UPDATE: October 30, 2023

Ward Street - South Meadow Village (SMV) Roadway Project

- The town has entered into a contract with an engineering firm to evaluate, engineer and design the necessary repairs to the culvert and roadway leading into SMV. In approximately 4-6 weeks, the review and design should be completed and construction plans can commence.
- The Town is simultaneously pursuing the necessary funding sources for the project; however, the total repair amount will not be fully known until after the preparation and filing of the engineering report.
- Operations and Maintenance Department will make periodic updates to the Town regarding the status of this project.
