PUBLIC HEALTH NURSE

The following is my report as Public Health Nurse for 1958.

471 home visits were made as follows:

Tuberculosis	200
Diabetes	13
Non-communicable	180
Cardiac	76
Cancer	2

The above visits were disposed of as follows:

Board of Health	78
Paid @ 1.00	1
Paid @ .25	122
Paid @ 1.50	134
Paid @ .50	2
Old Age Assistance	87
Unpaid	28
Disability assistance	14
Veteran's Aid	5

There were three visits on off-duty time, twenty-three admissions, 15 discharges, and two expirations.

Four trips were made to Plymouth County Hospital for medication, and one unlisted visit to Jordan Hospital at the request of Dr. Ragonetti.

Nine doses of polio vaccine were sent to Dr. Silliker, and the remaining expired vaccine was returned to Jamaica Plain.

Our polio count now stands as follows: 1st doses—70; 2nd doses—80; 3rd doses—464. Our school polio drive in January netted \$22.41 for the Polio Fund.

We held three Diphtheria, Pertussis, Tetanus Clinics with 276 doses administered by Dr. Mayo.

The following is my report on School Health for 1958.

The Public Health Nurse Committee held a lengthy discussion on the possibility of sending school children to Forsyth Dental Clinic, but since the Clinic's rules and regulations were such that they would be unsuitable for us, the matter was dropped.

In 1958, 40 pre-school visits were made, 148 home school visits, and 2 visits to Dr. Canucci's office. One pupil was cut on the corner of the left eye requiring 3 stitches, one treated by Dr. Giberti for an arm injury, and one fractured arm set by Dr. Lyle. We had 4 cases of impetigo, 1 case of conjunctivitis, and 5 cases of pediculosis. All cases of mumps, measles, chicken pox, and scarlet fever were reported to the Board of Health.

79 physical examinations were done by Dr. Mayo in September, vision and hearing tests were done in all grades, heights and weights were recorded for all pupils, and in January Mrs. Tassinari, Dental Hygienist, examined the teeth of all pupils. Any child requiring medical or dental attention was given a notice.

The Community Service Group donated a 3-way screen for the Health Room and purchased a pair of eye glasses for a first grader.

We collected \$11.10 at school to help support the Plymouth County T.B. program.

I wish to thank the Public Health Nurse Committee, Mr. Shaw, teachers and parents for their help and cooperation.

Respectfully submitted,

MARY KORPINEN, R. N.

Public Health Nurse

PLYMOUTH COUNTY AID TO AGRICULTURE

By Robert B. Ewing, County Agent-Manager

The Plymouth County Extension Service (Trustees, Plymouth County Aid to Agriculture), is located in the Court House, Brockton. In cooperation with the University of Massachusetts and the United States Department of Agriculture, it provides information to Plymouth County citizens dealing with the Home, 4-H Club Work, and Agriculture.

Increased requests for information about the Home and Home Grounds have come as more people move into our Plymouth County towns from the city. This information has been provided through meetings, news releases, radio, special activities, telephone, letters, etc.

Citizens of this town should realize that this is a service provided by the County, State, and Federal governments and large numbers of people are availing themselves of the opportunity to secure helpful information concerning the Home, Home Grounds, 4-H Club Work, and Agriculture. Requests for such information should be directed to the Plymouth County Extension Service, Court House, Brockton, Mass.

Funds for County Aid to Agriculture are derived principally from the County. Some Federal funds are also made available through the University of Massachusetts. Most towns in Plymouth County make a token appropriation which is used for the general expenditures of the Plymouth County Extension Service. Town Directors are appointed in those towns where an appropriation is made. These Town Directors are unpaid volunteer leaders who serve as the Extension Service representatives in their respective towns.

The Board of Trustees, appointed by the Plymouth County Commissioners, administers the Extension Service program and is composed of the following members:

Gilbert Blackledge, Whitman,	John Prentice, Plymouth
Chairman	Ralph McIlvana, Plympton
John Little, Marshfield	Mrs. Roy Puddington, Hanson
Mrs. Harold D. Bent, Brockton	Mrs. Herbert Wydom,
Paul Lehtola, Bridgewater	Brockton
Maurice Makepeace, Wareham	

Submitted by,

EARL E. BOARDWAY

STATE AUDIT

November 5, 1958

To the Board of Selectmen
 Mr. Frank R. Mazzilli, Chairman
 Carver, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Carver for the period from March 17, 1957 to June 4, 1958, and the installation of an accounting system, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. William Schwartz, Assistant Director of Accounts.

Very truly yours,

HERMAN B. DINE

Director of Accounts

hbd:mpd

Mr. Herman B. Dine
 Director of Accounts
 Department of Corporations and Taxation
 State House, Boston
 Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the town of Carver for the period from March 17, 1957, the date of the previous examination, to June 4, 1958, and, in addition, have installed a system of accounts as petitioned for by vote of the town in accordance with the provisions of Chapter 44, General Laws, the following report being submitted thereon:

An examination and verification was made of the recorded financial transactions of the town as shown on the books of the departments receiving or disbursing money for the town or committing bills for collection.

The appropriation accounts were analyzed and the appropriations and transfers, as entered, were compared with the town clerk's records of financial votes passed at town meetings and with the finance committee's records of transfers authorized from the reserve fund. The charges to the appropriations were checked with the town treasurer's records of disbursements as well as with the selectmen's warrants authorizing the expenditure of town funds.

General ledger accounts were compiled for the period of the audit, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town as of June 4, 1958.

The books and accounts of the town treasurer were examined and checked in detail. The receipts, as recorded, were analyzed and compared with the records in the several departments collecting money for the town and with other sources from which money was paid into the town treasury. The payments were checked with the approved warrants on file authorizing the disbursement of town funds.

The cash book footings were verified, and the cash balance on June 4, 1958 was proved by reconciliation of the bank balance with a statement furnished by the bank of deposit and by verification of the cash in the office.

The payments made on account of maturing debt and interest were compared with the amounts falling due and with the cancelled securities on file.

The transactions of the trust and investment funds in the custody of the town treasurer and the trustee were verified, and the savings bank books and securities representing the investment of these funds were examined and listed.

The records of tax titles held by the town were examined and checked. The taxes transferred to the tax title account were compared with the collector's records, and the tax titles on hand were listed and checked with the records at the Registry of Deeds.

The deductions from employees' salaries and wages for Federal taxes for the county retirement system, and for Blue Cross and Blue Shield were examined and reconciled with the treasurer's records of receipts and disbursements.

The books and accounts of the collector of taxes were examined. The tax and excise accounts outstanding at the time of the previous examination, as well as all subsequent commitments, were audited and compared with the assessors' warrants issued for their collection. The collections recorded on the cash books were checked with the treasurer's recorded receipts, the abatements were compared with the assessors' records of abatements granted, and the outstanding accounts were listed and proved.

The records of departmental accounts receivable were examined. The charges were verified, the collections were checked with the treasurer's cash book, and the outstanding accounts were listed and proved.

In order to verify the outstanding tax and departmental accounts, notices were mailed to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The town clerk's records of dog and sporting licenses issued, and of miscellaneous receipts, were examined and checked, and the payments to the town treasurer and to the Division of Fisheries and Game were verified.

The surety bonds furnished by the town officials for the faithful performance of their duties were examined and found to be in proper form.

The available records of departmental cash collections of all other departments in which money was collected for the town were examined and checked, the payments to the treasurer being verified.

In addition to the balance sheet, there are appended to this report tables showing a reconciliation of the treasurer's cash, summaries of the tax, excise, tax title, and departmental accounts, as well as schedules showing the transactions and condition of the trust and investment funds.

The books and accounts under the new system of accounts were opened as of January 1, 1958, and all transactions through June 4, 1958, the date of the audit, were recorded therein.

A list of the books and forms provided for the town, together with a brief description of their use and certain general instructions relative to the keeping of the accounts, follows:

- Journal for accounting officer
- Ledger for accounting officer
- Classification book for accounting officer
- Cash book for treasurer
- Schedule of departmental bills payable
- Treasury warrants
- Schedule of collector's payments to treasurer
- Schedule of departmental payments to treasurer
- Schedule of tax abatements allowed
- Schedule of motor vehicle excise abatements
- Voucher folder
- General department payrolls
- School department payrolls
- Monthly statements

All of these books and forms are arranged so as to simplify the reporting and making possible a proper check on the accounting of public moneys; also to insure a classification of both receipts and payments.

Journal.—This a bound book of the ordinary two-column stock type. It forms, together with the cash book, the medium from which all entries in the general ledger are posted, as it is of vital importance that no entry shall be originated in the general ledger.

The journal is used for keeping a record of the debiting and crediting of items in the ledger, such as opening entries, budget appropriation entries, the entering of tax and other commitments, the abatement of taxes, excise, and accounts receivable, and all entries which are not strictly cash book transactions.

It is important that all journal entries state clearly the ledger accounts which are to be debited and credited; also that a full explanation of the entry be made, in order that the transactions may be fully understood by any one examining the accounts.

Ledger.—This is of the loose-leaf type; when the several sheets are properly arranged and placed in the binder provided for the purpose, they form the general ledger, in which are recorded, in controlling accounts, all of the financial transactions of the town.

The accounts in the general ledger are separated and grouped in sections, as follows:

- First—Assets and liabilities
- Second—Revenue accounts
- Third—Appropriation accounts
- Fourth—Funded or fixed debt
- Fifth—Trust and investment accounts

From the ledger, information relative to the condition of the several appropriations may be obtained readily and the administrative officers may keep constantly informed of the amounts expended; also of the amounts available for the balance of the year. This information is very necessary in view of the statute which expressly forbids the incurring of liabilities in excess of appropriations made for the use of the several departments; unless the work is well planned, it will be found that the appropriations will be exhausted before the end of the year, with much needed work still to be done.

Classification Book.—This book consists of loose-leaf forms with printed headings covering the chief sources from which revenue is received and objects for which money is expended, with blank spaces which allow for additional headings to cover important items that may seem desirable. These sheets are arranged in functional order and placed in a binder provided for the purpose, thus forming the principal source of detailed information regarding the receipts and disbursements of the town. They are arranged in a classified form that is generally accepted and adopted by accountants and students of municipal affairs. Provision is made for recording of the date of the receipt, from whom received, and the source.

On the payment side will be shown the date of the bill, to whom paid, and the purpose or object of payment.

From this book definite information can be readily obtained of every cash transaction of the town, but its chief object is to furnish classification in a scientific manner, regardless of the method of making appropriations.

This book is also designed to bring the costs of each particular function or service together, so that by knowing the facts and intelligently comparing them with the service given, the taxpayer may judge the efficiency or inefficiency of the administrative officers.

Cash Book (For Treasurer).— This is a bound book especially designed for the recording of all cash receipts and disbursements of the treasury department in one book.

Schedule of Departmental Bills Payable.— On these sheets each department should list all bills approved for payment, and should forward them, accompanied by the original bills, to the accounting officer. From these the treasury warrants are prepared.

Treasury Warrants.— These are for listing the bills of the several departments. Warrants are submitted to the selectmen, together with the bills, for their approval, the bills first having been checked by the accounting officer and compared with the several appropriation accounts to which they are chargeable. The selectmen having signed the warrant, it is passed to the treasurer as his authority for payment.

Under the statute, the selectmen are required to approve bills before they are paid by the treasurer, and by using the treasury warrant, they can give greater attention to the bills and appropriation accounts without consuming additional time.

Schedule of Collector's Payments to Treasurer.— These are specially designed forms for the reporting of the collector's payments to the treasurer.

Schedule of Departmental Payments to Treasurer.— This form is for the use of departments, except those for which special forms are prepared, for reporting payments to the treasurer.

Schedule of Tax Abatements Allowed.— This form is for the use of the assessors in reporting abatements to the accounting officer, so that he may credit the collector with these items in addition to his cash payments to the treasurer.

On the accounting officer's book, the collector is charged with the commitment and credited with collections paid to the treasurer; if to the collections are added abatements allowed, the accounting officer's ledger will show in his collector's account the exact amount of outstanding taxes.

Schedule of Motor Vehicle Excise Abatements.—This form is for the use of the assessors in reporting to the accounting officer the abatements granted on account of motor vehicle excise.

Voucher Folder.—This form is for the use of the accounting officer and is designed for the purpose of securing uniformity in the filing of bills.

General Department Payrolls.—These are to be used by all departments except the school department, in making up their weekly or monthly payrolls, and are designed for the purpose of securing uniformity in the payrolls of all departments.

School Department Payrolls.—These are especially designed for the use of the school department, provision being made for showing the gross amount of salary due each teacher or employee, the amount of deductions, and the net amount received by each person.

Monthly Statements.—These forms are used by the accounting officer in notifying each department of the warrants drawn against its appropriation and the balance subject to draft.

Revenue.—Upon receipt of notice from the town clerk of appropriations voted by the town to be raised by taxation, a journal entry should be made debiting revenue and crediting the proper appropriation accounts. When the warrants for poll, personal property, and real estate taxes are delivered

to the collector, this account should be credited and the proper tax accounts debited. Revenue should also be debited with the amount of the State assessments, county tax and assessments, and overlay raised, and the respective accounts credited.

At the close of the year, a journal entry should be made debiting all unexpended appropriation accounts (for annual appropriations, the object for which the appropriation was made having been completed) and crediting revenue. The estimated receipts accounts should also be closed out into the revenue account at the close of the year, and the revenue account closed into the excess and deficiency account.

Estimated Receipts.—The amount of estimated receipts deducted by the assessors in determining the amount to be raised by taxation should be debited to the estimated receipts account and the revenue account credited; as cash is received, estimated receipts should be credited and cash debited.

Taxes (Poll, Personal Property, and Real Estate).—Upon the delivery of the assessors' warrants for the collection of taxes, a journal entry should be made debiting the proper tax accounts and crediting the revenue account with the total amount of the commitments.

As money is paid into the town treasury, cash should be debited and the tax account credited. When poll, personal property, or real estate tax abatements are granted by the assessors, a journal entry should be made crediting the proper tax accounts and debiting overlay.

Public Welfare Department Accounts Receivable.—When bills are sent to the State, cities and towns, or individuals, for aid and relief rendered, a journal entry should be made debiting public welfare accounts receivable and crediting departmental revenue with the total amount of the charges; as cash is received, the accounts receivable account should be credited and cash debited.

The same procedure should be followed in the case of accounts receivable of all departments rendering bills for amounts due the town.

Overlay.—Whenever poll, personal property, or real estate taxes are abated by the assessors, a journal entry should be made debiting the overlay and crediting the proper tax accounts for the amount of the abatements. Any balance in the overlay account in excess of the amount of the warrant remaining to be collected or abated should, by journal entry, be transferred to the overlay reserve fund.

Overlay Reserve Fund (Overlay Surplus).—This account represents the surplus or difference between the overlay and the abatements granted by the assessors, and should be reserved for extraordinary or unforeseen expenses, as required by Section 25, Chapter 59, General Laws.

Revenue Loans.—Whenever loans are issued in anticipation of revenue, the cash account should be debited and the revenue loan account credited; when the loan is paid, a warrant should be drawn, revenue loan account debited and cash credited.

Departmental Revenue (Not Available Until Collected).—This account represents revenue of the several departments on account of charges for services rendered or materials furnished. At the end of each month the amount of cash received on account of departmental charges should be credited by journal entry to the estimated receipts account and departmental revenue should be debited.

Net Funded Debt.—When debt is incurred by the issuance of bonds or notes (for other than temporary loans), a journal entry should be made debiting net funded debt and crediting the specific loan account. When loans are paid, the specific loan account should be debited and net funded debt credited by journal entry.

Trust and Investment Accounts.—When money is received, the income of which is to be used for some specific purpose, cash should be debited and the special fund account credited. A warrant should be drawn authorizing the treasurer to invest the amount, cash should be credited, and trust and investment funds (cash and securities) debited.

As income is withdrawn from the bank, cash should be debited and the specific purpose for which the fund was created (such as school, library, cemetery, etc.,) credited. At the end of the year, the income in excess of the withdrawals should be entered on the books by debiting trust and investment funds (cash and securities), and crediting the specific fund account.

Cooperation was received from all town officials during the progress of the audit and the installation of the system, for which, on behalf of my assistants and myself, I wish to express appreciation.

Respectfully submitted,

WILLIAM SCHWARTZ,
Assistant Director of Accounts.

Assessors

BOARD OF PUBLIC WELFARE

To the Honorable Board of Public Welfare:

I herewith submit my report on Old Age Assistance, Aid to Dependent Children, Disability Assistance and Public Welfare for the fiscal year ending December 31, 1958.

During the year thirty-seven applications were processed and disposed of as follows:

- 22 Approved
- 5 Denied
- 2 Withdrawn
- 5 Referred to other agencies
- 3 Pending

During the year twenty-seven cases have been closed for the following reasons:

- 2 Transferred to other categories
- 6 Transferred to other towns or cities
- 7 Employment found
- 4 Resources available
- 3 Ineligible
- 5 Deaths

On January 1, 1958, there were forty-one Old Age Assistance cases and on January 1, 1959, there were forty active cases with two applications pending.

Aid to Dependent Children cases on January 1, 1958, were four and on January 1, 1959, there were three cases. Nine children were aided during the year under this category.

Disability Assistance cases have remained the same with five cases throughout the year.

Early in the year, six cases were being aided under the General Relief program but during August, September and November no cases were being aided. On January 1, 1959, there are two cases.

Although the total number of cases in all categories being aided as of January 1, 1959 is six cases less than a year ago, expenditures run somewhat higher due mainly to the increasing cost of medical care.

Hospital rates certified by the Commission on Administration and Finance have again increased effective January 1, 1959. Effective October 1, 1958, nursing home rates advanced from \$5.75 to \$6.50 per diem.

Among the Social Security changes of 1958 are the recent amendments to the Old Age, Survivors and Disability Insurance law which increases the benefits of current beneficiaries and includes additional groups of persons not previously eligible for benefits. The provisions that have the greatest effect on the public assistance programs are the general benefit increases, effective for January 1959, and the provisions of benefits for some additional aged dependent parents and dependents of disabled workers. These changes will mean additional income to some public assistance recipients which will result in a decrease of assistance from this agency. Case-loads of all categories have been screened in order to identify those who will benefit by the new amendments.

One lien was filed on real estate of an Old Age Assistance applicant as a condition of granting Old Age Assistance. One lien was released after \$3,000 was recovered.

It has been helpful to have a Junior Clerk and Typist for one day weekly. Mabel O. Wilson has been approved by the Division of Civil Service and is serving in this capacity.

I wish to express my appreciation to the Board members for their cooperation.

Respectfully submitted,

VIOLA S. GRIFFITH, Agent

REPORT OF LIBRARY TRUSTEES

To the Honorable Board of Selectmen

Carver, Massachusetts

Gentlemen:

This has been a busy year at the Carver Public Library. In February the Tuesday hours were changed from afternoon to evening which resulted in many more students using the reference works. Columbia Viking Desk Encyclopedia, Compton's Pictured Encyclopedia in fifteen volumes and the Abridged Readers' Guide to Periodical Literature were purchased expressly for this group. Two tables were made the right height for our small patrons, one apple green with chairs to match for reading, and another which has always held their picture books. Twenty-five five-book and three twenty-book awards were made for State Certificate Reading. Tilted tab guides were introduced in the catalogue, shelves labeled, and Senior and Junior High School Reading List books indicated with gold and blue stars. The bookmobile resumed its regular schedule bringing us many specialty books. A successful sale of discarded books was begun on Old Home Day.

In the spring there were two major displays of art and handicraft in the library and various holidays have been noted with appropriate pictures and books. Gifts of plants and flowers have made the room an attractive place in which to work or visit.

We wish to express our thanks to book donors and all who have made this such an interesting and worthwhile year.

SCHOOL CALENDAR

- 1959 Winter Term: Begins Monday, January 5; closes Friday, April 17. Vacations. February 23-27; April 20-24; Good Friday, March 27.
- 1959 Spring Term: Begins Monday, April 27; closes Friday, June 12.* Graduation exercises Thursday, June 11.
- 1959 Fall Term: Begins Wednesday, September 9; closes Wednesday, December 23. Holidays: October 12; Teachers' Convention, October 23; November 11; November 26-27.
- 1960 Winter Term: Begins Monday, January 4.

*Subject to change by action of the School Committee if too many days lost during winter.

REQUIREMENTS FOR ADMISSION TO FIRST GRADE

1. A child who will reach his sixth birthday on or before December 31 may be admitted to the first grade in September, 1959, without examination.
2. A child whose birthday occurs in the two months after December 31st may be admitted the preceding September if readiness for school can be demonstrated by means of appropriate tests. Parents having a child whom they wish to be examined under this rule are required to make application to the Superintendent of Schools on or before August 15 preceding the opening of school in September. A special form will be furnished for this purpose upon written request from the parent.

CLOSING OF SCHOOLS

It is the policy of the School Committee to close school only under the severest weather conditions or on such occas-

ions when it is dangerous to operate school buses. At other times, parents are expected to use their own judgment in sending children to school. When a decision to close schools has been made, this information will be broadcast through the courtesy of radio stations WBZ and WNBH. The no-school signal will also be given on the local fire warning apparatus. This signal is two short blasts sounded three times.

From records of the School Committee: Jan. 5, 1959
Voted: That the report of the Superintendent of Schools and other officers of the school system be hereby adopted as the report of the School Committee for 1958.

ERWIN K. WASHBURN, Chairman
ELIZABETH F. RYDER, Secretary
FRANK H. COLE

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Committee:

The following is the report of the Superintendent of Schools for the calendar year 1958 and submitted with it are the customary reports from other persons and agencies within the School Department.

The report of the principal contains a number of items of interest concerning the academic program of the local school. The enrollment this year has remained fairly constant. Certain class assignments had to be revised for this year as some of the grade groups were of such size that they had to be divided into two sections. This results in the formation of groups which are ideal in numbers to be taught by one teacher, especially in the primary grades. On a number of occasions through the year the committee and administration of the school gave some consideration to the wisdom of lengthening the school year and/or setting up some sort of a summer program for those pupils who would derive benefit from such an undertaking. Continued study and discussion on these questions showed it probably would be well to proceed slowly in order to be certain of the worth of the outcome. Renewed interest on the part of the general public in this country relating to standards in education are encouraging and every opportunity should be afforded children to achieve to their utmost. There is room for the thought that those pupils who make slow progress with the school could profit by additional instructional time but the details of how the program should be worked out are much more complicated and require most careful planning.

Efforts have been made this year to impress upon high school pupils the necessity of their earning desirable grades in their work in the schools where they are located. As stated

in the last annual report, Middleboro accepted grade 9 from Carver beginning with this school year, with the understanding that each new group as it is graduated from the local school will enter the Middleboro High School. In a matter of two years more all the Carver students will have finished at the Silver Lake Regional High School and once more Carver will be entirely enrolled in the Middleboro system. Middleboro has increasingly been raising its standards and requirements for its students in high school and Carver pupils will have to accept the fact that they must meet high grade requirements. The Carver Committee met with the Middleboro School Committee once this fall in order to try to obtain some ideas as to the chances for continued attendance over the years. It seemed generally agreed that Middleboro would be willing to accept the Carver students as long as it had room to justify their enrollment and of course no definite length of time can be stated under such an arrangement.

For the first time in a number of years we have several staff changes to record in the report. Mr. George McCarthy, Assistant Principal, Shop teacher and teacher of Science, etc., resigned his position to take up a shop position in the town of Canton; Mrs. Ruth Walker resigned her position with the fourth grade class to teach in her home town, Plymouth; Mrs. Marion Griffith, a teacher in Carver for thirty-five years, decided that the time had come when she wished to retire and accordingly took this step with the close of school last June. Her services to the children of Carver over the years will be remembered by many and her work has been characterized by a high degree of sincerity, a marked sense of responsibility for her pupils and by her unfailing willingness to accept cheerfully whatever assignment came her way. Vacancies caused by resignations, a retirement and the committee's approval of two additional teachers for grade sections resulted in the need for five appointments to be made. Teachers were elected as follows: Mr. Richard Eldridge was

promoted to the position of Assistant Principal and to the work of English in the upper grades; Mrs. Margaret Atwood of Bridgewater, a graduate of the Teachers' College of Connecticut at New Britain and with three years' teaching experience in Berlin, Connecticut, was employed to teach the fourth grade; Miss Susan Bailey of South Carver, graduate of the Boston University School of Education, was employed for the additional second grade; Mrs. Harriet G. Campbell of Lakeville, a graduate of the University of Michigan, was employed for work in the seventh-eighth grade area; Mrs. Hazel Carmichael of Carver, a graduate of the Teachers College at Bridgewater, was employed for one of the fifth grade sections; Miss Kathleen Cosgrove of Hingham, graduate of the Emmanuel College in Boston, was employed for a sixth grade section. As noted in Mr. Shaw's report, Mrs. Constance Shaw was employed on a part-time basis for work in Physical Education.

The problem of teachers' salaries is always with the School Committee. The new minimum salary law required salaries of four beginning teachers to be adjusted upward to conform with it and this raises the question of what is fair and adequate compensation for those teachers who have served the town long and faithfully. Statistics issued by the Massachusetts Teachers Association shows, as of October, 1958, the average teacher's salary in towns of the class of Carver was \$4,264.00. The average salary in Carver was \$4,025.00 in this same period. The average would have been slightly higher except for the fact that there are four first-year teachers on the staff. Under ordinary circumstances we would find the average teacher's salary in Carver compares favorably for the average of the towns of the group in which Carver is listed. It can be reasonably expected that salaries will have to advance more in the future for we find each year the average is moving upward as well as the minimum salary law being raised to provide a higher base every year. The only other staff change was the resignation of Mrs. McLure, a respected

member of the school staff, who headed the lunchroom work. Her resignation is more fully covered in Mr. Shaw's report.

The maintenance work at the school has been kept at high level. The care with which the janitor, Mr. H. Albert Raymond and his wife, give the condition of the school is second to none and we are the envy of many persons who visit the school. Funds permitted the repainting of four of the classrooms toward the end of the year. There were three bids filed on this with Mr. John Wholan of Middleboro supplying the lowest bid. Asphalt tile was laid in the room formerly used as the shop, now converted to the purpose of Special Education. Four bids were submitted on this work, with the lowest being submitted by Henry's at Plymouth. Certain of the brick areas were given a coat of seal and at the end of the year funds also permitted the installation of acoustical tile in experimental areas so that it might be determined the extent to which this treatment would control the noise factor which is so evident in a 100% masonry and glass building. We have found the results very encouraging and have felt that in the next year more of this work ought to be done. Considerable work had to be done in repairing piping in the distribution plan of the heating system. Room 13 was subject to a continual chattering of the heating devices and warm spots on the floor indicated the probability of broken return pipes. During the vacation period the floor was opened up and it was discovered that the pipe material which had been used by the heating contractor was not up to the quality required in the specifications. Corrections and repairs were made and steps taken to see what responsibility could be assigned to the contractor. The matter was placed in the hands of the Town Counsel who investigated and returned the report that the contractor could be held responsible but unfortunately other sources of information revealed the contractor had declared bankruptcy about two years ago and it would now be considerably doubtful whether there would be any point in attempting to proceed further. It was the opinion of the committee there was little

to be gained by trying to go further with the matter. This is probably not the end of the problem. Heating units in rooms No. 11 and 12 continue to chatter to the extent of being a constant source of irritation. The repair man who takes care of such work for the school has in mind another trial process to try for improvement; if this fails, then there seems no alternative but to look to the return lines here as the cause of the trouble.

In accordance with the previous vote of the town the Benjamin Ellis School is now in the custody of the School Committee, pending the passage of time to determine what the school housing needs may be in the next few years. Minor repairs of a strictly maintenance nature have been carried out from time to time. The building has a minimum of insurance on it and on contents stored there. Provisions were made in the heating system so that it could be kept at a minimum temperature to guard against freezing.

Bids for transportation were received this year in accordance with the law requiring new bids every three years. Six bids were filed but the committee, after conference with the Selectmen and the Finance Committee members, felt it unwise to award to the out-of-town bidder who filed low bid. There seemed no question but that the best interests of the town and the pupils were better served by keeping the business within the town and awards were made on that basis to Mrs. Sarah Holmes and to Mr. Aime Desroches. All school bus drivers are required to file certificates indicating freedom from tuberculosis in accordance with the requirements of the law and the committee also requires a physical examination to be taken by each bus driver and the results of this reported by the physician in writing to the school committee. Bids were also requested to supply fuel to the school. Three bids were placed, the low bid being filed by the Volta Company of Plymouth. Three bids for bottled gas were received, with the bid being awarded to Roby's Inc. In December, bids were solicited for

furnishing milk for the school lunchroom. There were two bids filed and the award was made to Wiksten Brothers, this being the lower bid and on a fixed basis for the entire school year.

The question of school bus transportation for pupils living in the Bartlett Pond area came under consideration during the year. It was decided that there being a private way involved, the committee was obliged to refuse to send the bus in over the road until such a time as the matter of the ownership and control of the road were to be changed.

Toward the end of the year the committee was required to take a firm stand regarding conduct of certain pupils attending high school outside of the town and to make it plain that pupils attending school elsewhere, at the expense of the town, were expected to conduct themselves in an acceptable manner not only in and on the way to school but as well in their activities relating to others outside of the school. A number of investigations were made to obtain legal opinion on the local decisions and the committee finds itself backed by one of the highest authorities regarding school law to be found anywhere in the Commonwealth. It is the policy of the School Department to expect young people to meet their responsibilities in the best sense of the word, both in school and out, in such a manner that they shall by their own actions give full evidence of their sincerity of purpose and their full appreciation of the opportunities afforded them.

To complete the public record, the list of names which follows here are those who graduated last June from the secondary schools outside of the town.

Silver Lake Regional High School

Michael F. Andrews	Janet L. Parker
Donald L. Chandler	Jay A. Perkins
Wallace F. Furtado	Mati T. Ritval
Geraldine A. Gomes	Susan R. Shaw
Elmi E. Heikkila	Helen A. Shurtleff
Bruce S. Jenny	Manuel L. Silva, Jr.
Judith M. Keating	Rosemary L. Wilbur
Paul V. Lehto	Paul W. Williams, Jr.
Elizabeth A. Murphy	

New Bedford Vocational High School

Richard T. Battles

The readjustment of the school union has been under discussion through the year and the committee has had to weigh the question as to whether to seek permission of the Department of Education to stand independent of any school union or whether it would remain as a part of an organization similar to that under which it operates at present. It was the opinion of the Department of Education that Carver should remain associated with the union and, accordingly, the decision of the committee was to remain with the union as it will be organized after next July 1, at which time Rochester, now a member, will join with its other two member towns on both a regional and union basis so that the present Union #34 will be made up of the towns of Carver, Freetown and Lakeville, with Freetown taking Rochester's place. This change was necessary inasmuch as Lakeville is a part of a regional school program with Freetown and Rochester is likewise a part of a similar program with Marion and Mattapoisett. It is good judgment to have member towns of a regional district be also member towns of a school union district.

In closing may I say that the care and consideration of committee members for the many problems is appreciated. We have a school that is well run, the teachers are cooperative and sincere and work well together. The atmosphere for learning is good. The committee's consistent and open-minded approach to its problems is very helpful in encouraging a situation of this sort. We look forward to good things in the years to come.

Respectfully submitted,

GEORGE R. AUSTIN

Superintendent of Schools, Union #34

REPORT OF THE PRINCIPAL
OF THE GOVERNOR JOHN CARVER SCHOOL

To the Superintendent of Schools:

I herewith present my report as principal of the Governor John Carver School for the calendar year 1958.

The first part of this report deals with the school year ending in June, which was partially covered in my last year's report. One important change in the teaching schedule was made in March when Mrs. Constance Jenny Shaw was engaged to teach physical training in grades one through five; girls in grades seven and eight. In addition to her teaching assignments Mrs. Shaw devotes some time to the supervision of the lunch room and of the playground. This scheduling enables us to partially meet the requirements of the hastily drafted and enacted state law which states that all teachers should have one half hour a day for lunch, freed from all supervision duties. Mr. Eldridge handles all physical training not taken by Mrs. Shaw. Now all the grades have physical training under the supervision of one with training in that field.

In May the Iowa Test of Basic Skills was administered to all pupils of the six upper grades; four of these grades exceeded the national average, unfortunately two grades did not. The grade with the poorest showing scored only six points below this average; in its ability test it scored seven points below the norm expected for the grade. A close correlation exists between the achievement and the ability rating. Our promotion policy was tightened. In one of these grades nine out of 36 pupils were not promoted. This is a high percentage of failure, but we feel that these pupils would be unable to succeed in a high school program where their failure would be a greater financial burden to the town.

Thirty-one sports events were scheduled during the year ending in June and for the first time were equally divided between the boys and girls. Twenty of these are given over to basketball, ten to baseball, and one to the annual track meet. Fifteen of these events were played in Carver, the remainder on the courts and grounds of the other towns in the Massasoit League, namely: Berkley, Dighton, Freetown, Lakeville, and Rochester.

The epidemic labeled Asiatic Flu cut into our attendance record considerably, especially during the months of November and February. The average pupil was absent fourteen days, a number considerably higher than last year's. Six pupils were credited with perfect attendance as against thirteen of the year previous.

The graduation held on June 12 brought the activities of the school year 1957-1958 to its official close. The American Legion Essay Award was won by Janet Nye with her composition "The Miracle of the Wheel." The Humane Society Awards were presented to Albert Thomas, Daniel Tompkins and Barbara Heikkila. Following is a list of graduates.

Marianne Rosealie Andrews	a	Nancy Elaine Johnson	a
Sandra Lee Barrows	a	William Edmund McClellan	a
Paul Joseph Beaulieu	a	Anne Devlin Mills	a
Wanita Adelaide Brier	a	Janet Louise Nye	a
Eugene Charles DeForest	a	Anthony Bradford Offley	a
Richard Fontes	a	Mary Ann Pina	a
Robert Edward Garcia	a	Joyce Marjorie Richardson	a
Andrew Anthony Gomes, Jr.	a	Eileen Mae Roberts	a
Robert John Gomes	a	Michael Arthur Shurtleff	c
Leonard James Gomez	a	Daniel George Silva	a
Roger Frederick Heikkila	b	Albert Nelson Thomas	d
Douglas Johnson	b	Herbert Edward Wainio	b
Frederick Winston Weston	b		

- a — Middleboro Memorial High School
- b — New Bedford Vocational High School
- c — Bristol County Agricultural School
- d — Out of School

Up through June of 1958 eleven homerooms have served the enrolment needs of the school. The awkward size of certain grades now demands thirteen rooms. The school contains eleven regular classrooms, a library, a boys' shop and a domestic science room. Thus it became necessary that two of these specialized rooms be converted to classrooms. The library and shop were selected which meant that the shop program would be eliminated. Another factor lead to this decision. It has become increasingly difficult to obtain shop teachers qualified to teach in other subject areas. As our shop program required only three of the thirty-five periods, our teaching schedule required that the instructor devote a greater part of his time to the teaching of other subjects; a situation not inviting to most graduates of the specialized teacher's colleges. The same situation was experienced with candidates for the domestic science position. Any offering in the practical arts demands two teachers per class per period. For this reason it was felt advisable to drop home economics for girls.

The dropping of the practical arts program for grades seven and eight brought about changes in the subject line up for these grades. Our seven period day was changed to a six period day, all periods being forty minutes in length. Reading and geography were increased from three to four periods a week, plus a daily twenty minute spelling period.

Three of our grades are large enough to warrant two sections; the first, second, and seventh. The teaching of grades five and six is divided among three teachers. At the present time the average number of pupils in a regular classroom is twenty-four. The special class has an enrollment of eleven.

Two practices new to Carver were introduced during the year. Warning slips are now sent out to parents of the upper grade pupils in case of failure in any subject. These are sent out midway between report cards. Scheduled visits between parents and teachers are held; requests for such interviews being made either by the parent or by the teacher. At this writing two evenings have been set aside for this purpose and the results are promising.

Four texts new to the school were introduced during the school year. A listing of the additions follows:

Grade	Text	Publisher	Years of use of Replaced Text
8	Geography of World Affairs	Rand McNally	10
8	Journeys into America	Houghton Mifflin	11
7	Adventure Bound	Houghton Mifflin	12
6	Builders of the Old World	D. C. Heath	14

A children's encyclopedia, the Britannica Junior, was purchased for the use of one of the seventh grades.

The following amounts were collected for charitable drives or earned in fund raising projects.

Poppy drive	14.40
Junior Red Cross	43.01
Magazine drive	304.06
Pupil Photographs	18.15
Insurance	282.00

All monies except the profits of the magazine drive and the sale of the pupils' photographs were turned over to the proper agencies. One hundred and seventy-eight pupils, or 59% of the enrollment are covered by the insurance plans offered by

the Mass. Casualty Insurance Company. This represents a drop of 2% from the previous year. The balance of the student fund at the close of the calendar year is \$249.77.

Mrs. Eveline McLure, who organized the school lunch program in 1951, resigned her position in October to assume the management of the cafeteria of the National Cranberry Association in Hanson. Mrs. McLure's record with us has been outstanding; the pupil participation was high, the lunches were most appetizing, the price was low, and the rating with the state brought credit to the school. Mrs. McLure's position was taken by her assistant, Mrs. Irene Williams, who has been with the program since its inauguration in 1951. Mrs. Williams maintains the high standards set by her predecessor. Mrs. Robert Hitchcock was appointed assistant cook.

Scholarships were granted to four Carver graduates from high school.

Kiwanis — Paul Williams, Bryant College

Parent Teachers Association — Michael Andrews,
University of Massachusetts

Teachers Club — Janet Parker, University of Massachusetts

Teachers Club — Susan Shaw, Marietta College

At the close of school in June 1958 I completed twenty-one years of teaching in the Town of Carver. During all this time Mrs. Marion Griffith had been a member of the teaching staff. Her high level of scholarship, her exacting standards of pupil work have been much appreciated by pupils as they undertook their work in high school. Her resignation after thirty-five years of teaching serves to focus our attention on the service she has given to the students of Carver.

I want to express my appreciation for the cooperative efforts of members of the staff, and on behalf of the staff, thank you and the School Committee for the guidance and support you have given us.

Respectfully submitted,

HENRY M. SHAW

Principal, Governor John Carver School

**ANNUAL REPORT OF
DIRECTOR OF MUSIC EDUCATION**

In Carver this year, it has been our continued aim to help the students to become aware of the need for music in their lives. We believe music to be a release from emotional stress as well as an outlet for sheer joy. Everyone, however ordinary his talents, can at least enjoy music. Toward this aim, then, we try to give the students exposure to each of the phases of music; namely, listening, rhythmic, singing, reading, and performance. Through their participation in these various aspects, we hope to help the children to understand and really love music. To take full advantage of the music available to them throughout the years, it is essential for the children to learn to read music. Therefore, a major portion of our program includes instruction in the techniques of note reading. The techniques, in themselves, are quite simple to learn, but require many hours of practice in order to master principles. We are grateful to the room teachers who have been most helpful with the supervision of these drills. This year, we have also worked quite successfully with the art of part singing. The students in the upper grades are learning to sing a musical line while hearing another group of students singing a different arrangement of tones simultaneously. They have responded quite admirably to the part singing and seem to find it quite challenging and enjoyable.

We believe that rhythm is also very important, so we have tried to teach rhythm to music through the use of folk dances and the block waltz. Many of the students have shown considerable aptitude in this area.

This fall we have begun an experiment in the pre-instrument field using flutophones. Each fourth grader is learning to play this instrument with quite encouraging speed. These instruments are very helpful in preparing the children to play orchestral instruments as well as teaching the reading of music.

Another important feature is that that students find it absolutely necessary to concentrate in order to play well.

A specialized Glee Club was introduced this year which was quite successful, and we hope to continue with the program to allow the children further opportunity to perform.

Our greatest problem is the shortage of sufficient time to devote to each phase, and we find it necessary to barely touch many types of musical experience in order that the children may at least be aware of them, and learn that music is everywhere and certainly a part of every day life.

Respectfully submitted,

Barbara E. Trombley

Director of Music Education

SCHOOL SUPERINTENDENCY UNION No. 34
REPORT OF THE SECRETARY

The annual meeting of School Superintendency Union No. 34 was held at the Assawompset School in Lakeville on April 17, 1958.

The following officers were re-elected for the ensuing year.

Chairman — Douglas H. Church

Secretary — Norma E. Perkins

Salaries of the Union employees as recommended in November, with adjustments made to meet the minimum law requirements, were approved by the committee.

The vote was passed that if Mr. Austin, Superintendent of this Union, is appointed to the same position in the Freetown-Lakeville Regional School District, twenty-five percent of his time would be allowed from Union duties for work in that capacity and that portion of his salary would be assumed by the Regional District.

On July 1, 1959, Union No. 34 will be affected by two changes in its membership. Rochester will join the Marion-Mattapoisett Regional School District. Our relationship with them has been both friendly and beneficial. We will welcome Freetown into our organization and look forward to a congenial association with them.

The members of the Lakeville Committee are proud that Mr. Austin has been chosen superintendent of the Freetown-Lakeville Regional School District and feel that he will continue to work for our best interests in the new Union as he has in the past for Union No. 34.

Respectfully submitted,

NORMA E. PERKINS, Secretary

TOWN WARRANT
and report of
FINANCE COMMITTEE
of the
TOWN OF CARVER
Massachusetts

Annual Town Meeting, March 2, 1959
at 12:00 Noon

**TOWN WARRANT AND REPORT OF
FINANCE COMMITTEE**

The Commonwealth of Massachusetts

Plymouth, ss. To either of the Constables of the Town
of Carver, Plymouth County, Greeting:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the Inhabitants of the Town of Carver qualified to vote in elections and in town affairs to meet at the Town Hall in said Carver on Monday, the second day of March, 1959, at twelve o'clock noon, then and there to act on the following article, namely:

Article 1. To choose all necessary town officers to be voted for all on one ballot, viz.: One Moderator, Three Auditors, Three Constables, Three Herring Committeemen, One Tree Warden, One Highway Surveyor, each for one year. One Assessor, One Selectman, One School Committeeman, One Cemetery Commissioner, One Park Commissioner, One Member of the Board of Public Welfare, Two Library Trustees, One Treasurer, One Town Clerk, One Tax Collector, each for three years.

The polls will be open for at least seven hours.

And you are directed to further notify said Inhabitants of said Town that as soon as the ballots have been counted the meeting will adjourn to Saturday, March 7, 1959, at two o'clock P.M., and at that time will reconvene at the Gov. John Carver School House in said Carver, then and there to act on the following articles, namely:

Article 2. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to bor-

row money from time to time in anticipation of the revenue of the financial year beginning January 1, 1959, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 2. Recommended by the Finance Committee.

Article 3. To see if the Town will vote to appropriate a sum of money not to exceed one thousand (\$1,000.00) dollars from free cash in the town treasury for the sole purpose of meeting charges against the Cemetery funds in the town treasury.

Article 3. Recommended by the Finance Committee.

Article 4. To see if the Town will authorize the Selectmen to prosecute, compromise or defend suits for or against the Town.

Article 4. Recommended by the Finance Committee.

Article 5. To see what disposition the Town will make of the Dog Fund.

Article 5. Recommended by the Finance Committee that the Dog Fund be transferred to the Library Account.

Article 6. To see what amount the Town will vote to raise and appropriate for the use of Plymouth County Trustees for County Aid to Agriculture and choose a Town Director as provided in Section 41 and 45 of Chapter 128 of the General Laws and act thereon.

Article 6. Recommended by the Finance Committee that the sum of \$100.00 be raised and appropriated for County Aid to Agriculture.

Article 7. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by General Laws, Chapter 41, Section 108, as amended namely:

Highway Surveyor	\$1.75 per hour
Town Treasurer	\$1,350.00
Town Clerk	\$800.00
Tax Collector	\$1,350.00

Moderator \$20.00 for the Annual Town Meeting, and \$5.00 for each Special Town Meeting.

Members of School Board \$3.00 for each meeting, plus \$1.50 per hour for all meetings of over 2 hours.

All other elective Town Officers \$1.50 per hour.

Article 7. Recommended by the Finance Committee.

Article 8. To see if the Town will vote to transfer from the overlay reserve account to the 1959 Reserve Account the sum of five thousand (\$5,000.00) dollars and act thereon.

Article 8. Recommended by the Finance Committee.

Article 9. To choose all necessary Town Officers not elected by ballot.

Article 9. Recommended by the Finance Committee.

Article 10. To see if the Town will vote to raise and appropriate the sum of six thousand (\$6,000.00) dollars for Chapter 90 Highway Construction, and to transfer the sum of eighteen thousand (\$18,000.00) dollars from Free Cash in the Treasury to meet the State's and County's shares of the cost of work, the reimbursements from the State and County to be restored, upon their receipt, to free cash in the Treasury, and act thereon.

Article 10. Recommended by the Finance Committee.

Article 11. To see if the Town will vote to raise and appropriate the sum of six thousand six hundred (\$6,600.00) dollars for Chapter 81 Highways, and to transfer the sum of eighteen thousand one hundred fifty (\$18,150.00) dollars from free cash in the Treasury to meet the State's share of the cost of the work, the reimbursements from the State to be restored, upon their receipt, to free cash in the Treasury, and act thereon.

Article 11. Recommended by the Finance Committee.

Article 12. To see if the Town will vote to authorize the Cemetery Commissioners and the Park Commissioners to employ themselves as laborers in the Cemeteries and Parks, and act anything thereon or thereto.

Article 12. Recommended by the Finance Committee.

Article 13. To see if the Town will vote to raise and appropriate the sum of six hundred and fifty (\$650.00) dollars to be used to pay for all private work and material in Town Cemeteries, such as, opening graves, building foundations, etc., as according to General Laws, Chapter 44, Section 53.

Article 13. Recommended by the Finance Committee.

Article 14. To hear the report of any standing committees and act anything thereon or thereto and establish any new committees.

Article 14. Recommended by the Finance Committee.

Article 15. To see if the Town will vote to raise and appropriate a sum of money not to exceed three thousand

(\$3,000.00) dollars for Assessors' Plans, such sum to be used and expended by the Board of Assessors and act anything thereon or thereto.

Article 15. Recommended by the Finance Committee.

Article 16. To see if the Town will vote to raise and appropriate the additional amount of seven hundred thirty-three (\$733.00) dollars for Land Damage at the intersection of Route 58 and Route 44, in accordance with Plymouth County Commissioners Decree No. 1227.

Article 16. Recommended by the Finance Committee.

Article 17. To see if the Town will vote to raise and appropriate the sum of one hundred eighty-five dollars and twenty cents (\$185.20) to pay the following unpaid bills of 1958, namely:

General Highway	\$176.95
Veterans' Benefits	8.25
	<hr/>
	\$185.20

and act thereon.

Article 17. Recommended by the Finance Committee.

Article 18. To see if the Town will vote to raise and appropriate the sum of two hundred fifty (\$250.00) dollars for the purpose of putting the field in the rear of the Central Fire Station into condition for carrying on athletic activities, the expenditure of such sum of money to be under the direction of the Board of Selectmen and a committee of three elected from the floor in Town Meeting and act thereon.

Article 18. Recommended by the Finance Committee.

Article 19. To see if the Town will vote to return to the treasury the unexpended appropriation balance of three hundred fifteen (\$315.00) dollars remaining in the Purchase of Fire Truck Account, and act thereon.

Article 19. Recommended by the Finance Committee.

Article 20. To raise and appropriate such sums of money as may be necessary to defray town charges for the ensuing year.

Article 20. Recommended by the Finance Committee.

Article 21. To see if the town will vote to transfer a sum of money not to exceed fifteen thousand (\$15,000.00) dollars from free cash or surplus revenue in the Treasury, such sum of money to be used for the reduction of the tax rate for the current year, and act anything thereon or thereto.

Article 21. Recommended by the Finance Committee.

Article 22. To see if the town will vote to exchange lands with Elfleda T. Anderson, et al receiving the lot shown on Assessors' Sheet No. 16, lot No. 13, with a frontage on Route 58 of about 720 feet and containing about 7.26 A., for a piece of land part of the Alms House lot so called, bounded generally as follows:

Beginning at a point in the Easterly line of Main Street, the Southwesterly corner of the School House lot so-called now owned by Elfleda T. Anderson, et al, thence in said line South 53° East about 277 feet to a corner; thence still in said line North 37° East, 114.20 feet to a corner; thence South 35° 47' 20" East, 35 feet to a stone bound; thence in the same course about 985 feet to Muddy Pond, so-called; thence beginning again at the bound first mentioned and running Southerly by

Main Street, 125 feet to a corner; thence South 35° 47' 20" East about 1130 feet to Muddy Pond; thence by said Muddy Pond Northerly to the Easterly end of the line hereinbefore described as being 985 feet in length. Subject to the reservation of flowage rights for cranberry purposes, and that the Selectmen are authorized and empowered to sign, seal, acknowledge and deliver in the name and behalf of the town such deeds as they may deem proper to carry this Article into effect, and to act anything thereon or in connection therewith.

Article 22. Recommended by the Finance Committee.

Article 23. To see if the town will vote to raise and appropriate the sum of seven thousand five hundred fifty (\$7,550.00) dollars, and to transfer the further sum of two thousand (\$2,000.00) dollars from the Road Machinery Fund, for the purpose of purchasing a new Tractor Shovel for the Highway Department, and to authorize and empower the Selectmen to dispose of the Tractor Shovel now owned by the Town and to apply the proceeds thereof to the purchase price of the new Tractor Shovel, and act thereon.

Article 23. Not Recommended. The Finance Committee feels this expenditure is not warranted at this time.

Article 24. To see if the town will vote to transfer the sum of three thousand five (\$3,005.00) dollars from the Road Machinery Fund to the Machinery Account, and act thereon.

Article 24. Recommended by the Finance Committee.

Article 25. To see what action the Town will take on the Proposed By-Laws for the Town of Carver, and act anything thereon.

PROPOSED BY-LAWS FOR THE TOWN OF CARVER

Article I

Section 1. The annual town meeting shall be held for the election of officers on the first Monday in March at 12 noon. The polls shall be open for at least seven hours, and as soon as the ballots are counted the meeting will be adjourned to the following Saturday at 2 P. M. for the transaction of municipal business.

Section 2. Twenty-five votes shall be necessary to constitute a quorum at town meetings provided that a number less than a quorum may from time to time adjourn the same.

Section 3. All articles in the warrant shall be taken up in order of their arrangement unless otherwise ordered by two-thirds vote.

Section 4. No motion to adjourn without day shall be in order until all articles in the warrant have been acted upon.

Section 5. In all town elections the counting of ballots shall not begin until the polls have been open for four hours.

Section 6. The check list shall be used in admitting voters to a town meeting, except that non-voters may be admitted to a defined and separate portion thereof, and non-voters may address the meeting if the town so votes.

Section 7. The articles to be acted upon at the annual town meeting in March shall be in the hands of the Board of Selectmen on or before February first preceding said meeting.

Article II

The town warrant shall be posted in the town hall and at each fire station in the town.

Article III

The moderator shall be elected for one year, the name to appear on the official ballot.

Article IV

The powers and duties of the presiding officer not especially provided for by law shall be determined by rules of practice as contained in Robert's Rules of Order so far as they are adapted to the conditions and powers of the town.

Article V

Section 1. The Board of Selectmen shall consist of three members, each elected for a three year term, one term expiring annually.

Section 2. The Board of Selectmen shall serve as the Board of Public Welfare.

Section 3. The Board of Selectmen shall have the power to prosecute, compromise or defend suits for or against the town and employ counsel at any time if in its judgment the interests of the town so require.

Section 4. It shall be the duty of the Board of Selectmen to transmit a copy of any warrant for any regular or special town meeting as soon as said warrant is drawn, to the Finance Committee.

Section 5. The Board of Selectmen shall appoint an Inspector of Wires, as provided in Chapter 66, Section 32 of the General Laws, as amended by Chapter 529 of the act of 1949.

Section 6. The Board of Selectmen shall notify all department heads and all committees appointed or elected by the town of any special town meetings at least seven days prior to the posting of the warrant of said meeting.

Article VI

The following officers are to be chosen from the floor at the annual town meeting to serve a one year term:

Three field drivers and pound keepers

Three surveyors of lumber and measurers of wood

Three fence viewers

Three members to serve as a herring committee.

Article VII

Section 1. The Finance Committee shall consist of nine members, except as hereinafter provided, and shall be appointed in the manner hereinafter set forth. Beginning with the year 1960, and annually thereafter, the moderator shall appoint three members to serve on the Finance Committee, each member to serve for a term of three years. The membership of the present Committee of fifteen members shall not be reduced except by expiration of their respective terms in accordance with the by-laws now in effect. No member of the Finance Committee, after having served two consecutive terms, shall be eligible for appointment to said Committee until one year shall have passed.

Section 2. All qualified voters on the voting list for the Town of Carver are eligible for appointment to the Finance Committee except that no elected or appointed town officer is eligible for membership on such committee, and no member of a special town committee shall have a vote as a member of the Finance Committee on any matter pertaining to the duties of that special committee.

Section 3. On or before the first day of May it shall be the duty of the Moderator to call the organization meeting of the Finance Committee.

Section 4. The Finance Committee at its organizational meeting shall elect a chairman, vice-chairman, and a secretary, all who shall serve until the next annual town meeting. Within ten days after the organization the secretary shall notify the Town Clerk in writing of such organization.

Section 5. Any vacancies occurring in the Finance Committee shall be filled by the Moderator within seven days of the notification in writing of said vacancy by the chairman of the Finance Committee.

Section 6. Three consecutive absences of any member of the Finance Committee at a duly called meeting, except for reason of sickness, shall constitute a vacancy.

Section 7. The report of the Finance Committee to the annual town meeting shall be in print and shall contain the request of all departments and the appropriations recommended by the Finance Committee, together with such recommendations on other matters in such warrant as in its judgment should be brought to the attention of the town, but reports to all other town meetings shall be in such form as the Finance Committee shall deem advisable.

Section 8. The Finance Committee may appoint such sub-committees as it may deem advisable.

Section 9. The Finance Committee shall have authority at any time to investigate the town's accounts and management of any department, and the books, records and accounts of all departments of the town shall be open to the inspection of the Finance Committee, or any of its authorized sub-committees, or any person authorized to act for said committee.

Section 10. The members of the Finance Committee excepting chairman and secretary shall serve without pay, but may be reimbursed for actual expenses incurred in the discharge of their duties. Salary for chairman and secretary of said committee to be set by a vote of the town.

Section 11. On or before December 21 of each year the Officers, Boards, or Committees having charge of expenditures of the town's money shall transmit, in writing, to the Finance Committee their estimate of expenditures for the conduct of

their departments for the next municipal year. On or before January 15 of the following year these same officers shall present to the Finance Committee, in writing a detailed list of the expenditures for the year previous.

Article VIII

A summary of all town meetings and results of all elections shall be included in the annual town report.

Article IX

Valuation lists for the Town of Carver shall be published every five years unless otherwise voted by the town.

Article X

Any of these by-laws may be modified or amended or repealed at any annual town meeting by a majority of votes of those present and voting, any article or articles for the purpose having been inserted in the warrant for such meeting.

Article XI

No person shall commence within the town any new construction of a building of any type or description, or commence major alterations, additions or improvements of any existing building, without first having applied for and obtained a permit therefor from the Board of Selectmen. No permit shall be required for ordinary repairs or renovations.

The application shall be in triplicate and contain information as to the name and address of the applicant and the name and address of the owner, and the nature and location of construction or proposed work. One copy of the application shall be kept on file, one copy given to the applicant, and one copy given to the Board of Assessors. The Selectmen shall grant the permit in written or printed form within fifteen days of the filing of the application if all information required is given. The permit shall become void unless operations thereunder are commenced within six months of the date of issuance.

Any person who violates any provision of this law shall be subject to a fine of not more than twenty dollars (\$20.00) to be paid to the Treasurer of the town.

Article XII

All by-laws in force are hereby repealed.

Article 25. Recommended by the Finance Committee.

And you are directed to serve this warrant by posting attested copies thereof, at the several places designated by vote of the Town, seven days at least before the time of holding said meeting.

Hereof fail not, and make due return of this warrant, with your doings, thereon, to the Town Clerk at the time and place of Meeting aforesaid.

Given under our hands this tenth day of February in the year One Thousand Nine Hundred and Fifty-nine.

GORDON W. FOUNTAIN

JOHN E. JOHNSON

FRANK R. MAZZILLI

Selectmen of Carver

Finance Committee:

PHILIP H. GIBBS, Chairman

LILLIAN B. CHAUVIN, Secretary
