth above, and the distributions will be adjusted to reflect that greater contribution. In the

event the parties are unable to agree on an adjustment, any party may demand arbitration pursuant to the rules of the American Arbitration Association for commercial arbitration. Initial distributions totaling less than \$363,299.69, as adjusted, shall be pro-rated among the three towns in the same proportions as the above payment schedule. Once total distributions in the amount of \$363,299.69, as adjusted, have been paid, any further distribution or distributions shall be paid equally to the three towns.

(C) Charges Against Distribution

In the event a member town has failed to pay any amount due under the provision of Section III (F) a distribution under this provision will first be credited toward the amount owed to the District by that member town.

SECTION IX - SALE OF SURPLUS SUPPLIES OR REAL PROPERTY

The Committee may from time to time determine to sell surplus supplies or real property. The Committee shall first offer to sell any such surplus supply or real property to the member towns. Any member town may buy such supply or real estate at a price established by generally accepted appraisal methods. In the event more than one of the member towns wishes to purchase a surplus supply or real property the Committee shall receive sealed bids from those member towns and shall sell such supply or real estate to the town submitting the highest bid which equals or exceeds the appraised value. The terms of payment by a purchasing town shall be determined by agreement between the Committee and that town, and may include payment over time, and the payment due may be carried as a charge to be made against future disbursements payable by the District to the purchasing town.

SECTION IX - DISSOLUTION

The Committee may at any time determine to petition the legislature to dissolve the District provided that such petition shall be approved by a vote of two thirds (2/3) of the members of the Committee, and that such petition for dissolution will provide that (i) liability for the ongoing obligations of the District shall be apportioned to the former member towns in the same proportions as set forth in Section III (A); (ii) the remaining assets of the District shall be distributed to the former member towns pursuant to the provisions of Section VIII; and (iii) the former member towns will continue to be jointly liable in the proportions set forth in this Agreement for any claims arising against the District prior to its dissolution, and each of the towns shall have a cause of action against the others for indemnity to enforce such proportional liability.

SECTION X – EFFECTIVE DATE

This Agreement shall become effective on July 1, 2020.

	CMWRRDD and SELECT BOARD

INFORMATIONAL SUMMARY: This article would accept an amendment to the operating powers of the CMWRRDD so as to protect the three towns from financial obligations that the 9-member CMWRRDD Committee could make and that the towns would be responsible for funding. If this proposed amendment is accepted by all three towns' town meetings, going forward, any changes would have to be voted on by all three select boards. This proposed amendment would also memorialize the terms the CMWRRDD Committee has voted on to close the facilities at the end of 2020 when the financial subsidy from Covanta comes to an end.

PROPOSED MOTION: I move that the Town approve Article 11 as set forth in the Warrant.

(Majority Vote Required)

Recommendation: Bd. of Selectmen 3-2 Finance Committee: 10-0

ARTICLE 12: AN ARTICLE TO AUTHORIZE THE SELECT BOARD TO BEGIN NEGOTIATIONS TO WITHDRAW FROM OR DISSOLVE THE CMWRRDD

To see if the Town will vote to direct the Town Clerk to notify the Carver Marion Wareham Regional Refuse Disposal District ("CMWRRDD") Committee that the Town of Carver is requesting that the Committee draw up an amendment to the February 8, 1973 CMWRRDD Operating Agreement, as amended April 1995, setting forth the terms by which the Town of Carver will withdraw from the CMWRRDD; and authorizing the Town Administrator, under the direction of the Select Board, negotiate with the CMWRDD and the other towns and to take any and all necessary actions to begin the process of withdrawing the Town of Carver from the CMWRRDD; provided, however, that the Town's withdrawal shall be contingent upon terms deemed acceptable by the Select Board and Finance Committee and approval at a subsequent town meeting; or take any other action related thereto.

SELECT BOARD

INFORMATIONAL SUMMARY: This article protects the town of Carver should Marion or Wareham vote to reject the previous article to amend the Agreement. This is a part of a two vote process to allow Carver to leave the CMWRRDD. Based on its current financial status, along with the imminent end of financial support by Covanta, Town officials are investigating whether continued participation in the District is in the Town's best interests. A positive vote on this article will allow Town officials to begin negotiating Carver's withdrawal, subject to a vote at a subsequent Town Meeting.

PROPOSED MOTION: I move that the Town approve Article 12 as set forth in the Warrant.

(Majority Vote Required)

Recommendation: Bd. of Selectmen 3-2

Finance Committee: 10-0
