THE MEMORIAL PRESS
Plymouth, Mass.

In Memoriam

ARTHUR H. WADE

1871 — 1948

Arthur was born in Boston, but lived most of his life in Carver, having attended the Carver public schools.

He was connected with the cranberry industry for over fifty years and served as superintendent of the Vaughan Bog, one of the Cape Cod Company holdings for many years.

He served the Town as a member of the Board of Assessors from 1931 until the time of his death in May 1948.

He was a member of Capt. Wm. S. McFarlin Camp 132, Sons of Union Veterans of the Civil War.

He was married in 1894 to Sadie E. Cook of Carver.

He is survived by his wife, Sadie, and two daughters, Mrs. Cora Lovell of Scituate, and Mrs. Eunice Drew of Greenbush.

Carver has lost another highly respected citizen and friend in the passing of Arthur H. Wade.

In Memoriam

WILLIAM M. SHAW

1866 — 1949

The passing of Bill, as we all knew him, took from our Town one of our best-loved citizens.

Much of his life was spent as a sawyer and cranberry grower.

He was interested in town affairs having served on the School Board for several terms, Library Trustee for thirty-five years, and Assessor for nearly twenty-five years, serving much of the time as chairman.

He was a charter member of Capt. Wm. S. McFarlin Camp 132, Sons of Union Veterans, and served as its Commander for several terms, and was Commander at the time of his death. He also served one term as Junior Vice Commander of the Massachusetts Department of Sons of Veterans of the Civil War.

He was married in 1898 to Eleanor L. Lucas and last year they observed their 50th wedding anniversary.

Surviving him are his wife, Eleanor, and a daughter, Mrs. Leon Shorey of Branford, Conn.

Bill's willingness to help his fellowman, his good-humored wit, his genial smile, won for him the affection of the townspeople and his memory will long be cherished.

OFFICERS AND COMMITTEES FOR THE YEAR 1948

Moderator—Norman V. Holmes.

Town Clerk, Treasurer and Collector of Taxes—Jack L. Martin.

Auditors—Roger V. Weston, Warren L. Chandler, Harrison W. Jordan.

REPORT OF THE HIGHWAY SURVEYOR

To the Honorable Board of Selectmen

Gentlemen:

I hereby submit my report as Highway Surveyor for the year 1948.

CHAPTER NO. 81

Appropriations:

Town Share	\$6,500.00
State Share	\$14,625.00

Work done other than General Maintenance:

Hardened Surfaced Roads Refinished and Resanded with the following amount of Asphalt Coating:

Wareham Street	540 gal	Gates Street	1100 gal
Tremont Street	1400 gal	Meadow Street	2240 gal
Main Street	2240 gal	Center Street	2400 gal
High Street	2400 gal	East Head Road	2240 gal
Holmes Street	600 gal		

Hardened Surfaced Roads built with penetration of asphalt and tar, sealed and resanded:

Holmes Street	400 ft	Plymouth Street	3200 ft
Gates Street	1000 ft	Indian Brook Rd	900 ft
Meadow Street	4350 ft	Church Street	1500 ft

Mixed-in-place over present hardened surface:

Center Street	1250 ft	Wenham Street	1200 ft
Main Street	1000 ft	Main Street	900 ft

1. Stone drain removed, replaced with Iron Corrugated Pipe.

2. Leaching Basins with connecting pipe installed.

190 Cement Posts installed — replacing wood.

2750 Feet Secondary Roads Re-Gravelled.

Expenditures of Chapter No. 81 Funds was as follows:

Center Street	\$1,953.00
Shurtleff Street	114.80
Ward Street	46.10
West Street	84.00
Fosdick Street	153.00
Holmes Street	411.81
Popes Point Rd.	192.10
France Street	40.00
Mayflower Road	248.83
Rochester Road	308.50
Pine Street	131.54
Indian Brook	707.05
Church Street	549.57

EARL E. BOARDWAY,
Treasurer.

REPORT OF TOWN AUDITORS

We, the Auditors of Carver, have completed an audit of the records and books of the Town of Carver, and find them to be correct and in good order, as of December 31, 1948.

ROGER V. WESTON
WARREN S. CHANDLER
HARRISON W. JORDAN
Board of Auditors.

REPORT OF STATE AUDITOR

December 13, 1948

To the Board of Selectmen
Mr. Jesse A. Holmes, Chairman
Carver, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Carver for the period from July 29, 1947, to October 9, 1948, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

FRANCIS X. LANG,
Director of Accounts

Mr. Francis X. Lang
Director of Accounts
Department of Corporations and Taxation
State House, Boston

Sir:

As directed by you, I have made an audit of the books and accounts of the town of Carver for the period from July 29, 1947, the date of the previous examination, to October 9, 1948, and report thereon as follows:

The financial transactions, as recorded on the books of the several departments collecting or disbursing money for the town or committing bills for collection, were examined, checked, and verified with the books of the town treasurer.

General ledger accounts were compiled for the period covered by the audit, the appropriations and transfers as recorded were checked with the town clerk's records of town meetings and with the finance committee's records

of transfers from the reserve fund, and a balance sheet, showing the financial condition of the town on October 9, 1948, was prepared and is appended to this report. An examination of this balance sheet indicates that the financial condition of the town is very good.

The books and accounts of the town treasurer were examined. The recorded receipts were analyzed and checked with the records of the departments making payments to the treasurer and with the other sources from which money was paid into the town treasury, while the payments were compared with the treasury warrants approved by the board of selectmen authorizing the treasurer to disburse town funds. The cash balance on October 9, 1948, was proved by reconciliation of the bank balance with a statement furnished by the bank of deposit and by actual count of the cash in the treasurer's office.

The savings bank books and securities representing the investment of the trust and investment funds in the custody of the town treasurer and trustees were examined and listed. The income was proved and the withdrawals were checked with the receipts as recorded on the treasurer's cash book.

The records of tax titles held by the town were examined and checked. The amounts added to the tax title account were compared with the tax collector's records and the tax titles on hand were listed.

The books and accounts of the tax collector were examined and checked. The accounts outstanding according to the previous examination and all subsequent commitment lists were audited and proved. The collections as posted on the commitment books were compared with the cash book collections and with the recorded payments to the town as shown by the treasurer's cash book. The abatements of taxes and motor vehicle and trailer excise as entered on the commitment books were checked with the assessors' records of abatements granted, and the outstanding accounts were listed.

Verification of the outstanding accounts was made by sending notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The records of departmental accounts receivable were examined and checked. The recorded receipts were checked with the payments to the treasurer and the outstanding accounts were listed and proved.

The town clerk's records of dog and sporting licenses issued were examined, the payments to the State being verified by comparison with the receipts on file and the payments to the town treasurer being compared with the treasurer's cash book.

The surety bonds of the town officials required by law to furnish them for the faithful performance of their duties were examined and found to be in proper form.

The records of the sealer of weights and measures and of the health and cemetery departments, as well as of all other departments collecting money for the town, were examined, checked, and reconciled with the treasurer's books.

Appended to this report, in addition to the balance sheet, are tables showing a reconciliation of the treasurer's cash, summaries of the tax, motor vehicle and trailer excise, tax title, and departmental accounts, together with tables showing the transactions and condition of the trust and investment funds.

For the co-operation received from all the town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

HERMAN B. DINE,
Assistant Director of Accounts

SCHOOL DEPARTMENT

SCHOOL COMMITTEE

John Carter, Chairman	Term Expires 1951
Doris E. Dunklee, Secretary	Term Expires 1949
Frank H. Cole	Term Expires 1950
George R. Austin, Superintendent of Schools 35 Peirce Street, Middleboro

SCHOOL CALENDAR

1949 Winter Term: Begins Monday, January 3; closes April 15.

Vacation: February 21-25.

1949 Spring Term: Begins Monday, April 25; closes June 10.

Holiday: May 30.

Closing Exercises: June 9.

1949 Fall Term: Opens Wednesday, Sept. 7; closes December 22.

Holidays: Oct. 12, 21; Nov. 11; Nov. 24-25.

1950 Winter Term: Begins Tuesday, Jan. 3.

Requirements for Admission to the First Grade

1. A child who will reach his sixth birthday on or before December 31st may be admitted to the first grade in September, 1949 without examination.
2. A child whose sixth birthday occurs in the two months after December 31st, may be admitted the preceding September if readiness for school can be demonstrated by means of appropriate tests. Parents having a child whom they wish to be examined under this rule are required to make application to the Superintendent of Schools on or before August 15th preceding the opening of school in September. A special form will be furnished for this purpose upon written request from the parent.

Closing of Schools

It is the policy of the School Committee to close schools only under the severest weather conditions or on such occasions when it is dangerous to operate school busses. At other times, parents are expected to use their own judgment in sending children to school. When a decision to close schools has been made, this information will be broadcast through the courtesy of radio stations WBZ and WNBH.

From the records of the School Committee:

February 1, 1949

Voted: That the report of the Superintendent of Schools and other officers of the school system be hereby adopted as the report of the School Committee.

JOHN CARTER, Chairman,
DORIS E. DUNKLEE, Secretary,
FRANK H. COLE.

School Committee.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Committee:

Following is the annual report of the Superintendent of Schools for the Town of Carver which is a part of the Superintendency Union No. 42.

During the past year there has been only one change of staff in any of the three schools operating within the town. Mr. John F. Murphy, Jr., a teacher of English and other subjects at the Center School, resigned his job after teaching two years there so that he might begin a program of study on a full-time basis for the Master's Degree. When schools opened in September following Mr. Murphy's resignation, certain teaching assignments were altered at the Center School as described in the principal's report, and Mrs. Alice Shurtleff of Carver returned to teach the sixth grade. As mentioned in earlier reports, Carver has reason to be grateful to Mrs. Shurtleff for her willingness and co-operation in joining the staff from time to time to fill vacancies as they occur; and it is my hope that she may find it possible to remain with us for some time to come.

The residents of Carver should consider themselves fortunate that it has been possible to keep the classrooms staffed with teachers during a period of extreme shortage of primary teachers and, as well, a marked scarcity of elementary teachers. Moreover, the fact that the teachers work together harmoniously and for the best interests of the pupils is one of our strongest assets in building a strong school system.

Carver teachers are all members of one or another of several committees of teachers in this School Union which are working on such matters as curriculum, course of study and other problems relating to school adjust-

ment. Most of the time which teachers spend on these matters are outside school hours and in addition to their usual duties as teachers. The results of the work of these committees will be added to the course of study material already on hand, and it is expected that eventually in this manner a good deal of useful material will be compiled and available for teachers' use.

During the past year we have tried to consistently maintain desirable standards of training for the children. Our greatest handicap at present is the limited facilities in terms of the school buildings which we occupy. Much has been said both in the immediate past and years before, concerning the shortcomings of the Center School building and it is sincerely hoped that the town can take the necessary steps to correct this lack. The Benjamin Ellis School at South Carver, although the newest building, is entirely inadequate for the numbers of children for whom we are required to care. The number in one room has reached as high as 36 during the past year. The rooms at South Carver might be considered reasonably adequate for between 20 to 25 children. The desk tops at which the pupils work are only one-half the size which is necessary to accommodate today's books and materials. In order to provide room for group work such as reading classes, the teachers take their classes to the hall vestibules for their work. Probably the most adequate building which we have at present, in terms of room and such, is the E. Tillson Pratt School at North Carver; but, it has not always been true, as the number seems to vary from year to year to the extent that one or the other primary schools has been crowded more or less for several years.

The cost of public education continues to remain at a high level and as predicted last year there is no indication of a decline in the immediate present. The average salary which a Carver teacher receives now is equal to the average paid in towns of similar class throughout

the State of Massachusetts. However, there is one serious handicap in accepting statistics of this sort and it indicates that we shall have to do more than pay the average salary. Although Carver is a class IV town (under five hundred families without a high school) class IV towns are in the minority in Southeastern Massachusetts; the fact should not be overlooked that in order to secure new teachers, we must compete with other towns and cities within a radius of 50 miles around us, and the average classroom teacher's salary of Southeastern Massachusetts already is substantially higher than is being paid in Carver at present.

During the past year the legislature passed two bills relating to additional financial aid to the cities and towns for increased school expenses. One, known as School Aid, takes the place of the former reimbursement on teachers' salaries and other expenditures, and reimburses towns through the use of a formula based upon the number of children resident therein of 7-16. It may be conservatively estimated that Carver will receive an additional \$2,500.00 under this change. The other bill, and the one most valuable to Carver, will provide aid in the cost of planning and building a consolidated school. The earlier indications were that Carver might anticipate from 27-30% aid in meeting the cost of a new building which will have to be undertaken sometime within the life of the law as it is not effective after June 30, 1951.

Enrollment for this year, when schools opened in September remained at very nearly the same figure as last year with an over-all gain of six in the town. However, the prediction on numbers of pupils to enter next fall in the first grade indicate an increase in the primary (considering those who will be eligible to enter under the examination system next fall) grades thus boosting the total enrollment within the town to about 280, or the highest number in a ten-year period.

Improved use was made during the past year, through the decision of the school committee, of the existing transportation facilities. Study showed that entirely too many pupils were being accommodated on the West Carver bus route as compared with the capacity of the bus. The adjustment of routes permitted a reassignment of routes so that one, supplementary to the North Carver route, was arranged to take certain of the pupils formerly transported on the West Carver route and, as well, certain of those formerly travelling on the original North Carver route which was likewise too crowded for either comfort or safety. Recent observations indicate we may find it necessary to open the question again for further study and revision.

Your attention is respectfully called to the table of reimbursements and other income which accrued to the town because of school services during the past year. There has been no time previous to this year when Carver has received such a high amount. This table may be found among the opening pages of the section devoted to schools in the annual town report.

Once again may I express the appreciation of the others of the school staff and myself for the cordial and constant manner in which the school committee works its problems out. It is always a pleasure to be employed by a town which makes a sincere effort to do the best for its children.

Respectfully submitted,

GEORGE R. AUSTIN,
Superintendent of Schools.

REPORT OF THE PRINCIPAL OF THE CENTER SCHOOL

To the Superintendent of Schools:

The number of pupils attending the Center School continues to increase. Our enrollment for the years 1945 to 1948 is as follows: 84, 108, 122, and 136. Grades range in size from twenty-six to forty-one, the latter being housed in a room planned for thirty pupils. Our corridor space is taxed far beyond its normal capacity. Movement of classes from room to room for departmental work and for showing of films is very much restricted, as rooms are now outfitted for the number of pupils in that particular room. Our toilet situation demands attention.

With the resignation of Mr. John F. Murphy Jr., Mrs. Marion Griffith was transferred from her work in Grade VII to departmental work in Grades VII and VIII. Mrs. Alice Shurtleff, a former teacher and more recently a substitute, was engaged to teach Grade VI. The change is working out in a most satisfactory manner. Thus for the first time in twelve years the Center School is without a transient teacher. The averaging teaching experience of the present members of the staff is fourteen years, the average period of teaching in Carver is ten years. This tenure of office insures a continuity of the school program which is not often possible in a small school system where there is usually a constant change in the teaching staff.

To add further to the stability of the school program, work is progressing on the much needed course of study. This work is being done by small groups of teachers from Lakeville, Rochester, and Carver under the direction of Superintendent of Schools, Mr. George R. Austin, and with the advice and help of outside authorities. A tentative outline for History in Grade VII was drawn up last year and is now being used in the three towns. Similar

work is being done for English VII and VIII, Social Studies Grades V and VI, and for History VIII. The work to be covered in each grade is carefully weighed; skills and attitudes are evaluated and assigned to subject areas. When completed and revised after a year's trial, this course of study will greatly benefit the program of the Center School. Teachers are enthusiastic over the possibilities and are devoting much time to the study.

Fortunately we have means to measure the success or failure of the academic features of our school program. Standardized Achievement Tests were given in October of the current year in three of our four grades.

The results are tabulated below: (score 5.1 means fifth grade, first month)

Grade	Reading	English	Arith.	History	Geography	Aver.
V	5.1	6.0	4.6	5.1	5.6	5.4
VI	6.9	7.3	5.6	6.5	8.8	6.5
VIII	7.4	7.3	6.7	6.4	7.3	7.0

Our graduates are continuing to do good work in the Plymouth Schools. For the present ninth grade, Carver furnishes 9% of its members, and 13% of the names on the honor roll.

An attempt is made to extend the range of our educational program beyond the well-known three R's. This is accomplished by means of physical training and a very limited sports program, cooking and sewing, manual training, drawing, music and music appreciation. Out of school projects are also enlisted for this purpose. A trip to Boston by Grade VIII has promise of becoming an annual feature of the school's offering. For last year's trip, one-third of the expenses were paid from the school fund, money raised by the pupils of the school. On our first visit we studied the colonial exhibit at the Boston Museum of Fine Arts, watched a newspaper go to press, visited Trinity Church, and enjoyed an afternoon at the

theatre where we attended a performance of the Gilbert and Sullivan comic opera "The Mikado." This work had been previously studied in music appreciation with a complete recording made by many of the singers in the performance we witnessed. With school funds we purchased two student tickets for the Community Concerts being presented in Plymouth, Brockton, and Taunton. We encourage listening to worthwhile radio programs. Last spring our baseball team played three games; two with Lakeville and one with Rochester. Carver won all three which in some measure compensated for the defeat our basketball team experienced at the hands of the Waterman School of Rochester.

Defense stamps are sold weekly at the school. This is done to encourage the saving habit on the part of our young people. In a day when the individual is assuming less and less responsibility for his own welfare and permitting the government to take over the task, I consider any effort to develop a self-reliant citizenry to be a worthwhile project of the public school. Only one-fifth of the pupils enrolled take advantage of the opportunity offered them. Our weekly sale averages fifteen dollars. Encouragement on the part of the parents would add to the number of pupils setting aside a small amount of money each week.

For the second consecutive year, a magazine drive was staged under the direction of Mr. E. W. Schultz of the Curtis Publishing Co. Our first such drive earned us a total of \$163.59; the second year netted us \$213.89. This money is to be used to purchase a school radio, and to help defray part of the costs of the annual trip to Boston. If the magazine drive is to continue to be a part of the school program, certain rough edges in the plan will have to be ironed out. It is the plan of the school that pupils approach only those people whose names have been assigned to them. In some cases this instruction has been ignored. At the present time the school fund has a balance of \$269.66.

Our graduation was held on June 10, 1948, with the theme centering about the topic of the Expansion of the United States. At the same time a display of the work done in Sewing, Cooking, and Manual Training was displayed. A list of the graduates follows:

Robert M. Andrews a	Margaret L. Pina a
Nancy Bailey a	Mary L. Santos a
Elaine Battles a	Mitchell A. Santos a
Donald F. Braley d	Ronald E. Shurtleff d
Walter M. Correio a	Charles J. Silva, Jr. a
Rita M. Fernandez a	Franklin A. Silva a
Clarence M. Garnett a	Lawrence A. Silva d
Richard A. Gonsalves a	Richard M. Silva a
Theodore Goodreau a	Owen W. Vaughan b
Marilyn Griffith a	Janice O. Williams a
Ann V. Perry c	Robert C. Williams a
Edward G. Young e	

a—Plymouth Junior High

b—Weymouth Vocational School

c—Moved from Carver

d—Left School

e—Bristol County Agricultural School

Seventeen instructional films have been scheduled for the current school year: three to be shown in History classes, nine for Geography, two for Literature, and three for assembly purposes. These films have been booked for showing when the subject is being studied in class work. This year we are forced to use the Town Hall for projection of these films as the present size of classes does not permit the interchange of rooms.

Milk is still available to the students. Unfortunately a curtailment of State funds allocated for this purpose has resulted in an increase in the cost of the milk to the pupil. This increase has cut down the number of pupils taking advantage of the plan. The present cost to the pupil is 22¢ a week. Only forty-two of our present enrollment of

one hundred and thirty-six pupils are regularly obtaining milk through this plan.

What success we may have experienced is due largely to the co-operative efforts of the teachers and supervisors. They join me in expressing my appreciation for the guidance and support which you have given us during the school year.

Respectfully submitted,

HENRY M. SHAW

REPORT OF SUPERVISOR OF ART AND MANUAL TRAINING

Mr. George R. Austin
Superintendent of Schools, Union No. 42
Middleboro, Massachusetts

Dear Mr. Austin:

In compliance with your request, I herewith submit my annual report of the Art and Manual Training Departments, in schools of Carver, Massachusetts, for the year ending 1948.

"Look! I begin with nothing, and now I have something beautiful."

—A Little Girl.

Development of *Creative Expression* and a *Love of Beauty*, is the consummate aim of *Art Education*.

This instruction is arranged on a *Progressive* basis.

Pictorial Drawing and *Representation* include various forms of illustration used in Murals, Posters, and Sketches. Whenever possible, *Art* is correlated with other curriculum subjects.

Some outstanding productions were "*South American Life and Customs*," "*People of Other Lands*," "*Mediaeval Times*" and "*Pioneer Life*."

Several pupils who submitted *Animal Posters* in the "Be Kind to Animals" contest, which is annually sponsored by the S.P.C.A. of Boston, were awarded prizes.

Construction and *Paper Craft* arouse interest and stimulate intelligent interpretation of directions.

Sand Tables, depicting seasonal and holiday projects, were assembled. Houses, barns, villages, *Edaville Village and Cranberry Bogs*, animals and means of transportation, became vivified by folding, cutting, coloring and pasting paper. Masks were made from clay, and these forms were covered with papier mache, and appropriately painted.

Over a thousand novelties for *Red Cross* were completed for soldiers at Bedford Hospital to be used in Holiday Festivals.

In developing *Printing*, the speed pen and brush have proven successful media. Illustrated poems, posters, portfolios and commercial signs were completed in the upper grades.

Design is a very broad field and constitutes the *Law of Order*, found in Nature and used in *Art*. Lessons of Sequence, suggesting graceful or rhythmic motion which include Repetition, Alternation and Progression were studied and enjoyed. Principles of Balance suggesting rest and poise, including Axial, Central, Informal and Tone Balance, uniting and enriching the center and dominant parts with related lines and small shapes, were used in creating colorful designs.

Pupils in the first four grades discover these structures by arranging colored tablets on their desks, then drawing and enriching similar designs with colored crayons.

In the upper grades, these Laws of Order serve as familiar guides by which pupils build new designs with brushes and paints. Thus, children recognize the underlying order in Nature and Art in a positive way which

enables them to understand and remember principles studied.

The Key to Order is a Key to Art Education.

“We must achieve *Order*. We may achieve *Beauty*.”

—Denman W. Ross

In the *Manual Training Department*, some of the boys in Grade Eight are making larger projects than in former years. Bookcases, Sewing Boxes, Magazine Racks and Costumers are some of the finished products. Other pupils are constructing smaller projects, combining foil and wood. These articles have been wrought with considerable skill and present a professional appearance.

Boys in Grade Seven have made large cutting boards for meats or fish. They represent a pig or fish in shape and coloring. A final waterproof covering of clear varnish is applied. Birdhouses, Bookracks, and other useful objects have furnished interesting problems.

Two boys of this grade completed a Bulletin Board to be used in the school for *Red Cross* items.

Much work has been done by both grades in repairing furniture for the school.

Enough experience in the fundamental principles of woodworking is offered to enable the pupil to develop his interests and determine his aptitudes along these lines.

Projects of utilitarian value rather than abstract problems have been provided, because of the greater interest which boys have in real construction.

In conclusion, may I take this opportunity to express my appreciation for your enthusiastic leadership and interest. Also as the work of this department expands, so increases my indebtedness to the teachers and principals. My sincere thanks for their good work and unfailing co-operation.

Respectfully submitted,

STELLA F. N. MORRISON,
Supervisor of Art and Manual Training.

SCHOOL NURSE

Middleboro, Mass.

Dec. 31, 1948

To the Superintendent of Schools:

Herewith I submit my fourth annual report for the Town of Carver, year ending December 31, 1948.

In reviewing my work I find the year has been an extremely busy one, but with its varied activities it has proven both interesting and stimulating.

While my records show that I have made fewer home visits, the time now consumed in conducting the various tests and increased records allows me far less time for home contacts than previously.

Once again under the direction of Dr. Mayo, the Annual physical examination of all children was conducted at the Benjamin Ellis, E. Tillson Pratt and Center Schools. All defects were noted (mainly dental) and notices sent to parents. Follow-up visits have been made in many instances, and the splendid co-operation shown in having these defects corrected makes me feel that we have made real progress in the field of health in the few years I have served your town.

All pupils were weighed and measured twice during the year and it is very pleasing to find the children in such excellent condition.

Group Audiometer tests have been made in all grades above the second, with one failure noted. This is a superior method since the entire room may be tested at one time, thus assuring absolute quiet which is essential for good testing. Next year I hope our own Pure Test Audiometer will be converted for group testing, thus enabling about 20 pupils to be done at one time.

Massachusetts Vision Tests have been conducted in all

grades this year. Previously only Grades 1, 3, 5 and 7 were done by this method. However, because of the completeness of this test, it seems well worth the effort. Parents of pupils who failed have been notified and referred to their own eye specialists for further examination. This machine and our Pure Tone Audiometer are real assets to our school equipment.

The Annual Pre-School Clinic was held in May in Town Hall. Fifteen children, accompanied by a parent, were given physical examinations and vaccinated upon request by Dr. Mayo, School Physician. Instead of the pre-school home visits previously made, this year a questionnaire was sent to the parents of each child entering school in September. These were filled out and returned to the schools and the method proved to be very satisfactory.

In May the annual Tubercular Routine Follow-up Clinic was held in Carver Town Hall. This was under the direction of the Plymouth County Hospital and eleven contacts were X-rayed. All later reports were negative, none were discharged, and all will be re-examined in one year.

We had no serious outbreaks of contagious diseases; a few pupils were excluded because of skin manifestations. Otherwise, the health of the pupils was excellent.

I have made 142 visits to the schools, 286 to classrooms and 60 home visits. As previously reported, these consisted of routine health inspections, health talks, vision and Audiometer tests and conferences with teachers, pupils and parents.

It has been a pleasure to serve the Town as your School Nurse. I am once more grateful to Mr. Austin, to the School Committee, teachers, parents, Red Cross and friends for their continued interest and co-operation.

Respectfully submitted,

MADLINE A. BAKER, R.N.,
Public Health Nurse.

SCHOOL SUPERINTENDENCY UNION NO. 42

REPORT OF THE SECRETARY

The annual meeting of School Superintendency Union No. 42 was held at the Center School in Carver on the night of April 12, 1948.

Officers elected for one year were Ralph W. Baker, chairman, and Alice E. Norris, secretary.

The semi-annual meeting was held November 12, 1948, at the Assawompsett School in Lakeville.

The committee voted this year to instruct the superintendent to proceed with the In-Service Training Program for Teachers, which had been discussed at two previous meetings. Mr. Austin intends to bring some prominent educational leaders to the Union Teachers' Meetings and thus gain some worthwhile knowledge about the latest trends in teaching methods.

The three towns of Union No. 42 are still feeling the increase in pupil population and school building programs are in various stages of planning in all of the communities.

In connection with this and other coming school policies, the committee voted to become a member of the New England School Development Council, and derive what benefit it can from the reports issued by this council.

An attachment to the audiometer, which will enable the school nurse to test children in groups of ten instead of one at a time, was purchased during the year.

Mr. Austin has kept the Union Committee informed at all times concerning State and National School Aid Bills.

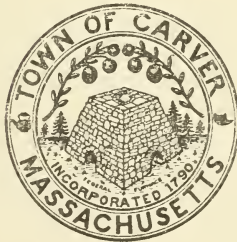

At this critical time when our educational program especially demands a practical, forward-looking man to guide and lead our thinking, the committee is very grateful to Superintendent George R. Austin, who is giving unselfishly of his time and effort to determine the various needs of the different towns.

Respectfully submitted,

ALICE E. NORRIS,

Secretary.

TOWN WARRANT
AND REPORT OF
FINANCE COMMITTEE
OF THE
TOWN of CARVER
MASSACHUSETTS

Annual Town Meeting, March 7, 1949
at 12:00 Noon

TOWN WARRANT AND REPORT OF FINANCE COMMITTEE

Plymouth, ss. To either of the Constables of the Town of Carver, Plymouth County, Greetings:

In the name of the Commonwealth of Massachusetts, you are directed to notify the Inhabitants of the Town of Carver qualified to vote in elections and in town affairs to meet at the Town Hall in said Carver on Monday, the seventh day of March 1949 at twelve o'clock noon, then and there to act on the following article, namely:

Article 1. To choose all necessary town officials, the following officers to be voted for all on one ballot, viz: Three Auditors, Three Constables, Three Herring Committeemen, One Tree Warden, One Highway Surveyor and one Assessor, each for one year. One Assessor for Two Years. One Assessor, One Selectman, One School Committeeman, One Cemetery Commissioner, One Park Commissioner, One Member of Public Welfare, and Two Library Trustees, each for Three Years.

The polls will be open for at least seven hours.

And you are directed to further notify said Inhabitants of said Town that as soon as the ballots have been counted the meeting will adjourn to Tuesday, March 8, 1949, at nine o'clock A.M. and at that time will reconvene at said Town Hall in said Carver, then and there to act on the following articles, namely:

Article 2. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1949, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for

a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 2. Recommended by the Finance Committee.

Article 3. To see if the Town will vote to appropriate a sum of money not to exceed one thousand dollars (\$1,000.00) from the free cash in the town treasury for the sole purpose of meeting charges against the cemetery funds in the town treasury.

Article 3. Recommended by the Finance Committee.

Article 4. To see if the Town will vote to accept the cemetery fund or funds paid into the town treasury under the perpetual care statutes, or act anything thereon or thereto.

Article 4. Recommended by the Finance Committee.

Article 5. To see if the Town will authorize the Selectmen to prosecute, compromise or defend suits for or against the Town.

Article 5. Recommended by the Finance Committee.

Article 6. To see what disposition the Town will make of the dog fund.

Article 6. Recommended by the Finance Committee that it be added to the Library Account.

Article 7. To see what amount the Town will vote to raise and appropriate for the use of Plymouth County Trustees for County Aid to Agriculture, and choose a Town Director as provided in Sections 41 and 45 of Chapter 128 of the General Laws, and act thereon.

Article 7. Recommended by the Finance Committee that \$100.00 be raised and appropriated.

Article 8. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as

provided by Section 108 of Chapter 41, General Laws, as amended:

Highway Surveyor	\$1.25 per hour
Town Treasurer	\$1,100.00
Town Clerk	550.00
Tax Collector	1,100.00

All other elective Town officers \$1.00 per hour.

Article 8. Recommended by the Finance Committee.

Article 9. To see if the Town will vote to transfer from the overlay reserve account to 1949 Reserve Account the sum of three thousand and five hundred dollars (\$3,500.00), and act anything thereon or thereto.

Article 9. Recommended by the Finance Committee.

Article 10. To see if the Town will vote to authorize the Board of Public Welfare to use the Federal Government Reimbursement for administration, and to act anything thereon or thereto.

Article 10. Recommended by the Finance Committee.

Article 11. To choose all necessary Town officers not elected by ballot.

Article 12. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Highway Construction, or take any action in relation thereto.

Article 12. Recommended by the Finance Committee and the Selectmen that \$2,000.00 be raised and appropriated, and not over \$6,000.00 to be transferred from unappropriated available funds in the Treasury to meet the State's and County's shares of the cost of work, the reimbursements from the State and County to be restored, upon their receipt, to unappropriated available funds in the Treasury.

Article 13. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 81 Highways, or take any other action in relation thereto.

Article 13. Recommended by the Finance Committee and the Selectmen that \$6,500.00 be raised and appropriated, and not over \$14,625.00 be transferred from unappropriated available funds in the treasury to meet the State's share of the cost of the work, the reimbursements from the State to be restored, upon their receipt, to unappropriated available funds in the treasury.

Article 14. To see if the Town will vote to authorize the Cemetery Commissioners and the Park Commissioners to employ themselves as laborers in the Cemeteries and Parks, and act anything thereon or thereto.

Article 14. Recommended by the Finance Committee.

Article 15. To see if the Town will vote to raise and appropriate the sum of five hundred and fifty dollars (\$550.00) to be used to pay for all private work and materials in Town Cemeteries, such as, opening graves, foundations, as according to General Laws, Chapter 44, Sec. 53.

Article 15. Recommended by the Finance Committee.

Article 16. To see if the Town will vote to raise and appropriate the sum of twenty-nine dollars and sixty-five cents to pay outstanding Park bills of 1948, and act anything thereon or thereto.

Article 16. Recommended by the Finance Committee.

Article 17. To see if the Town will vote to accept the sum of five hundred dollars (\$500.00) as donation from Lawrence E. Blenheim to the Library Fund.

Article 17. Recommended by the Finance Committee.

Article 18. To hear the report of any standing committees and act anything thereon or thereto.

Article 18. Recommended by the Finance Committee.

Article 19. To see if the Town will vote to return to the Treasury the following accounts:

Grader	\$158.00
Snowplow	46.25
E. Tillson Pratt School Grounds	59.28

Article 19. Recommended by the Finance Committee.

Article 20. To see if the Town will vote to raise and appropriate a sum of money not to exceed five hundred dollars (\$500.00) to purchase one Life Gun and one Life Net, for the purpose of saving lives in case of emergency and act anything thereon or thereto.

Article 20. Not recommended by the Finance Committee.

Article 21. To see if the Town will vote to establish a Dog Officer account, and act thereon.

Article 21. Recommended by the Finance Committee.

Article 22. To see if the Town will vote to raise and appropriate the sum of one hundred dollars (\$100.00) for Dog Officer account, and act thereon.

Article 22. Recommended by the Finance Committee.

Article 23. To see if the Town will vote to transfer the sum of eight hundred and fifteen dollars (\$815.00) from the Road Machinery Fund to the Machinery Account, and act thereon.

Article 23. Recommended by the Finance Committee.

Article 24. To see if the Town will vote to raise and appropriate a sum of money not to exceed one hundred dollars (\$100.00) for the purpose of obtaining plans and specifications for a suitable Memorial for the Veterans of

World War II and that the Moderator appoint a committee of three to work in conjunction with a like committee appointed by the Legion, and to report at the 1950 Annual Town Meeting, and act thereon or thereto.

Article 24. Recommended by the Finance Committee.

Article 25. To raise and appropriate such sums of money as may be necessary to defray town charges for the ensuing year.

Article 25. Recommended by the Finance Committee.

And you are directed to serve this warrant by posting up attested copies thereof, at the several places designated by vote of the Town seven days at least before the time of holding said meeting.

Hereof fail not and make due returns of this warrant, with your doings thereon, to the Town Clerk at the time and place of meeting aforesaid.

Given under our hands this 12th day of February in the Year One Thousand Nine Hundred and Forty-Nine.

JESSE A. HOLMES,
ONNI HJ. ERICKSON,
BERNARD W. ROBY,
Selectmen of Carver.

Finance Committee,

EARL B. WARE, Chairman
MARJORIE E. TELFER, Secretary
