REPORT OF TOWN CLERK

EXCERPTS FROM TOWN MEETING RECORDS 1942

(January 20th)

Voted to appropriate from Surplus Cash the sum of \$5,000.00 to purchase a Maxim Pumper mounted on a Ford chassis, and a Committee of two members of the Fire Department to act with the Board of Selectmen in the purchase of said pumper.

Norman V. Holmes and Homer F. Weston were appointed by the Moderator to act with the Selectmen.

It was voted to appoint a Fire Equipment Housing Committee of five to consider the matter of housing fire equipment and report to the Annual Town Meeting.

The Committee appointed by the Moderator was as follows:

Earl B. Ware, Chairman
Norman V. Holmes
Homer F. Weston
Warren L. Chandler
Carroll D. Griffith

(March 3)

Voted that the Dog Fund be appropriated for the Free Public Library.

Voted that the Moderator re-appoint the original Building Committee for the No. School remodeling namely:

Andrew F. Griffith, Warren L. Chandler and Winston B. Leach, and that the balance \$16.91 of that account be used to purchase a sign bearing the name E. Tillson Pratt School, and place on the No. School.

Report of Committee to investigate housing of Fire Equipment is as follows :

It is the recommendation of this Committee that the Town accept the offer of Mr. Ellis D. Atwood to house one piece of apparatus at his heated garage, at his bog in South Carver. Mr. Atwood offers this space to the Town free of charge, and has men available to drive the truck at all times.

Due to unsettled conditions the Committee feels that this is the best solution of our problem for the next few months.

We also recommend that this Committee be continued and be allowed to make further study of the situation, and report at a future Town Meeting.

FIRE HOUSING COMMITTEE,

EARL B. WARE, Chairman.

Moved by Earl B. Ware duly seconded that the Town accept the offer of Mr. Atwood with the following changes in the wording of the first paragraph of the above report "and where men will probably be available to drive the truck".

Voted to purchase a Fitzhenry Guphill Sprayer for Control of Gypsy Moth for the sum of \$1,050.00.

Voted that the Tillson Pratt School Grounds Committee be continued for another year.

Voted that the Moderator appoint a Committee of three members to continue soliciting funds for the repairs of the E. Tillson Pratt Cemetery Lot in order to obtain the balance due on repairs of \$15.00.

(October 19)

Voted the sum of \$1,300.00 from available funds for maintaining a school lunch.

Voted \$500.00 for Civilian Defense from Available Funds.

Voted the sum of \$1,200.00 for the purchase of three (3) Sirens with 5 H. P. Motor.

Voted that the head of each department with the approval of the Selectmen dispose of any material suitable for salvage.

It was voted as an expression of the meeting to dispose of the cannon on the Town House lot before the Army asked for it.

MARRIAGES RECORDED IN CARVER FOR THE
YEAR 1942

- Jan. 17 Everett Wilfred Collins, and Ruth Alice Smith,
of Middleboro.
- Jan. 18 Frank H. Shaw, and Gladys F. Hayden (Flem-
ing) of Greencastle, Pa.
- Jan. 24 William Oswald Halunen, and Beverly Margaret
Henrion of Plymouth.
- Feb. 13 Bernard Elsmere Shaw, and Jennie Euphemia
Bailey.
- Feb. 22 Onnie Vaino Ahlberg, of Wareham, and Aina
Sophie Wainio.
- June 1 Ivan J. Luttés, of Washington, D. C., and Char-
lotte Elizabeth Andrews.

REPORT OF SEALER OF WEIGHTS AND MEASURES

To the Honorable Board of Selectmen:

Gentlemen:

My Annual Report as Sealer of Weights and Measures for 1942 is as follows:

Computing Scales tested and sealed	7
Platform Scales tested and sealed	4
Counter Scales tested and sealed	3
Spring Scales tested and sealed	9
Meters (1 inch) tested and sealed	17
Meters (over 1 inch) tested and sealed	1
Kerosene Pumps tested and sealed	3
Stops on Pumps tested and sealed	5
Liquid Measures tested and sealed	7
Grease Measures tested and sealed	4
Avoirdupois Weights tested and sealed	18
Adjustments on Scales and Meters	7
Re-tests on Scales and Meters	10
Gasolene Storage Tanks tested at time of ration start	17
Miles Traveled as Sealer	300
Amount received as fees and paid to Treasurer	\$16.97
Amount expended for Working Equipment	7.91
Amount expended for Telephone and Postage	2.25
Amount of Insurance on State Standards	18.45
7 Computing Scales @ 10c each	.70
4 Platform Scales, 100 lb. or over @ 50c	2.00
1 Counter Scale over 100 lb. @ 50c	.50
2 Counter Scales under 100 lb. @ 10c	.20
4 Spring Scales under 100 lb. @ 10c	.40
17 Meter Systems (1 in. inlet) @ 50c	8.50

1 Meter System (over 1 in. inlet) @ \$1.00	1.00
6 Liquid Measures @ 3c	.18
1 Liquid Measures @ 10c	.10
4 Grease Measures @ 10c	.40
3 Kerosene Pumps (2 no charge) 1 at 10c	.10
5 Stops on Kerosene Pumps @ 10c	.50
18 Avoirdupois Weights @ 3c	.54
	<hr/>
	\$15.12

Adjusting Charges 1.85

Total amount of Fees received \$16.97

Amount of Salary	\$100.00
Amount expended for Working Equipment	7.91
Amount expended for Telephone and Postage	2.25
Amount received for car, 300 miles at 6c	18.00
Amount of Insurance of State Standards	18.45
	<hr/>
	\$146.61

Yours respectfully,

EDWIN E. BISBEE,
Sealer of Weights and Measures.

REPORT OF INSPECTOR OF SLAUGHTERING

The Honorable Board of Selectmen:
Gentlemen:

I wish to submit my report as Inspector of Slaughtering for the year 1942.

Number of Pigs examined and stamped	124
Number of Cows examined and stamped	3
Number of hours services as Inspector	109
Number of miles traveled as Inspector	290

Respectfully submitted,

EDWIN E. BISBEE,

Inspector of Slaughtering.

REPORT OF INSPECTION OF ANIMALS 1942

To the Honorable Board of Selectmen:
Gentlemen:

The following is a report of my work as Inspector of Animals for the year 1942.

Number of Complaints Investigated	20
Number of Dogs Quarantined and Released	1
Number of Other Inspections	5
Number of miles traveled	225
Number of Hours Service	72

Respectfully submitted,

EDWIN E. BISBEE,

Inspector of Animals.

JURY LIST—1942-1943

Appling, Russell E., Cranberry Grower
Bolduc, J. Aime, Mechanic
Bond, Charles F., Retired
Bumpus, Ellis S., Mechanic
Carter, John, Shoemaker
Cherry, Charles L., Superintendent
Crowell, Walter N., Retired
Dempsey, Daniel H., Engineer
Dionne, Napoleon, Laborer
Eames, Embert H., Sr., Farmer
Griffith, Rodney N., Foreman
Harriman, William H., Real Estate
Kenney, Thomas L., Foreman

REPORT OF THE POLICE DEPARTMENT

I wish to submit the report of the Carver Police Department for the year ending December 31, 1942.

District Court Cases	12
Superior Court Cases	0
Persons Arrested	11
Persons Summoned	2
Charges Preferred	21
Charges Receiving Jail Sentences	7
Charges Receiving Fines	3
Charges Filed by the Court	6
Charges Receiving Suspended Sentences	0
Charges Receiving Probation	4
Persons Released from Court Custody	1
Persons Found Guilty	10
Persons Found Not Guilty	0
Motor Violations Sent to the Registry	12
Office Probations	1
Office Warnings	3
Total Jail Sentences in Years, Months and Days	5 years, 7 months
Total Fines by District and Superior Courts	\$115.00

UNIFORM CLASSIFICATION OF OFFENSES

Breaking and Entering (Daytime)	6
Breaking and Entering (Nighttime)	5
Larceny	10
Drunkenness	3
Receiving Stolen Property	1
Violation of Motor Vehicle Laws	18

This is not a complete report of the Police activities for the entire year because there were only one or two records for the first six months in the files.

MYRON H. HAYDEN,
Chief of Police.

REPORT OF STATE AUDITOR

February 8, 1943

To the Board of Selectmen:

Mr. Frank E. Barrows, Chairman
Carver, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the Town of Carver for the period from November 9, 1939 to November 9, 1942, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

THEODORE N. WADDELL,

Director of Accounts.

TNW:MMH

Mr. Theodore N. Waddell
Director of Accounts
Department of Corporations and Taxation
State House, Boston

Sir:

As directed by you, I have made an audit of the books and accounts of the Town of Carver for the period from November 9, 1939, the date of the previous examination, to November 9, 1942, and submit the following report thereon:

General ledger accounts were compiled for the period covered by the audit, the appropriations and transfers from the reserve fund being checked with the town clerk's records of financial votes passed in town meetings and with the finance committee's records of transfers authorized. A balance sheet, showing the financial condition of the town on November 9, 1942, was prepared and is appended to this report.

The books and accounts of the town treasurer were examined and checked. The cash book additions were verified and the recorded receipts were analyzed and checked with the records of the several departments collecting money for the town and with other sources from which money was paid into the town treasury, while the payments were checked with the selectmen's warrants authorizing the treasurer to disburse town funds. The cash balance as of November 9, 1942, was proved by reconciliation of the bank balance with a statement furnished by the bank of deposit and by actual count of cash in the office.

The recorded payments of debt and interest were proved with the amounts falling due and by examination of the cancelled securities on file.

The records of tax titles held by the town were examined. The amounts added to the tax title account were compared with the collector's records, the reported redemptions were checked with the receipts as recorded on the treasurer's cash book, and the tax title deeds as listed were checked with the records in the Registry of Deeds.

The savings bank books and securities representing the investment of trust funds in the custody of the town treasurer and trustees were examined. The income was proved and the withdrawals were verified.

The books and accounts of the tax collector were examined and checked. The poll, property, and motor vehicle excise taxes outstanding at the time of the previous examination and all subsequent commitments were audited and reconciled with the assessors' warrants. The payments to the treasurer were checked to the treasurer's cash book, the recorded abatements were compared with the assessors' record of abatements granted, and the taxes transferred to the tax title account were checked with the treasurer's record of tax titles held by the town.

The outstanding accounts were listed and verified by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The records of dog and sporting licenses issued by the town clerk and of the town clerk's miscellaneous receipts were examined and checked. The recorded payments to the treasurer and to the State were verified by comparison with the treasurer's books and with receipts on file.

The surety bonds of the town officials required by law to furnish them were examined and found to be in proper form.

In addition to the accounts mentioned, the records of the selectmen, the sealer of weights and measures, and of the cemetery and public welfare departments, as well as of departments collecting money for the town, were examined, checked, and reconciled with the treasurer's books.

The examination of the records of the cemetery department indicated that receipts for opening graves, etc., have been retained by employees doing the work in which connection it is recommended that all such receipts be paid into the town treasury, as required by Section 53, Chapter 44, General Laws. The compensation of the employees should be paid on duly authorized warrants from an appropriation provided therefor.

It was also found that members of the board of cemetery commissioners were receiving compensation for work performed at the cemetery, in which connection attention is called to Section 108, Chapter 41, General Laws, which provides that the salary and compensation of all elected officers of a town shall be fixed by vote of the town, and to Section 4A, Chapter 41, General Laws, which provides that a town board may, if authorized by vote of the town, appoint any member thereof to another town office or position and that the salary of such appointee shall be fixed by vote of the town.

In checking the records of the school department it was noted that, although the town had voted an appropriation to provide lunches (in conjunction with the Federal Government) for the school children, receipts from such school lunches were being used to purchase supplies for the lunchroom. It is recommended that this practice be discontinued and that the receipts be turned into the town treasury in accordance with the provisions of Section 53, Chapter 44, General Laws.

It was also noted in listing the appropriations voted by the town that a single amount is voted for "General Gov-

ernment", which includes the expenses of several separate departments. It is again recommended that specific appropriations be voted by the town for the salaries and expenses of each department.

In addition to the balance sheet referred to, there are appended to this report tables showing a reconciliation of the treasurer's cash, summaries of the tax, tax title, and interest accounts, as well as tables showing the condition and transactions of the various trust funds.

While engaged in making the audit, cooperation was received from all town officials, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

HERMAN B. DINE,

Assistant Director of Accounts.

Holidays, Oct. 12, 22; Nov. 11, 25-26.

1944 Winter Term: Begins Monday, Jan. 3.

1942 REPORT OF THE SCHOOL BOARD

To the Inhabitants of the Town of Carver :

The Carver School Board organized this year with Eunice Bailey as chairman, Harriet Snow as secretary and John Carter taking the place of Winsor Leach as its third member. Mr. Leach was granted leave of absence following his re-election and is now serving with the United States Army in Australia. Meetings are held, with Superintendent Austin, on the third Wednesday of each month.

Americanization classes which were conducted at the Centre School had an enrollment of seventy-three persons taking advantage of the courses offered which included reading, writing and speaking of English, Civics, History and Government. Since this was our first venture in this field of adult education the committee feel that the response indeed proves the worth of the project and plan to continue this work the coming year.

The school lunches, operated for a time under N. Y. A. help have proved a great asset to our school system. Due to the fact that N. Y. A. no longer is in existence the town by its vote in a special town meeting appropriated money to pay the help needed in preparation of these lunches. Government commodities still are used and the fee of ten cents per pupil per meal balances the food budget.

The Benjamin Ellis School at South Carver was given a thorough painting both inside and the trimmings on the exterior of the building. This has greatly improved the lighting in the class rooms, since the ceilings are now white.

It seemed inadvisable at this time to make any major change at the Centre School. However much needed chalk boards were purchased for one of the older rooms.

Respectfully submitted,

EUNICE A. BAILEY, Chairman

HARRIET SNOW, Secretary

JOHN CARTER.

REPORT OF THE SUPERINTENDENT

To the Members of the Carver School Committee:

I hereby submit my second annual report as Superintendent of Schools for the Town of Carver, a part of the Superintendency Union, No. 45, which includes the Towns of Carver, Lakeville and Rochester.

The work of the schools this year, here, as elsewhere, represents an effort to retain standards and rate of progress while confronted with numerous problems upsetting to school life. Generally speaking, Carver has been more fortunate in this respect than others, due principally to the fact that it has a small population, both in school and otherwise. School materials and services are increasing in cost, a fact which we perhaps dislike to recognize; in this respect it will become increasingly more difficult to maintain the liberal and just policies which you as a committee have established and, moreover, ought to provide for a community such as Carver. We are told that the chief function in the primary and elementary schools today is to make the daily instruction as meaningful and useful as possible, and while we recognize the effect and significance of war on our children, every effort should be made to keep school life as normal as lies within our means to do. To this end we have devoted our efforts in the school department. For the most part the daily school program has not changed beyond what might be termed 'normal school progress', yet there have been a few features added which are directly traceable to the war year. These additions are as follows:

(a) The children have been trained, to the extent of our limited means, to know how to take care of them-

selves in case of air raids. Most of this training is done through air raid drills.

(b) Our pupils, assisted by teachers and others interested, worked hard during the nation-wide scrap drive held last fall. They were so successful that they were awarded \$75.00 as a prize by the New Bedford Standard Times.

(c) The students in our schools purchase War Savings Stamps through the courtesy of the three postmasters in Carver, each of whom comes once weekly to the school nearest him so that the pupils may make their purchases. During the four-month period beginning September, 1942, stamps to the value of more than \$530.00 have been sold through the schools.

National rationing of various commodities has given the teachers considerable work during the past year and promises to offer more in the months to come. This work has not interrupted the daily routine of the schools locally, so much as elsewhere, but is likely to in the future, inasmuch as each new rationing program becomes increasingly complicated for those meeting the public and making the necessary computations. Carver teachers have cheerfully undertaken this civic duty maintaining their daily school work in addition to it; this represents an attitude on their part which is entirely commendable.

The staff of teachers underwent some changes this year. Miss Dorothy Labouteley withdrew from her position as teacher of Domestic Arts and other academic subjects at the Center school in June, 1942. This position was taken by Miss M. Sybil Hartley of Rochester, a graduate of Simmons College, 1942. Miss Edna F. Denault, who was teaching at the Benjamin Ellis School, grades one and two, resigned to accept a position in the Plymouth system; her work was taken over by Miss Marion Hokan-

son, who resigned December 23, 1942. Miss Eva J. Leonard, then teaching in Bernardston, Mass., agreed to come to continue this position as soon as release was possible to arrange from the position then held. Miss Leonard is a graduate of the Teachers' College at Fitchburg, Mass. It is regrettable that Carver should have to experience so much change as it does; it is inevitable, however, until the policy is reached to pay salaries in competition with other communities. It is due only to the fact that we have a high percentage of teachers who are married and have homes either in or near to Carver that we have no more change than we do. The citizens of Carver should believe themselves fortunate that they have had as little change as this during the current times. The securing and holding of teachers qualified and experienced is a problem of major significance in most communities today. Schools cannot make progress with a continually changing staff; the fact that we yet have a majority of teachers with long experience and skill in instruction should yield considerable satisfaction. In our staff of part-time teachers there has been one change. Frederick G. Winters, Supervisor of Music, asked leave of absence to enter military service. Miss Mary Doherty undertook his work, resigning in October, 1942. Miss Olive Spaniol entered our service following Miss Doherty's resignation. She is a graduate of the New England Conservatory of Music, and has work to her credit at the Boston University College of Music. Mrs. Stella F. Morrison continues her fine work with us; I recommend the serious consideration of the committee toward having more of her time than is now the practice.

This report would not be complete without a detailed summary of the Hot Lunch Program. I believe there could have been no finer development in the non-academic life of the daily school program than the lunch work we do now. It was quite apparent that soon after the pro-

gram was under way by means of Federal Surplus Commodities and labor furnished through the National Youth Administration that the popularity of the daily meal would require greater and more extensive efforts than planned for; this led to the conclusion that National Youth Administration could not be counted upon to do as the authorities had agreed,—namely, to furnish sufficient help. For experience showed that they ignored our requests for more assistance. Following this, the possibilities for W. P. A. project control of the work were investigated. Due to the scarcity of eligible persons, plus the fact that the regulations of the W. P. A. were too cumbersome, it was decided that the best way would be to assume locally the responsibility for labor and materials, accept Commodities offered and available, and to finance the balance from the daily fees paid by pupils who could afford the lunch. Space does not permit a continued outline of the problems, but sufficient to say that the procedure has once more had to be overhauled due to the ruling of the state auditors making a routine audit in town affairs, which makes it necessary to deposit all monies collected from pupils with the town treasurer and to have nothing available from this source for purchase of foods to supplement the commodities. This last fact made it necessary during the month of December to rely on the special appropriation made in October for purposes of school lunch, meanwhile depositing daily cash collections received from pupils once weekly with the treasurer. This feature will make it necessary for the school committee to ask the town for a sufficient sum of money to finance the whole program. The cash collected each day will offset to a considerable extent the cost of the work, but will make it necessary to raise more than would otherwise be necessary. Had anyone realized in advance the vast amount of planning and execution which the committee, the principals, and the superintendent have been called upon to do, probably it would have been unbelievable. The fact that so many

parents and others have commented upon the program as being a fine thing for the children has encouraged us to continue. It is no exaggeration to say that less than ten children bring their own lunches throughout the whole town.

Increased emphasis has been put upon the health program of the schools in the past four months. Mrs. Doris E. Brown, R. N., was appointed school nurse and began her duties September, 1942. Since her appointment she has been working to become acquainted with the problems peculiar to our situation and will spend the balance of the current school year in the usual duties of the school nurse. In addition to this, Mrs. Brown will be planning the introduction of a program next September, 1943, which will place new emphasis on health and physical well-being.

The numbers enrolled in the schools, both local and otherwise, can be determined by referring to a table included elsewhere in the school department report. The figures indicate a total in the local schools quite similar to that of last year with a slight decrease in high school enrolment.

The annual graduation exercises for the year were centered around the development of the theme, "The Relationship of South America to the United States". The topics, as developed by the students, represented their own efforts, and the policy of the whole program was that of having it consist of material worked out by the students rather than having them memorize and deliver material written by others having no significance to them as individuals. The following list contains the names of those graduated:

Edgar J. April	Kenneth S. Telfer
Robert A. Bolduc	Theodore T. Vaughan
Samuel S. Chandler	Erwin K. Washburn
Peter R. Correio	Herman C. Young
Robert T. Griffith	Laura L. Braddock
Robert A. Hall	Lois H. Eames
Raymond Kolstrom	Eileen LeCain
Ian McLure	Gertrude E. Merritt
Mathew Mendes	Martha L. Thomas
Valentine P. Pina	Ruth E. Tillson
Elizabeth H. Peterson	

Probably the most important single achievement during the past year has been the beginning of the formation of a course of study for the three towns of the union as mentioned in the annual report for 1941. The teachers of the union were divided into three groups, with, in a few instances, a teacher serving on more than one committee. These committees represented the primary, elementary, and junior high grades respectively. By June 1942, sufficient material had been discussed to permit the issue of a temporary outline covering some phases of the curriculum. Probably the best work done to date has been in the primary group; not that the efforts of the other two groups were not as effective, but because the nature of the questions at hand permitted more definite decisions at the outset than did the other two grade groups. At present the outline is in the possession of every teacher, and their instructions are to try the work out and to enter their criticisms and comments on it so that it may be revised under actual teaching situations. The intention was to continue the meetings during this school year, but because the meetings were held with the frequency of once in two weeks for each group, it did not seem feasible in view of the situation relative to tires and gasoline to meet so often. Therefore, no meetings have been held since June, 1942; but since there have been four months of opportunity to experiment with the out-

line, meetings spaced more widely will take place during 1943, for if the work of the schools in general is to be considered important, then curriculum study and redirection is equally important, for this is one of the bases of progress in any school system.

New books were made available to pupils and teachers in the subjects of geography and history, except in the few isolated instances where the books in use were in a condition good enough to warrant postponing the change for a year. The books were installed in line with a policy already established in this union of adopting the same series for use in similar grades and groups in all three towns. These new books will become increasingly valuable as this World War II requires a new approach to the teaching of Social Studies. Formerly an emphasis on facts and their significance formed a sufficient fund of information for the pupils' needs; this is still important, but the pupil now has to apply the facts to interpret the day-by-day developments, and to learn to evaluate information and uses the facts to answer the question at hand. Our new books, particularly those for the older pupils, are written from exactly this point of view. At the last meeting of the Union Committee it was agreed that it would be wise to continue the policy of uniform textbook adoption and to investigate the needs and materials in the field of **English and Literature**.

As this report is written there is some doubt regarding what plans should be made in view of the increasing scarcity of fuel oil. The **E. Tillson Pratt School** cannot be converted without great cost, and in the case of both this school and the **Benjamin Ellis**, it will require greater expenditure of janitor time to attend coal-fired equipment. Probably the best recommendation to be made is that of watching the fuel supply carefully and, if necessary, closing these schools for a brief space of time until warmer weather prevails. By the opening of schools in September

there should be more definite information available in respect to fuel for the 1943-44 heating season.

Classes for Adult Alien residents of Carver who desired to prepare for citizenship were opened March 1, 1942, and continued for the required minimum of forty sessions. The fact that there were seventy-three different persons enrolled in the school is in itself a testimonial for the need of such a type of educational offering. Looking forward to 1943, as the committee has already planned, we look to reopening evening school and continuing the work, although under a slightly different organization than before. These classes consist of instruction in reading, writing, and speaking English, as well as citizenship, History and understanding the greatness of this country in which they have made their homes. If we believe in the principles of democracy as we hope to see them shown in American culture, then we believe in offering opportunities of this sort to alien residents, for opportunity for the individual is one of the corner stones of the American Way of Life.

In conclusion, the past year has seen some change in the pattern of school for Carver as it affects the interests of all concerned. The policies we have followed are in keeping with good school practice. I am pleased to have worked with a committee which has constantly maintained an open-minded attitude toward problems of education as they relate to the whole community. The fair and honest approach you have made toward forming policies for school matters cannot help but be a lasting benefit to the town.

Respectfully submitted,

GEORGE R. AUSTIN,

Superintendent of Schools.

REPORT OF THE SCHOOL NURSE

To the Superintendent of Schools :

I hereby submit my first report of work done as school nurse for the period beginning August 1942 to the close of the year.

In August twenty-four pre-school visits were made to the homes and parents of children scheduled to enter school September, 1942. With the exception of four children, all had been vaccinated; fourteen had visited their own physician for a physical examination and eleven had been to their family dentist. This shows that most parents are anxious to have their children physically equipped to enter school.

Dr. L. M. Chase of Carver made the annual physical examinations—197 pupils were examined and notices of defects discovered during the examinations were sent home to the parents. Posture appears to be poor throughout grades three to eight. A small percentage of the cases is probably due to lack of proper diet and rest, but the greater portion results from lack of attention to proper posture.

The audiometer was used to test the pupils' hearing. All pupils were found to have satisfactory hearing ability.

The annual Dental Clinic was carried out in November and December. Dr. E. F. Tobin of Brookline made 124 examinations. Forty-seven different pupils had 169 corrections made. The response at the North Carver school was especially fine.

In the course of my work I have made thirty-nine school visits and thirty-two home visits. Five pupils have been taken home on account of illness.

I am appreciative of the efforts of parents and teachers in cooperating in the work.

Respectfully submitted,

DORIS E. BROWN, R. N.

SCHOOL SUPERINTENDENCY UNION, No. 45

Report of the Secretary for 1942

On Aril 9, 1942, the School Superintendency Union, No. 45, Committee held its annual meeting at Lakeville. The following officers were elected for the ensuing year:

Chairman . . . Samuel H. Corse, Rochester

Secretary . . . Marian N. Pierce, Rochester

As Mrs. Pierce was unable to be present at the meeting, Mrs. Ina Washburn was elected Secretary Pro Tem.

It was voted that the Superintendent's salary be divided among the three towns, beginning August 1, 1942, as follows: Carver 40% Lakeville 30%, and Rochester 30%. It was further voted that the Superintendent's travel allowance be divided equally among the three towns, each paying one third of the total amount.

It was also voted that Mrs. Doris E. Brown, R. N., be appointed School Nurse for the Union.

The semi-annual meeting of the Union committee was held at Carver on November 16, 1942.

During the past year new text-books in History and Geography have been put in use in all union schools, with the exception of those few classes and grades where the books already in use were too good to discard. The new text-books are:

McConnell Series in Geography	Grades 3 - 8
Kelty History Series	Grades 4 - 6
Rugg Social Studies Series	Grades 7 - 8

As we try to have the schools and teachers in the Union operate under the same procedure whenever possible, it seemed wise to decide on a definite policy for closing schools when teachers are required to help with rationing. It was agreed that several hours of such service, after a full day of teaching, was more than should be required of teachers and it was therefore decided that in the future it would be the policy of the Union to close the schools during rationing periods.

Penny Milk Program: The Agricultural Marketing Administration is advocating putting milk into the schools on the following basis: some agency in town must sponsor the difference in cost between the 1c which the child pays, and the bottling, handling, delivery charge which the distributor sets through competitive bidding. The Federal government pays the cost of the milk. After discussing the program, Mr. Austin was authorized to contact milk dealers in the three towns for bids for supplying milk. As Mr. Austin has since reported that none of the dealers contacted were able to supply milk for this purpose, we were unable to put this program into effect.

Union Reference Library: A start has been made towards establishing a lending library of reference books for the use of the teachers in this Union. There are already available three books regarding the teaching of reading, three books for the teaching of arithmetic, and one each in psychology, health education and social studies.

Permanent Record Envelopes: By the use of the Permanent Record Envelopes, put into use in the Union in

September 1942, the teachers will now be able to keep a comprehensive record of each student throughout the eight elementary grades. As the students advance from grade to grade, with complete records of their past work and health, each new teacher will be in a better position to understand and help them.

Respectfully submitted,

MARIAN N. PIERCE,

Secretary.

TOWN WARRANT
AND REPORT OF
FINANCE COMMITTEE
OF THE
TOWN of CARVER
MASSACHUSETTS

Annual Town Meeting, March 1, 1943
at 12:00 Noon

TOWN WARRANT AND REPORT OF FINANCE COMMITTEE

Plymouth, ss. To either of the Constables of the Town of Carver, Plymouth County, Greetings:

In the name of the Commonwealth of Massachusetts, you are directed to notify the Inhabitants of the Town of Carver qualified to vote in elections and in town affairs to meet at the Town Hall in said Carver on Monday, the first day of March 1943 at twelve o'clock noon, then and there to act on the following article, namely:

Article 1. To choose all necessary town officers, the following officers to be voted for all on one ballot, viz:— Moderator, Treasurer, Town Clerk, Collector of Taxes, Three Auditors, Three Constables, Three Herring Committeemen, One Tree Warden, and One Highway Surveyor, each for one year. One Assessor, One Selectmen, One School Committeeman, One Cemetery Commissioner, One Park Commissioner, One Member of Public Welfare and Two Library Trustees, each for Three Years, and One Member of Public Welfare for two years; and One Selectman, One Member of Public Welfare, and One Cemetery Commissioner, each for one year; and One Park Commissioner for two years.

The polls will be open for at least seven hours.

And you are directed to further notify said Inhabitants of said Town that as soon as the ballots have been counted the meeting will adjourn to Tuesday, March 2, 1943, at nine o'clock A. M. and at that time will reconvene at said Town Hall in said Carver, then and there to act on the following articles, namely:

Article 2. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1943, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 2. Recommended by the Finance Committee.

Article 3. To raise and appropriate such sums of money as may be necessary to defray town charges for the ensuing year.

Article 3. Recommended by the Finance Committee.

Article 4. To see if the Town will vote to appropriate a sum of money not to exceed eight hundred dollars (\$800.00) from the free cash in the town treasury for the sole purpose of meeting charges against the cemetery funds in the town treasury.

Article 4. Recommended by the Finance Committee.

Article 5. To see if the Town will vote to accept the cemetery fund or funds paid into the town treasury under the perpetual care statutes, or act anything thereon or thereto.

Article 5. Recommended by the Finance Committee.

Article 6. To see if the Town will authorize the Selectmen to prosecute, compromise or defend suits for or against the Town.

Article 6. Recommended by the Finance Committee.

Article 7. To see what disposition the Town will make of the dog fund.

Article 7. Recommended by the Finance Committee that it be added to the Library Account.

Article 8. To see what amount the Town will vote to raise and appropriate for the use of the Plymouth County Trustees for County Aid to Agriculture (Plymouth County Extension Service) and to choose a town director as provided in Sections 41 and 42 Revised Chapter 128 of the General Laws and act thereon.

Article 8. Recommended by the Finance Committee that \$100.00 be raised and appropriated.

Article 9. To see what pay the Town will vote the Treasurer, Town Clerk, Collector of Taxes and other Town Officers for the ensuing year.

Article 9. Recommended by Finance Committee as follows:

Moderator: \$10.00 for the Annual Town Meeting.
\$5.00 for each Special Meeting.

Town Clerk: \$400.00.

Town Treasurer: \$700.00

Collector of Taxes: \$700.00

Highway Surveyor: 90 cents per hour

School Committee Members: \$2.50 per day as provided by the law of the Commonwealth, plus \$2.50 additional per day of eight hours.

Constables and Special Officers: 55 cents per hour.
All other officers elected by the Town: 62½ cents per hour.

Article 10. To see if the Town will vote to transfer from the overlay reserve account to 1943 Reserve Account the sum of Seven hundred and fifty dollars (\$750.00) or such other sum of money as may be voted the 1943 Reserve Account by the Town, and act anything thereon or thereto.

Article 10. Recommended by the Finance Committee.

Article 11. To see if the Town will vote to authorize the Board of Public Welfare to use the Federal Government Reimbursement for administration, and to act anything thereon or thereto.

Article 11. Recommended by the Finance Committee.

Article 12. To choose all necessary Town officers not elected by ballot.

Article 13. To see if the Town will vote to raise and appropriate the sum of two hundred dollars (\$200.00) for the use of the Rationing Board, and act anything thereon or thereto.

Article 13. Recommended by the Finance Committee.

Article 14. To see if the Town will vote to raise and appropriate the sum of three hundred dollars (\$300.00) for the use of the Carver State Guards, and act anything thereon or thereto.

Article 14. Recommended by the Finance Committee.

Article 15. To see if the Town will vote to raise and appropriate the sum of One hundred dollars (\$100.00) to pay outstanding American Legion Rent bill of 1942, and act anything thereon or thereto.

Article 15. Recommended by the Finance Committee.

Article 16.

Section 1. To see if the Town will vote to rescind its action taken at the special Town Meeting, October 19, 1942, regarding sirens,—and that the amount of \$1,200.00 appropriated be returned to the Treasury. (The article acted upon at the special Town Meeting read as follows:—"To see if the Town will vote to appropriate, or transfer from Available Funds, a sum of money to purchase sirens for the Town of Carver or take any action relative thereto.")

Section 2. To see if the Town will vote to raise and appropriate the sum of twelve hundred dollars (\$1200.00) for the purpose of buying and installing a suitable alarm system, and that the Chief of the Fire Department, the Chief of Police, and the Chief Air Raid Warden be given authority to purchase and install such system under the approval of the Selectmen and act anything thereon or thereto.

Article 16. Recommended by the Finance Committee.

Article 17. To see if the Town will vote to raise and appropriate the sum of ten dollars (\$10.00) to offset the overdraft occurring in the By-Laws Committee account of 1941, and act anything thereon or thereto.

Article 18. To see if the Town will vote to authorize the Cemetery Commissioners and the Park Commissioners to employ themselves as laborers in the Cemeteries and Parks and determine their compensation, and act anything thereon or thereto.

And you are directed to serve this warrant by posting up attested copies thereof, at the several places designated by vote of the Town seven days at least before the time of holding said meeting.

Hereof fail not and make due returns of this warrant, with your doings thereon, to the Town Clerk at the time and place of meeting aforesaid.

Given under our hands this 17th day of February in the Year One Thousand Nine Hundred and Forty Three.

BERNARD W. ROBY,

ELLIS D. ATWOOD,

Selectmen of Carver.

Finance Committee,

JESSE A. HOLMES, Chairman

FRANK H. COLE, Secretary.
