THEODORE T. VAUGHN

Theodore T. Vaughn, son of Thomas and Mercy (Sherman) Vaughn was born in Carver July 22, 1857. He was a scion of one of the oldest families in Carver, large land owners on the East side of Beaver Dam pond that later came to be known as Vaughns pond, and loyal to his family traditions he lived his entire life on the ancestral estate. Early in life he became interested in public affairs and a regular attendant at town meetings. He was a member of the Board of Selectmen and Public Welfare from 1890 to 1910 serving most of the time as Chairman; a member of the Board of Assessors, most of the time as Chairman for thirty years, a record for Carver; and in addition to these duties he served on many important committees.

With large lumber interests he naturally followed the business of his father and operated the Centre mills until the decline of lumber in town, then took up cranberry culture with bog properties near his home and he was classed among the successful growers of the County. He was a charter member of the New England Cranberry Sales Company and American Cranberry Exchange, serving on the Board of Directors, and as an inspector, and he enjoyed the name of one of its most loyal members, a champion of co-operative marketing to the time of his death.

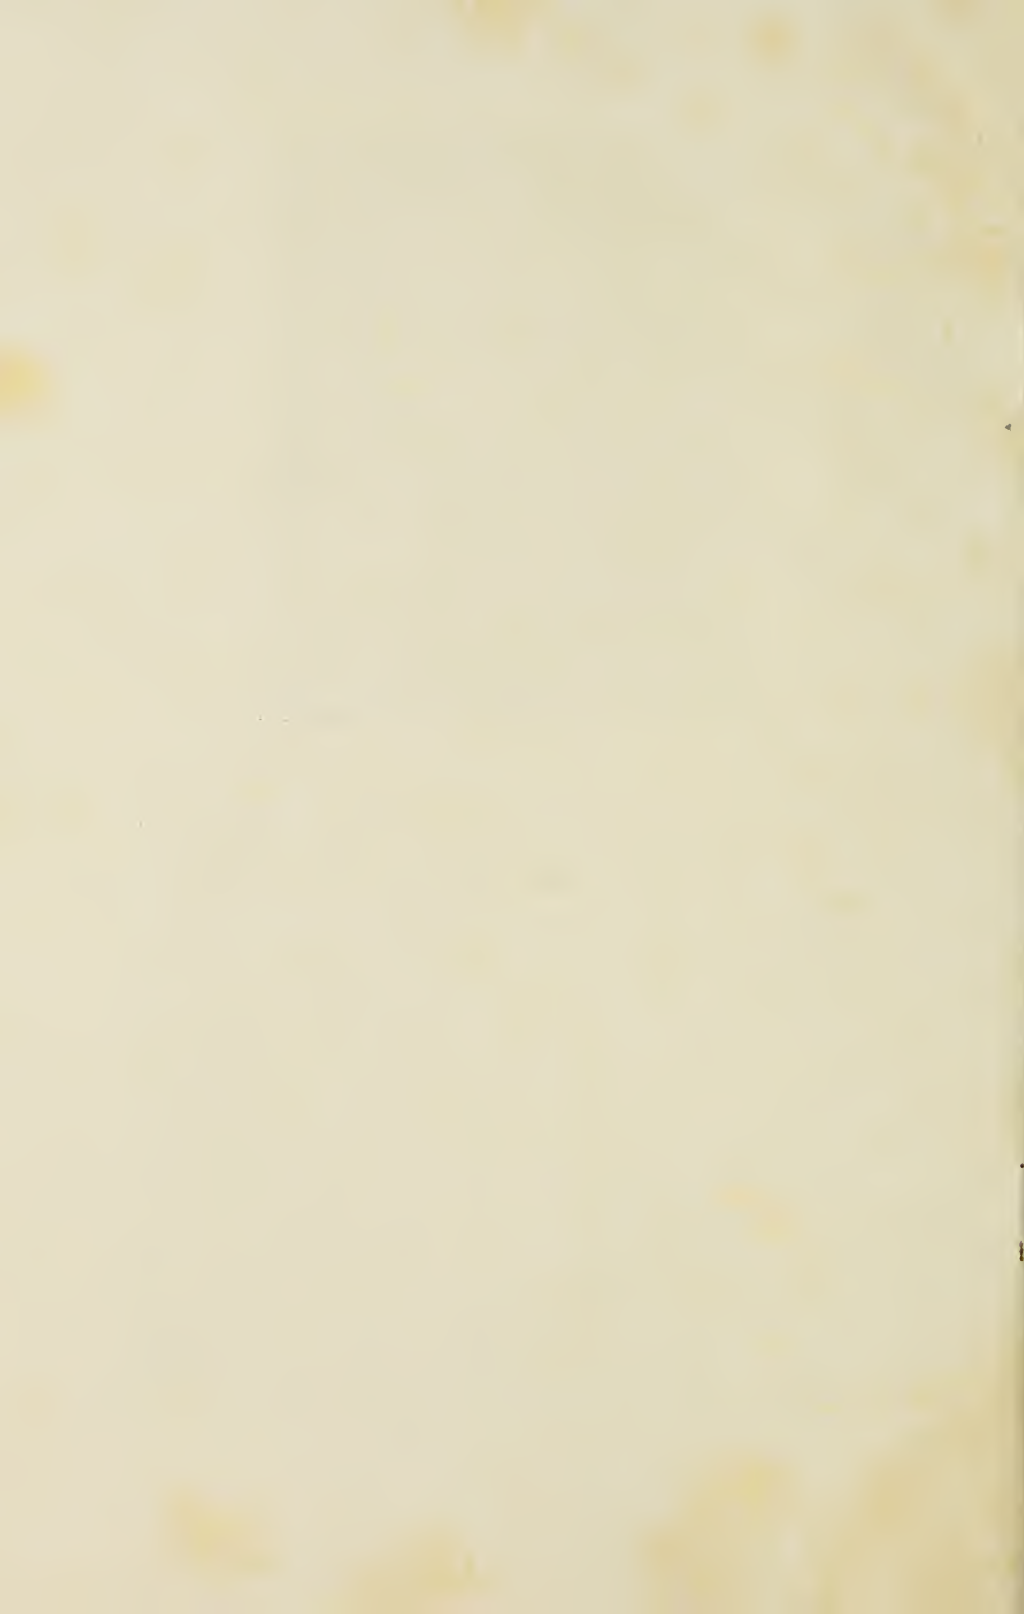

J. MYRICK BUMP

Although not born in Town J. Myrick Bump located in Carver at an early age and became one of the outstanding characters of the Town. He was a successful farmer and cranberry grower who kept his properties in ship-shape condition, but the most interesting period in his career covered the years which he served as superintendent of the Tanglefoot Farm, the plaything of Job A. Turner. During those years he created a beauty spot in East Head woods that attracted sight-seers from miles around. The hills and valleys centering near the present day State forest headquarters were alive with fields under cultivation, the home of livestock and poultry of many species, some of them rare specimens, a lookout from which one might obtain a view of the rolling country covering the adjoining towns, the farm house on the hill near the present day bungalow of the superintendent, one of the largest and best equipped barns in the County, with the running gear of the carriages painted yellow and the name of the farm painted conspicuous black, all uniting to present a picture of pastoral harmony and beauty long to be remembered but which quickly went the way of all time after the tragic death of the genial dreamer—Job A. Turner.

But in the years of his busy life Mr. Bump found time to interest himself in public affairs, with special interest in the preservation of shade trees and the woodlands which lead him to champion the work of insect extermination. Although never seeking official position he served the town for years as inspector of animals and slaughtering, and when the town finance committee was organized he was its first chairman, a position he held until failing health compelled him to retire. And so Mr. Bump goes down in the records as one of the builders who made the Town what it is today.

The old section of Lakenham cemetery contains many old style headstones that are fast deteriorating and in a few years they will be beyond reclamation. These slate markers are a heritage from the past and we owe a duty to the future to preserve them. The only fund we have for this purpose was given to us by Rosa A. Cole. but the income is insufficient to accomplish the purpose, and unless steps are taken to supplement the thoughtful gift of Mrs. Cole her help will be in vain. There are several among those buried there who have many descendents in the land and if they were to contribute one cent each they would establish a fund that would put the financing of this project beyond question and give our ancient cemetery a condition and an attractive appearance equal to any in the State. And so it would seem that there must be people in these lines who would gladly contribute enough to make a hopeful beginning and lead to the accomplishment of the dream of our former honored resident—Mrs. Rosa A. Cole.

HENRY S. GRIFFITH,
Treasurer.

The Magazines purchased in 1936 are:

Popular Mechanics
National Geographic Magazine
Reader's Digest
Youth's Companion and American Boy (Combined)
Child Life
Good Housekeeping
Better Homes and Gardens
American Home
Red Book

I am pleased to state that the year 1936 has been a good year. We had an adequate amount of money to work with. Twenty-six more books were added in 1936 than in the previous year. The Library has been cleaned, painted and varnished, thanks to the W. P. A. workers, and new shelves have been added this year. The trustees have tried to choose books which are pleasing to all, up-to-date but not objectionable. I have observed that people seem to be taking more interest in the making of better selections in their reading. The increase in circulation has been steady each year, this year the greatest of all. This year 1,104 more books were borrowed than in 1935. The number of borrowers have increased too—77 more than the previous year. I would like to thank the patrons of the Library for their support in 1936.

MYRTLE L. ATWOOD,
Librarian.

REPORT OF THE SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen :

I hereby submit to you the following report of the work done by my Department during the year 1936.

Under Chapter 81 of the General Laws, the Town appropriation was \$6,700 and \$10,050 was received from the State. With this money the following work was done. Meadow Street was completed with a tarred surface to Holmes St. About one half of Pope's Point St. received a tarred surface. Seipet St. was widened, graveled and surfaced with tar from Wareham Street to Tremont Street. Fordick Road was widened and graveled from the surfaced road to Purchase Street. Center Street from Wenham Street to Plymouth Street, about one and one half miles of Main Street and several short sections were treated with asphalt or tar. About \$700 was spent in replacing wooden railing with cable guard railing on Main and Tremont Streets. The remainder of this appropriation was spent for general maintenance.

Under Chapter 90 of the General Laws, \$1,500 was appropriated by the Town, \$2,250 was received from the State and \$1,125 was received from the County. \$4,590.49 was spent in constructing 3600 feet of tarred surface road on Purchase Street starting at the Middleboro line.

Under W. P. A., Federal Road from Cranberry Road to the Wareham line was widened, straightened and graveled to the width of 16 feet. One mile on Wareham Street and one mile on South Meadow Road, from Ward Street to the Plymouth line were each widened, straightened and graveled to the width of 18 feet. Spring Street from High Street to the Plympton line has been widened and straightened and about one half of this has been

graveled. Forest Street, Fuller Street and about one mile on Pond Street were widened and straightened. Pleasant Street has been widened and straightened and nearly completed with gravel. All of this has been done with an expense to the Town of about \$800.00

Respectfully submitted,

FRANK F. WESTON,

Superintendent of Streets.

REPORT OF COUNTY AID TO AGRICULTURE

Plymouth County Extension Service, Town of Carver,
By Mrs. Wm. E. Holmes, Town Director

In presenting the report of Extension Service activities for the town of Carver, I would like first to call your attention to the fact that the Plymouth County Extension Service has been functioning for the betterment of Agriculture, Home Life, and the boys and girls of the County for twenty-two years. It is your organization and serves you only in-so-far as you ask for service.

Report of Agriculture

The County Extension Service endeavors to present useful and practical information to farmers of the County and encourage the application of the same. We aid in securing and presenting information on production, marketing and assist in cooperative enterprises.

During 1936 much time has been given to the Soil Conservation Program. The program is in line with our agricultural teachings and can be of assistance to county farmers. Two hundred and sixty-one men enrolled in the program.

We have assisted in every way possible various organizations that have requested our services. Among these are the Associations of County Dairymen, Poultrymen, Cranberry Growers, Production Credit, Goat Owners, Bee Keepers, Rural Re-settlement, various Fairs and Granges, Egg Auction.

Thirty-two hundred farmers in the County were supplied with timely information regarding agricultural problems, while 696 farm visits were made.

Home Demonstration Work

In Home Demonstration Work, the Extension Service assists homemakers with problems relating to the practical management of the home, bringing up of children, and providing a good home environment.

In addition to the service given individual homes, over seventy groups of women, with an enrollment of 1550, have met together this year for special study of home problems. 212 different women have given volunteer help in organizing and carrying out the program. The subjects chosen have been child development, home management, food preservation and recreation. Groups have also met for chair seating, furniture renovation, and home grounds improvement.

Club Work

In 4-H Club work, the Extension Service provides for the boys and girls of the County an opportunity for educational development through study and practice in home economics and agriculture, as well as an opportunity for self-improvement. It emphasizes the home, and brings Club members and parents together in a common interest. It develops cooperation, leadership, self-confidence, ambition, sportsmanship, ability to think, responsibility and community spirit.

There were 99 4-H Clubs organized in 1936, with an enrollment of 1717 boys and girls. These clubs were under the supervision of 100 volunteer local leaders. All towns and cities in the county had some type of 4-H Club work this year.

In Carver thirty-seven women are receiving information on general home-making subjects. There has been special participation in the canning and money management program.

Calls have been made in Carver as requested but outside of cranberries the agricultural interests are limited. Eighty-two cranberry men were furnished information this past year relating to Weed-Control—Cranberry Fer-

tilizers—Gypsy Moth—False Blossom—Fruit Worm and Black Headed Fire Worm—Resanding Bogs. These men also received copies of the publication "The Cape Cod Cranberry Industry." The yearly spray chart was revised and distributed to the entire list of growers. May I suggest if you are not on the Extension Service list to receive cranberry information sent out that your town director will see it is listed if you will let her know.

Approximately 50 boys and girls enrolled as 4 H Club members in the garden and home furnishing clubs. Mrs. Anne McFarlin was the leader of the girls' home furnishing club which met weekly. At these meetings instruction was given in the "Cheery Kitchen" program which is one phase of the home furnishing club program.

The garden club members were under the supervision of Mrs. Wm. Holmes who visited each of the garden club members. An exhibit of the garden products raised by club members was held in conjunction with the annual Old Home Day in August.

REPORT OF SCHOOL COMMITTEE

We wish to direct your attention to the financial report of this department and the reports of the Superintendent and Nurse. These reports show, we believe, a satisfactory account of our stewardship of the funds appropriated for the support of education of Carver children during the year just closed.

The policy of the committee is to operate as economically as possible without impairing the quality of education in the schools. We aim to take advantage of any possible saving at all times. Thus we are able to show in our financial report an unexpended balance of \$1,086.40 in the General Account for 1936. The appropriation asked for 1937 is \$205.55 less than the amount expended during 1936 and \$1,101.00 less than the amount appropriated for 1936. The account of Vocational Education shows an unexpended balance of \$640.01 for 1936. The appropriation asked for 1937 is \$408.16 less than that for 1936.

Sanitary conditions at the Center School are such that we feel something must be done. After consideration of several propositions and conferences with the Finance Committee, we expect to make a recommendation to the annual Town Meeting.

In closing we wish to express our appreciation to all who have served this Department during the past year.

Signed,

REPORT OF THE SUPERINTENDENT

To the School Committee:

Herewith I submit my annual report as superintendent. The falling off in the enrollment in the first grade causing the transportation of pupils of that grade from the North to the South district has worked out to very good advantage. However, the enrollment for next year indicates that a much greater number will be from the North, and it will probably be necessary to reopen the room at the North School and combine Grades One and Two, and Three and Four, in both the North and Benjamin Ellis Schools. This will leave the room at the Center now occupied by the Fourth Grade free for the special class.

The arrangement made for the present term of using the basement of the Town Hall for the manual work of the special class, and the extending of that type of work to the seventh and eighth grades may I believe be continued next year.

Our teachers are continuing their enthusiasm for professional growth, several attending the group of principals and teachers which meets monthly in Bridgewater for discussion of the Social Studies program. This attitude certainly justifies the return of the cut in salary made three years ago, especially in view of the rising costs in living.

It was with great regret that we felt obliged to grant leave of absence to Mrs. Pratt for the year, and her death this fall removed one of our most earnest and conscientious teachers.

Some criticize the cost of our schools as excessive. Among the 133 towns in Group IV,—towns of less than 5000 inhabitants not maintaining High Schools Carver ranks 19 in valuation per pupil in average membership:

83 in expenditure per \$1000. valuation from local taxation, and 110 in rate of total tax per \$1000. valuation. Certainly not an excessive budget as compared with the other towns in our group.

In considering the budget the citizens should take into consideration the reimbursements from the State, tuition from State wards and from Middleboro, and the income from invested funds which in the current year amount to \$6,986.00

MARRIED WOMEN AS TEACHERS

Considerable criticism is expressed regarding the employment of so many married teachers. Such teachers having reared their families, or having but one child, yearn to get back into teaching work. They have the distinct advantage of having had the experience of motherhood. They have a sympathy for and understanding of the child such as the non-parent seldom attains. They have the stability of temperament of the married person which is no slight factor in the matter of teaching. If these have the gift and temperament of the teacher by nature, how much greater advantage it is for the world as well as for themselves for them to render that economic service of which they are most capable. These teachers also give evidence of a greater interest in professional improvement and the newer trends in education.

IS THE PRESENT SYSTEM OF MARKING NECESSARY?

This question has agitated the educational world for years. More and more educators are admitting the tyranny of the marking and examination system with its injurious effects upon the psychology and health of the child. Eugene Randolph Smith said at a convention in Cleveland, "Of all the unethical treatment to which we submit children, marking is the worst. Why should we make the ones who cannot do well with reasonable effort unhappy because they weren't built that way? Why should we make the ones who do the same work with the utmost ease a little top-heavy in the feelings about them-

selves because they manage to do it without much work? It isn't a good foundation for habits in either case."

The report system used in many of the progressive schools describes in terms other than percentage, not only the academic work of the children, but their character development, creativeness, effort and so forth, valuing the child as a whole and not as an intellect only. These reports go out quarterly or semi-annually as form letters to the parents, and are for them only. This report system keeps the parent informed of the all-round program of his child, and enables him to co-operate with the school in seeking to eliminate faults and develops desired virtues.

In this connection, I urge parents to visit schools frequently, that they may observe the work of the school and confer with the teachers. It is only by sympathetic co-operation that the child's best interest can be fostered.

Respectfully submitted,

ARTHUR B. WEBBER.

REPORT OF THE SCHOOL NURSE

TOWN WARRANT AND REPORT OF FINANCE
COMMITTEE

Plymouth, ss. To either of the Constables of the Town of Carver, Plymouth County, Greeting:

In the name of the Commonwealth of Massachusetts, you are directed to notify the inhabitants of the Town of Carver qualified to vote in elections and in town affairs to meet at the Town Hall in said Carver on Monday, the first day of March, 1937 at 8:45 o'clock in the forenoon then and there to act on the following articles.

Article 1. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1937, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 1. Recommended by Finance Committee.

Article 2. To raise and appropriate such sums of money as may be necessary to defray town charges for the ensuing year.

Article 2. Recommended by Finance Committee.

Article 3. To see if the town will vote to appropriate a sum of money not to exceed eight hundred dollars (\$800.00) from the free cash in the town treasury for the sole purpose of meeting charges against the cemetery funds in the town treasury, all monies expended under

this vote to be refunded before the end of the current year.

Article 3. Recommended by Finance Committee.

Article 4. To see if the town will vote to accept the cemetery fund or funds paid into the town treasury under the perpetual care statutes, or act anything thereon.

Article 4. Recommended by Finance Committee.

Article 5. To see if the town will authorize the Selectmen to prosecute, compromise or defend suits for or against the town.

Article 5. Recommended by Finance Committee.

Article 6. To see what disposition the town will make of the dog fund,

Article 6. Recommended by Finance Committee to be added to Library account.

Article 7. To see if the town will vote to raise and appropriate a sum of money for the observance of Memorial Day and act thereto.

Article 7. Recommended by Finance Committee. \$150.00 to be taken from Unclassified account.

Article 8. To see what amount the town will vote to raise and appropriate for the use of the Plymouth County Trustees for County Aid to Agriculture (Plymouth County Extension Service) and to choose a town director as provided in Sections 41 and 42 Revised Chapter 128 of the General Laws and act thereon.

Article 8. Recommended by Finance Committee, \$100.00 be appropriated.

Article 9. To see if the town will vote to raise and appropriate a sum of money not to exceed Seventy-five

dollars (\$75.00) for rental for the American Legion. Money to be paid to the Treasurer of the Sons of Veterans and act thereon or thereto.

Article 9. Recommended by Finance Committee, \$75.00 be appropriated.

Article 10. To see if the town will vote to appoint a committee to investigate the advisability of discontinuing the present gas traffic lights at Centre and South Carver, and installing electric traffic lights, and act anything thereon or thereto.

Article 10. Recommended by Finance Committee.

Article 11. To see if the town will vote to discontinue the part of old Federal Road, so called, from Cranberry Road to Mayflower Road, and act anything thereon or thereto.

Article 11. Recommended by Finance Committee.

Article 12. To see if the town will raise and appropriate a sum of money, not to exceed Four thousand seven hundred and fifty dollars (\$4,750.00) to purchase a road roller, and authorize the Selectmen to dispose of the roller now owned by the Town and apply the proceeds toward the purchase of the new roller, and take any action relative thereto.

Article 12. Not recommended by Finance Committee.

Article 13. To see if the town will vote to establish a road machinery fund to which shall be credited all receipts received for the use or rental of road machinery, the proceeds to be appropriated as voted by the Town for road machinery purposes or take any action in relation thereto.

Article 13. Not Recommended by Finance Committee.

Article 14. To see if the Town will vote to appropriate a sum of money to establish a road machinery account for the purpose of repairing and operating road machinery.

Article 14. Not Recommended by Finance Committee.

Article 15. To see if the town will vote to raise and appropriate a sum of money not to exceed two thousand dollars (\$2,000.00) provided allotments are received from the State and County, under Chapter 90, General Laws, for surfacing Purchase Street, and act thereon or thereto.

Article 15. Not Recommended by Finance Committee.

Article 16. To see what pay the town will vote the Treasurer, Town Clerk, Collector of Taxes and other Town Officers for the ensuing year.

Article 16. Recommended by Finance Committee that \$400.00 be paid Treasurer, \$600.00 Collector, and \$200.00 Clerk, Pay of other Town Officers left to Selectmen.

Article 17. It is the opinion of the Finance Committee that the time is ripe for a careful examination and exploration into the question of salaries or remuneration which the Town of Carver should pay—"other town officers" as mentioned in Article 16 above. Therefore the Committee recommends that a committee of five members be nominated from the floor, and elected by voice vote of the Town, at this meeting, to bring a report and recommendations to be presented to the Town for action at its next annual Town Meeting, covering the salaries or other remuneration to be paid all elective town officers. Said report to be first presented to the Finance Committee for its consideration and recommendations at the direction of the chairman of the Finance Committee, and act anything thereon.

Article 17. Recommended by Finance Committee.

Article 18. To see if the Town will vote to elect a highway surveyor for a term of one year and annually thereafter as provided in General Law Chapter 41, Section 1, to become effective at the date of the annual Town meeting in 1938, or take any action relative thereto.

Article 18. Submitted and Recommended by the Finance Committee.

Article 19. To see if the Town will vote to appoint a committee of seven members to investigate the needs of the housing conditions of the Schools at Center and North Carver, and make recommendations based on their finding and investigation at an adjournment of this Meeting or at a Special Town Meeting called for the purpose of hearing the report of the committee, said committee to consist of the following, namely: three members of the School Board, one member of the Board of Selectmen, one member of the Finance Committee, and two at large, and act anything thereon. By Request of School Committee.

Article 19. Not Recommended by Finance Committee.

Article 20. To see if the Town will vote to raise and appropriate the sum of \$90.00 to replace the posts, repair and paint the present fence on the line between the Center Cemetery and Shurtleff Park, and act thereon or thereto. By request of Finance Committee.

Article 20. Recommended by Finance Committee, \$90.00 be appropriated.

Article 21. To see if the Town will vote to acquire, by purchase or otherwise, a portion of the "Shurtleff Estate" so-called, as now adjoins the Carver Central Cemetery on the Southwesterly side, for the purpose of enlarging said

cemetery, and to raise and appropriate the sum of One hundred dollars (\$100.00) towards its purchase, and act anything thereon or thereto. By request of the Cemetery Commissioners.

Article 21. Recommended by Finance Committee, \$100.00 be appropriated.

Article 22. To see if the Town will vote to take Six thousand dollars (\$6,000.00) from the Free Cash in the Treasury, said sum to be used for the purpose of reduction in taxes for 1937.

Article 22. Recommended by Finance Committee.

Article 23. To choose all necessary Town Officers not elected by ballot.

Article 24. To choose all necessary town officers, the following officers to be voted for all on one ballot, viz.: Moderator, Treasurer, Town Clerk, Collector of Taxes, Three Auditors, Three Constables, Three Herring Committeemen, and one Tree Warden each for one year. One Assessor, One Selectmen, One School Committeeman, One Cemetery Commissioner, One Park Commissioner, One Member of Public Welfare and Two Library Trustees each for Three years, and to vote by ballot "Yes" or "No" in answer to the following questions: "Shall licenses be granted for the sale of all alcoholic beverages?" and "Shall licenses be granted for the sale of wines and malt beverages?"

And you are directed to serve this warrant by posting up attested copies thereof, at the several places designated by vote of the town seven days at least before the time of holding said meeting.

The polls will open at 12 o'clock noon and will be open for at least four hours.

Hereof fail not and make due returns of this warrant, with your doings thereon, to the Town Clerk at the time and place of meeting aforesaid.

Given under our hands this 15th day of February in the year One Thousand Nine Hundred and Thirty-Seven.
