UPDATE: November 3, 2023

Ward Street South Meadow Village Roadway Project

- This week the Town has met with the firm performing the Engineering services for this project.
- The Engineering survey has begun, which will result in a design plan, which is necessary before construction of the roadway is able to begin.
- A necessary emergency filing of a Request for a Determination of Applicability is being prepared by the Engineering firm.
- The Engineers will oversee test borings of the soil conditions below water grade to assist in developing the reconstruction plan.
- This update will be sent out weekly.
