Annual Town Meeting

April 12, 1982

The Annual Town Meeting of the Inhabitants of the Town of Carver was held at the Governor John Carver School on Monday, April 12, 1982, pursuant to a Warrant of the Board of Selectmen dated March 3, 1982. The meeting was called to order at 7:30 o'clock, P.M., by the Moderator, Arthur P. DeCoursey, there being a quorum present. Following the Pledge of Allegiance, the Rev. Robert H. Merritt offered the Invocation. After a few explanatory remarks by the Moderator, and introduction of various Town

Officials, etc., the meeting proceeded to act on the Articles in the Warrant, as follows:

Upon motion duly made and seconded, it was VOTED to take up Article 8 of the Warrant, "out of order."

Article 8. To see if the Town will vote to ratify the waste management agreement dated February 1, 1982, between the Carver, Marion, Wareham Regional Refuse Disposal District and SEMASS Partnership.

Afer considerable discussion of the matter, motion was duly made and seconded "that the subject matter of Article 8 be referred back to the Regional Refuse Disposal District for further study and that the Carver members be instructed to include any recommendations of Dr. Gidley into any future contracted agreement."

Standing vote being had, with 139 voting in the affirmative and 83 opposed, it was SO VOTED. At this time it was duly moved and seconded to proceed to consideration of Article 38. Standing vote being had, with 130 voting in the affirmative and 75 opposed, the motion was Defeated, as a $\frac{2}{3}$ vote was required.

At this time, upon motion duly made and seconded, it was unanimously VOTED that all "non-money" articles be acted upon before proceeding to articles calling for appropriation.

Article 5. Article duly moved and seconded. Upon motion duly made and seconded, it was VOTED to amend Article as appearing in the Warrant by inserting the words "Acts of 1974" in place of "Acts of 1975" as appearing in the Warrant.

Thereupon, on motion duly made and seconded, voice vote being had, the motion, as amended, to rescind former action establishing an Historic District, as set forth in Article 5, was Defeated.

Article 6. Upon motion duly made and seconded, standing vote being had, with 140 voting in the affirmative and 15 opposed, it was VOTED to amend the General By-Laws of the Town by adding a new section, as follows:

SAVERY HISTORIC DISTRICT BY-LAW

This By-Law shall be known and may be cited as the Savery Historic District's By-Law under the authority of Massachusetts General Laws, Chapter 40C, as amended.

The purpose of this By-Law is to promote the educational, cultural, economic and general welfare of the public through the preservation and protection of the distinctive characteristics of buildings and places significant in the history of the Town of Carver or their architecture, and through the maintenance and improvement of settings for such buildings and places and the encouragement of design compatible therewith.

There is hereby established an Historic District to be known as the Savery Historic District under the provisions of the Historic District Act, General Laws, Chapter 40C bounded and described as follows:

Beginning at a point about 100m south of the intersection of Main Street, (Main Street is also known as S. Main, Rochester Road, Plymouth Street and Route 58) and Meadow Street, the district heads in a southerly direction along Main Street until it reaches the intersection of Shaw Road and Main Street where the district terminates. The district encompasses the buildings and some portion of the land on both sides of the route just described.

The boundaries are hereby established as shown on the map entitled "Savery Historic District" dated February, 1981 which accompanies and is hereby declared to be a part of the By-Law.

Administration of the Savery Historic District

No building or structure within the Historic District shall be constructed, demolished, moved or altered in any way that affects exterior architectural features and no building shall be moved into an Historic District unless the Carver Historic District

Commission shall first have issued a certificate of appropriateness, a certificate of hardship or a certificate of non-applicability with respect to such construction, alteration or movement. The building inspector shall not issue a permit within an Historic District unless one of the certificates noted above has first been issued by the District Commission.

The authority of the Commission shall be limited to exterior architectural features which are subject to view from Main Street (Route 58), Savery Avenue and the Union Cemetery. (By Carver Historic District Commission).

Article 6. Not recommended by the Finance Committee.

Article 9. (Re: Airport District)

Upon motion duly made and seconded, it was VOTED to postpone action on Article 9 until the next session.

Article 10. (Article to amend Zoning By-Laws so as to create a new "Planned Tourist-Commercial District." Article duly moved and seconded.

After considerable discussion and upon motion duly made and seconded, standing vote being had, with 100 voting in the affirmative and 39 opposed, it was VOTED to "table" Article 10.

Thereupon, on motion duly made and seconded it was VOTED to adjourn to Wednesday, April 14, 1982, at 7:30 P.M.

A True Record.

ATTEST:

Annual Town Meeting

Adjourned Session—April 14, 1982

The adjourned session of the Annual Town Meeting was called to order at 7:30 o'clock, P.M., on Wednesday, April 14, 1982, at the Governor John Carver School, by the Moderator, Arthur P. DeCoursey, there being a quorum present. The meeting then proceeded to act on the Articles in the Warrant, as follows:

Article 9. (Amendment to Zoning By-Law to create "Airport District").

Motion duly moved by Town Counsel, Edward Angley, Esquire, to amend article by adding to Section 13.6.2 a new section "d", as follows: "there shall be a buffer zone of 100 feet along any abutting residential property." Motion to amend duly seconded, and it was SO VOTED.

Thereupon, on motion duly made and seconded, standing vote being had, with 127 voting in the affirmative and 33 opposed, it was VOTED to amend the Zoning By-Law by adopting the following sections as appearing in the Warrant, with the foregoing amendment.

13.0 Airport District

13.1 Purpose

The purpose of the Airport District is to encourage the most appropriate use and development of land within the Town of Carver in the vicinity of the Plymouth Municipal Airport, by providing for uses compatible with and of benefit to the Airport and to land areas in proximity to the airport; and to prevent the encroachment of noise sensitive and otherwise incompatible uses into present or future areas of potential aircraft noise disturbance.

13.2 District Delineation

The Airport district shall be defined as the area shown on the map described as follows:

“Zoning Map of the Town of Carver Airport District, adopted _____.”

Such district shall be comprised of the land shown on the Assessors' Maps of the Town of Carver on Sheet No. 113 Lots 1, C, 5A, 6D, 7, 8, A
Sheet No. 114 Lots 2B, 1, 2C, A
Sheet No. 115 Lots 13A, 13B, A

13.3 Permitted Uses

1. Aviation-related uses and structures on property of the Plymouth Municipal Airport.
2. Agricultural uses excluding grain crops which are attractive to birds.

13.4 Uses by Special Permit

The Board of Appeals as special permit granting authority (SPGA) may authorize special permits for uses which tolerate a high level of sound exposure, including but not limited to:

1. Limited commercial uses of a type related to aviation or to other aviation or airport-oriented uses;
2. Light manufacturing, processing, and assembly in enclosed buildings;
3. Trucking and freight terminals or depots;
4. Wholesaling, warehousing and distribution facilities;
5. Office buildings, laboratories, research facilities, and other campus-type office structures or groups of structures on adequately buffered sites; and
6. Uses of a character similar to any of the above which are not of a higher nuisance level.

13.5 Prohibited Uses

Residential uses are prohibited in the Airport District. Obstructions to air navigation are prohibited.

No structure shall be erected or altered nor any tree permitted to grow which would create a hazard to air navigation. In determining whether such a hazard exists, the Inspector of Buildings or the Board of Zoning Appeals, as the case may be, may have reference, but not exclusively, to criteria used by the Plymouth Airport Commission and/or the Massachusetts Aeronautic Commission.

No use shall be permitted which creates electrical interference with radio aids or communications.

13.6 Conditions to Special Permits

13.6.1 General Requirements

As appropriate, uses under special permit shall conform to the applicable general regulations of this by-law and the specific requirements of Section 8.0.

13.6.2 Specific Requirements for the Airport District

- a. Permits for high structures may require the applicant, at its own expense, to install operate and maintain such markers and lights as may be necessary to indicate to pilots the presence of any airport hazard.
- b. Adequate sound insulation shall be required of all buildings regularly occupied.
- c. The SPGA shall determine that the use will cause no hazard to air navigation, visibility or flight safety, or attract excessive numbers of birds.
- d. There shall be a buffer zone of 100 feet along any abutting residential property.

13.6.3 Site Plan

The SPGA may require a site plan to be submitted in the quantities and in the form as set forth in the rules and regulations of the SPGA and as appropriate, shall supply the same information required for a site plan in Section 9.4 of this by-law.

13.7 Height Limitation

In order to prevent the erection of structures which, due to height, would create hazardous obstacles to aid navigation in the vicinity of the Plymouth Municipal Airport, the applicable requirements of Chapter 90 of the General Laws of Massachusetts, and the standards of the Federal Aviation Regulations, shall be met. No structure shall be erected which exceeds the height limitations of the above regulations unless appropriate authority shall have been issued by the Plymouth Airport Commission and by the Massachusetts aeronautics Commission or the Federal Aviation Agency.

13.8 Special Review by Other Agencies

The SPGA shall submit applications for special permits to the Plymouth Airport Commission for review and comment, and no special permit shall be issued unless the SPGA has considered the report of the said commission or thirty-five days have elapsed since receipt of the application by the commission without report or recommendations.

13.9 Disclosure of Proximity to Airport

As a condition to the grant of a special permit, the SPGA shall require the applicant to notice and acknowledge that the use authorized may be exposed to airport related noise resulting directly or indirectly from the operations of the airport, now and in the future, including but not limited to ground and in-flight operations of aircraft at, over, or in the vicinity of the airport, and that such notice and acknowledgement shall extend to all lessees, heirs, administrators and assigns. (by Planning Board)

At this time, upon motion duly made and seconded, it was VOTED to reconsider Article 10.

Article 10. To see if the Town will vote to amend Section 3.1 of the zoning by-law by adding the following type of district, or take any other action relative thereto:

Section 12.0 Planned Tourist-Commercial District (PTC)

12.1 Purpose

The purpose of the Planned Tourist-Commercial (PTC) District is to encourage the most appropriate use and development of land in a designated area within the Town of Carver by providing for certain activities having a unique relationship and demonstrated value to the Town consistent to a district conceptual plan, to promote economic benefits for the residents of the Town, to preserve existing cranberry growing activities, and to protect existing tourist oriented land uses from the adverse effect of developments of conflicting natures.

12.2 District Delineation

The PTC district is defined as that land generally south and east of Meadow Street, west of Main Street and north of Indian Street as shown on a map entitled:

“Planned Tourist-Commercial District”
Town of Carver Zoning Map

date: _____

Said map is adopted as part of the zoning map of the Town of Carver. It was VOTED to adopt PTC District as shown on "handout."

12.3 Wetlands

Wetlands within the PTC district are shown on an overlay map entitled "Wetlands, Planned Tourist-Commercial" District, Town of Carver, dated _____, which map shall be part of the zoning by-law. Uses authorized in the underlying district as of right or by special permit shall be subject to the conditions determined by the Planning Board as the special permit granting authority to be necessary for compliance with Section 11.4 of this by-law.

It was VOTED to adopt PTC wetlands as shown on "handout."

1.24 District Conceptual Plan

The Planning Board (SPGA) shall adopt a conceptual plan for the development of the district area. Such plan, which may be reviewed and amended from time to time as the Planning Board may deem advisable, shall show the locations of existing and proposed facilities including structures, public and private ways, railroad rights-of-way, water courses, canals, dams, dikes, cranberry bogs, sites for camping, playing fields, places of assembly, service areas, parking lots, motels, and accessory activities.

12.5 Permitted Uses in the PTC District:

1. Cranberry growing and related activities including structures, canals, dams, dikes, ditches, roadways and reservoirs.
2. Agriculture, horticulture and floriculture.

It was VOTED to add paragraph to section 12.5 (Permitted Uses) and to strike out words "on parcels not less than five acres."

12.6 Site Plan

A site plan shall be required for all uses authorized by permit or by special permit in the PTC district.

For the purpose of this by-law, a site plan shall include the plot plan or site plan required from an applicant for a building permit, or such plan as is required by the rules and regulations adopted by the special permit granting authority (SPGA). As appropriate, such plans shall comply with the general requirements of Section 9.4 of this by-law and as applicable shall show the boundaries of the district, of the lots in question, names of abutting owners, natural and man-made features, including any wetlands and the boundaries of a wetlands district, means of access, including boat launching sites, authorized fishing and hunting areas, roadways, parking areas, buffer strips, landscaped areas and such other requirements as the SPGA shall adopt in its rules and regulations.

12.7 Uses by Special Permit

The special permit granting authority for uses authorized by special permit in the PTC district shall be the Planning Board.

No special permit shall be issued under this section except for a tract of land in single or consolidated ownership of not less than three acres.

No special permit may be issued except in compliance with the provisions of section eight (8) of this by-law, and without the following express findings by the SPGA:

1. The proposed activities are appropriate and consistent with the conceptual

- plan for the PTC district.
2. The site is appropriate for the uses and structures proposed.
 3. Proposed water and sewerage facilities will be suitable to service the site without a detrimental effect upon any other area of the Town.
 4. The use will not be detrimental to the established or future character of the neighborhood and the Town, and subject to appropriate conditions and safeguards if deemed necessary.
 5. There are sufficient safeguards to prevent nuisance or serious hazard to vehicles and pedestrians.
 6. Adequate and appropriate facilities will be provided to insure proper operation of the uses, structures or conditions to the special permit.

Special Permit Uses

Camping Areas—Subject to approved site plan showing access roads, individual and group sites, sanitary facilities, the special permit shall state the permitted capacity, and shall be subject to annual permits from state and local authorities as required by the General Laws.

Demonstration Tracts—Cranberry culture, forestry, wildlife, exhibition sawmill and similar activities: May be on parcels of less than five acres.

Motels—Subject to approved site plan, limitations as to size, and to the requirements of the General Laws.

Museums, historical, cultural and scientific, and including commercial and industrial exhibits—Subject to approved site plan.

Places of assembly, including theatres, cinemas, convention or function halls—Subject to limitation on capacity and approved site plans.

Retail stores, service-related establishments, branch bank, gift shops, restaurants.

Recreational—Tourist Railroad and accessory uses, including secondary activities such as retail establishments selling convenience goods, and restaurants and cafeterias of limited capacities—As appropriate, subject to an approved site plan.

Sports Facilities, golf, tennis, riding, boating, fishing, field sports, swimming, skating, bicycling—Subject to limitations on capacity, sanitary facilities and approved site plans.

12.8 Signs

No signs within the PTC district shall be authorized except as conditions to special permitted activities, conforming, as appropriate, to the provisions of Section 6.4 of this by-law.

12.9 Prohibited Uses

Multi-family permanent dwellings, mobile homes, commercial shopping centers and industrial uses are prohibited in the PTC district. (by Planning Board.)

Article 10 was duly moved and seconded.

Thereupon, after considerable discussion, the following amendments to the proposed by-law, as appearing in the Warrant, were duly moved and seconded, and were duly VOTED:

1. VOTED to adopt PTC District as shown on “handout.” VOTED PTC wetlands as shown on “handout.”

Special Town Meeting

June 2, 1982

A Special Town Meeting of the Town of Carver was held at the Governor John Carver School on Wednesday, June 2, 1982, pursuant to a Warrant of the Board of Selectmen dated May 12, 1982. The meeting was called to order at 7:30 P.M. by the Moderator, Arthur P. DeCoursey. There not being a quorum present at that time, the Moderator declared a recess to await the required quorum. At 7:42 P.M., a quorum having appeared, the Moderator again called the meeting to order. Thereupon, after the Pledge of Allegiance, the meeting proceeded to act on the Articles in the Warrant, as follows:

Article 1. To see if the Town will vote to amend the Zoning By-Law by adopting the following section, or take any other action relative thereto: (Follows text of proposed by-law relative to the creation of a “Flood Plain District” as set forth in the Warrant).

Thereupon, motion being duly made and seconded, it was unanimously VOTED to adopt the following amendment to Section 14.00 as appearing in the Warrant:

14.3.1 III. A. Permitted Uses

1) add:—and cranberry related activities

14.3.2 B. Special Permits

4) add:—Exempted from the Special Permits is any work done to repair or maintain any buildings or structures, associated with existing agricultural uses such as farming, grazing, truckfarming, horticulture and cranberry related activities.

Thereupon, upon motion duly made and seconded, standing vote being had, with 72 voting in the affirmative and 9 opposed, it was VOTED to adopt the following amendment, together with the foregoing amendments, to the Carver Zoning By-Laws:
Section:

14.0 FLOOD PLAIN DISTRICT

14.1 1. Purpose

The purposes of the Flood Plain District are to protect public health, safety, and general welfare, to protect human life and property from hazards of periodic flooding, to preserve natural flood control characteristics and the flood storage capacity of the flood plain, and to preserve and maintain the ground water table and water recharge areas within the flood plain.

14.2 II. District Delineation

The general boundaries of the Flood Plain District are shown on the Carver Flood Insurance Rate Map (FIRM), dated July 19, 1982, as Zones A, A 1-30 to indicate the 100 year flood plain. The exact boundaries of the District are defined by the 100 year water surface elevations shown on the FIRM and further defined by the Flood Profiles contained in the Flood Insurance Study, dated July 19, 1982. The floodway boundaries are delineated on the Carver Flood Boundary Floodway Map (FBFM), dated July 19, 1982, and further defined by the Floodway Data Tables contained in the Flood Insurance Study. These two maps as well as the accompanying Study are incorporated herein by reference and are on file with the Town Clerk, Planning Board, and Building Inspector.

14.3 III. Use Regulations

The Flood Plain District is established as an overlay district to all other districts. All development, including structural and non-structural activities, whether permitted by right or by special permit must be in compliance with Chapter 131, Section 40 of the Massachusetts General Laws and with the requirements of the Massachusetts State Building Code pertaining to construction in the flood plains (currently Section 744).

14.3.1 A. Permitted Uses

There shall be allowed the following uses, which create a minimal risk of damage due to flooding and will not constitute obstructions to flood flow, provided that they are permitted in the underlying district and that they do not require structures, fill, or storage of materials or equipment:

- 1) Agricultural uses such as farming, grazing, truck farming and horticulture;
- 2) Forestry and nursery uses;
- 3) Outdoor recreational uses, including fishing, boating and play area;
- 4) Conservation of water, plants and wildlife;
- 5) Wildlife management areas, foot, bicycle, and horse paths;
- 6) Temporary non-residential structures used in connection with fishing, growing, harvesting, storage, or sale of crops raised on the premises.
- 7) Buildings lawfully existing prior to the adoption of these provisions.

14.3.2 B. Special Permits

No structure or building shall be erected, constructed, substantially improved, or otherwise created or moved, and no earth or other materials dumped, filled, excavated, or transferred, unless a special permit is granted by the Planning Board.

Within 10 days of receipt of an application for a special permit the board shall transmit one copy of the development plan to the Conservation Commission, Board of Health, and Building Inspector. Final action shall not be taken until reports have been received from the above Boards or until 35 days after the transmittal of the development plan to the Boards, whichever occurs first.

The Planning Board may issue a special permit if the application complies with the following provisions;

- 1) The proposed use shall comply in all respects with the provisions of the underlying District:
- 2) In the floodway prohibit all encroachments, including fill, new construction, substantial improvement to existing structures, and other development, the applicant shall provide certification by a registered professional engineer demonstrating that such encroachment shall not result in any increase in flood levels during the occurrence of the 100 year flood;
- 3) The Planning Board may specify such additional requirements and conditions as it finds necessary to protect the health, safety, and welfare of the public.

14.4 SUBDIVISION STANDARDS FOR THE FLOOD PLAIN DISTRICT

All subdivision proposals and other proposed new development shall be reviewed to determine whether such proposals will be reasonably safe from flooding. If any part of a subdivision proposal or other new development is located within the Flood Plain District established under the Zoning By-Laws it shall be reviewed to assure that:

1. the proposal is designed so as to minimize the risk of damage due to flooding;
2. all public utilities and facilities, such as sewer, gas, electrical, and water systems are located and constructed so as to minimize or eliminate the risk damage due to flooding;
3. adequate drainage systems are provided in order to reduce exposure to flood hazards;
4. base flood elevation date (the level of the 100-year flood) is provided for all proposals for development within the Flood Plain District.

14.5 MOBILE HOME FLOOD PLAIN DISTRICT REGULATIONS

Development Regulations

1. Within Zone A1-30, all mobile homes shall provide that:
 - (a) stands or lots are elevated on compacted fill or on pilings so that the lowest floor of the mobile home will be at or above the base flood level; and
 - (b) adequate surface drainage and access for a hauler are provided; and
 - (c) In the instance of elevation of pilings, lots are large enough to permit steps, piling foundations are placed in stable soil no more than 10 feet apart, and reinforcement is provided for piers more than six feet above ground level.
2. The placement of mobile homes, except in an existing mobile home park or mobile home subdivision, are prohibited in the floodway.

14.6 HEALTH REGULATION PERTAINING TO THE FLOOD PLAIN DISTRICT

The Board of Health, in reviewing all proposed water and sewer facilities to be located in the Flood Plain District established under the Zoning Bylaw, shall require that:

1. new and replacement water supply systems be designed to minimize or eliminate infiltration of flood waters into the systems, and
2. new and replacement sanitary sewage systems be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood waters.

14.7 CONSERVATION COMMISSION DUTIES

1. Notify, in riverine situations, adjacent communities and the Massachusetts Division of Water Resources, the State Coordinating Agency, prior to any

alteration or relocation of a water-course where an order of conditions has been issued, and submit copies of such notification to the Federal Insurance Administration.

2. Assure that the flood carrying capacity within the altered or relocated portion of any water course is maintained.

Article 2. Upon motion duly made and seconded, it was unanimously VOTED to transfer from available funds in the treasury the sum of Three Thousand twenty-one (\$3,021.00) dollars to pay the following unpaid bill if FY 1981: St. Luke's Hospital (Veteran's Benfits)—\$3,021.00.

Article 3. Upon motion duly made and seconded, it was unanimously VOTED to ratify the revised waste management agreement dated February 1, 1982, between the Carver, Marion, Wareham Regional Refuse Disposal District and SEMASS Partnership.

There being no further business to come before the meeting, and upon motion duly made and seconded, it was unanimously VOTED to adjourn.

George Hoyt (Unclassified)	147.10

Article 3. Upon motion duly made and seconded, it was unanimously VOTED to transfer from the Federal Revenue Sharing Funds the sum of Five Hundred (\$500.00) dollars for the purpose of repairing the brick and metal outside of the library building.

Article 4. Upon motion duly made and seconded, it was unanimously VOTED to transfer from the Revenue Sharing Trust Fund Account the sum of Two Thousand (\$2,000.00) dollars to the Police Overtime Account to cover the cost of sending two Sergeants and two Patrolmen to the Police Academy.

Article 5. Upon motion duly made and seconded, it was unanimously VOTED to transfer from the Revenue Sharing Trust Fund Account the sum of Eleven Thousand Seven Hundred Eighteen (\$11,718.00) dollars for the purpose of acquiring replacements for two men who are out on Line of Duty injuries.

Article 6. Upon motion duly made and seconded, it was unanimously VOTED to authorize the Board of Selectmen to transfer the following Town owned land to the Carver Housing Authority: A certain parcel of land located on the Easterly side of Main Street approximately 40 feet wide, containing approximately 22,680 square feet and lying between the library and land now or formerly of Nathan G. Roby et ux.

Article 7. To see if the Town will vote to place the Town Mechanics' positions under the control of the Board of Selectmen. The Article was duly moved and seconded, and after some discussion standing vote being had, with 33 voting in the affirmative and 142 opposed, the motion was DEFEATED.

Article 8. To see if the Town will vote to amend the Zoning By-Law by adopting the following section, or take any other action relative thereto:

Section 7.1 Enforcement: Amend this section by deleting the second sentence and substituting the following sentence:

“No building or sign shall be built, erected or altered and no use of land, a sign or a building shall be begun or changed without a permit having been issued by the Building Inspector.”

The foregoing Article was duly moved and seconded, and after considerable discussion of the matter, voice vote being had, the motion was DEFEATED.

Article 9. Upon motion duly made and seconded, and after considerable discussion, Standing vote being had, with 188 voting in the affirmative and 28 opposed, it was VOTED to amend the Zoning By-Law by adopting the following section:

“Section 5.0 Intensity Regulations: Eliminate the colon at the end of the paragraph and adding a period. Then add the following section:

“Notwithstanding the above, any lot lawfully laid out as of January 1, 1980 by plan or deed duly recorded as defined in Section Eighty-One L of Chapter Forty-One, or any lot shown on a plan endorsed with the words “Approval under the subdivision control law not required” or words of similar import, pursuant to Section Eighty-One P of Chapter Forty-One, may be built upon for residential use notwithstanding the adoption or amendment of provisions increasing the area requirements providing such lot has at least 40,000 square feet and 150 feet of frontage.”

Article 10. Article was duly moved and seconded. Thereupon, it was VOTED to consider each section of the proposed by-law, as appearing in the Warrant, separately.

Thereupon, on motion duly made and seconded, standing vote being had, with 175

voting in the affirmative and 9 opposed, it was VOTED to amend the Carver Zoning By-Laws, as follows:

1. By adding to the definition of "Dwelling" in Section 2.0 the following: "but excluding mobile homes."

Thereupon, Mr. Alan I. Dunham moved to amend Section 10.2, as appearing in the Warrant, as follows: "In second sentence delete the words "Planning Board" and replace with the words "Board of Appeals," so that the sentence will read: "No mobile home, park, or trailer park shall be established or operated within the town unless a special permit has been issued by the Board of Appeals as special permit granting authority." The motion to amend was duly seconded, and it was SO VOTED.

2. Thereupon, no motion duly made and seconded, standing vote being had, with 160 voting in the affirmative and 17 opposed, it was VOTED to amend the Carver Zoning By-Laws by deleting Section 10.2 and substituting therefore the following:

"No mobile home shall be erected, established or located on a site for living purposes, except in an approved mobile home park. No mobile home park or trailer park shall be established or operated within the town unless a special permit has been issued by the Board of Appeals as special permit granting authority. Such a permit shall be conditional upon the issuance of such license from the Board of Health as required by the General Laws, and failure to obtain or to renew such license may suspend or void any special permit issued under this by-law."

3. Upon motion duly made and seconded, standing vote being had, with 137 voting in the affirmative and 10 opposed, it was VOTED to amend the Carver Zoning By-Laws by addition at the end of Section 6 the following:

6.5 Mobile Homes

No mobile home shall be erected, established or located on a site for living purposes, except in an established mobile home park pursuant to Section 10 hereof."

Article 11. Upon motion duly made and seconded, it was unanimously VOTED that the title of the "Youth Critical Needs Study Committee be amended to "Youth Needs Committee."

There being no further business to come before the meeting, and upon motion duly made and seconded, it was unanimously VOTED to adjourn. The meeting was Adjourned at 10:04 P.M.

Question No. 1 PROPOSED AMENDMENT TO THE CONSTITUTION

The proposed constitutional amendment would remove the present constitutional prohibition against the use of public funds to aid or maintain private primary or secondary schools.

It would permit the Commonwealth, cities and towns to make public funds available to pupils attending private primary and secondary schools in the form of either aid, materials or services subject, however, to three specific limitations. First, the private school could not be one that discriminates on the basis of race or color in its admission requirements. Second, the grant of aid must be consistent with the First Amendment to the United States Constitution which guarantees the free exercise of religion and prohibits the establishment of religion. Third, individual pupils would have to request the aid, materials or services. In addition to these three specific limitations, the amendment would authorize the legislature to enact other laws imposing conditions or restrictions on the grant of public aid, materials or services.

The proposal would also change the state constitution to allow public money to be spent to aid infirmaries, hospitals, charitable or religious undertakings if they are either publicly owned or under the control of public officials. The state constitution now prohibits such spending unless these institutions are both publicly owned and under the control of public officials.

Yes	783
No	1624
Blanks	179

Question No. 2 PROPOSED AMENDMENT TO THE CONSTITUTION

The proposed constitutional amendment would allow the legislature to enact laws authorizing the state courts to impose the death penalty on the conviction of crimes to be specified by law. The proposed amendment would provide that no provision of the state constitution may in the future be construed as prohibiting the imposition of the punishment of death.

Yes	1688
No	750
Blanks	148

Question No. 3 LAW PROPOSED BY INITIATIVE PETITION

The proposed law would require that before the construction or operation of any new nuclear power plant or low-level radioactive waste storage or disposal facility in the Commonwealth, the legislature must make certain findings and a majority of voters must approve the new facility at a state wide election.

Yes	1832
No	598
Blanks	156

Question No. 4 REFERENDUM ON AN EXISTING LAW

The law requires that a refundable deposit be paid for certain beverage containers sold in Massachusetts. Beverage containers of less than 32 ounces must have a refund value of at least five cents and larger containers a refund value of at least ten cents. This requirement applies to non-biodegradable containers of carbonated soft drinks, mineral water, beer and other malt beverages, but not to containers of other alcoholic beverages, dairy products, natural fruit juices or wine. All beverage containers subject to deposit must clearly indicate the refund value on the container.

The deposit is paid by the consumer upon purchase and must be refunded when the consumer returns the empty container to a proper dealer or redemption center, so long as the container does not contain any material different from its normal contents. Dealers and distributors are also subject to the same deposit and refund on the beverage containers they handle, and are also entitled to a handling fee of at least one cent per container. No containers can be sold in the state if they are joined together by plastic rings or any other device that cannot be broken down by light or bacteria.

The law provides a bottler a reduction in corporate excise tax on one-tenth of one cent for each reusable beverage container which the bottler sells in the first three months of 1983. The law provides for additional unemployment benefits and, if the Legislature appropriates the funds, a job retraining program for employees of bottlers, canners, or manufacturers of beverage containers who lose their jobs as a result of this law. The law takes effect on January 17, 1983.

Carver Housing Authority

Honorable Board of Selectmen:

We have been successful this past year in locating a good source of water of excellent quality and volume for the combined 68 units of State and Federal housing to be served. The State 667/705 program as of this writing is out to bid, and groundbreaking is tentatively set for the early part of March, while the Federal 202 housing is already in the construction process and proceeding well.

James M. Lynch, *Chairman*

Joseph H. Boucher; Robert H. Merritt; Nelson A. Thomas; Phyllis J. Harriman

Dinners at a Restaurant	248
Shopping Mall Trips	227
Drop-in Centers	Attendance 5,125
Newsletters	Mailed 4,534
—no special issue in 1982	
Mini-Bus mileage	17,308
Volunteer drivers	
Average: 3 per month	Total: 5
Volunteer hours	1,007
Trips by volunteer drivers	219

Director's Report

The Carver Council on Aging provides many services for people who are 59 years of age or older. A list of these services, I.D. cards for discounts, and names placed on mailing list may be obtained at the Marcus Atwood Multi-purpose Center in South Carver, which is open daily Monday through Friday from 9:00 A.M.—4:00 P.M. for information and referral.

Through the past year the Director for the Carver Council on Aging has coordinated all mini-bus reservations, mall trips, shopping trips, restaurant lunches, medicals, mini-bus drivers, newsletters, business calls, information and referral calls. The Director also assisted many people in making out Fuel Assistance applications and distributed numerous boxes of surplus cheese to qualified people.

Many meetings were attended by the Director, such as: meetings pertaining to ways to help the elderly with Medicare and Medicaid problems, Social Security and Supplementary Security Income (SSI) benefits, Fuel Assistance and other energy related problems, etc. Several other meetings were attended, namely: Carver Housing Authority, Senior Aide, Circa, Area Association of Plymouth County Directors and Staff.

As of October 1, 1982, the Council had to close one Drop-in Center (for financial reasons). The remaining Drop-in Center is the Marcus Atwood Multi-purpose Center open daily from 12 Noon—4:30 P.M. Many activities are enjoyed at the Center.

Newsletters are mailed out bi-monthly keeping the elderly informed on legislation for the elderly, discounts, legal information, new developments in Social Security, tax information, and a two month calendar of activities and services. Over the past year our mailing has increased from 4,113 to 4,534.

The Carver Council on Aging has three Senior Aides, whose salaries are paid by the Department of Labor. Each Aide works twenty hours per week. Two of these Aides assist at the Drop-in, visit the sick in hospitals and nursing homes and the homebound, call on new residents and acquaint them with the services and activities of the Council. The third Aide works as a clerk in the office at the Multi-purpose Center and also

handles business affairs in the absence of the Director.

The Council on Aging received a \$42,000.00 Grant from the Area Agency on Aging. They have used this money for the renovation of the barn adjacent to the Multi-purpose Center. This project is near completion. The Council has also received two other grants, from the Department of Elder Affairs, totaling \$4,929.00. These grants are to be used for equipment for the Nutrition Center which will be housed in the newly renovated barn.

Recently the Council has undertaken "Meals on Wheels" which comes from the Old Colony Elderly Services' Nutrition Program. These meals are delivered to qualified homebound elderly daily by the Senior Aides who are doing this on a voluntary basis.

We continue to thank the Selectmen, the Town Boards and the Townspeople for their outstanding support of our program.

Respectfully submitted,

Board of Health

Disposal Construction Permits	42
Disposal Installers Permits	20
Well Permits	28
Rubbish Removal Permits	7
Retail Food Establishments	29

A total of \$40,646.50 was received from January 1, 1982—December 31, 1982, which included all fees received from the mobile home parks, and was submitted to the Town Treasurer.

The State has given our Board more responsibility, and the residents of Carver are utilizing our Board more than ever. In this day and age the environment seems to be in everybody's mind and the members of this Board have worked hard to contribute in as many ways as possible, to name a few: Semass Waste to Energy Plant, Animal Regulations, extra water analysis tests performed and long working hours on problems with pesticide applications, construction, inspection and observation of King's Faire, the Tylenol scare and numerous food scare following.

Public Health Nurse Committee

The Carver Public Health Nurse Committee, during the year 1982, has continued to grow and change. As a comprehensive, certified home health agency, the CPHNC provides home based health care to the residents of Carver. As hospitals continue to release patients earlier and as patients' needs become more complicated and technical the need for the full range of home care services is essential. Arrangements can be made through the Carver Public Health Nurse Committee for home nursing, physical therapy, occupational therapy, speech therapy, medical social work, home health aides and homemakers. Our professional staff brings help and care right into patients' homes where care is more humane, effective and economical.

For Fiscal Year 1981-82, the following visits were made:

New patients admitted:	58
------------------------	----

Morbidity (Care to the sick)

Nursing:	846
----------	-----

Home Therapies:	319
-----------------	-----

Home Health Aide:	1,097
-------------------	-------

Health Promotion

Home Visits:	21
--------------	----

Office Visits:	4
----------------	---

Maternal Child Health Visits:	19
-------------------------------	----

Clinics (Total 1982)

10 Blood Pressure Clinics—315 Visits, 46 new admissions

2 Flu Clinics—189 Visits

TB Testing (Mantoux)—16

As a certified home health agency, the CPHNC has the authority to collect fees from third party payors (Medicare, Medicaid, and Private Insurance Companies). The following receipts are submitted for FY 1981-1982:

Medicare:	\$19,775.79
-----------	-------------

Medicaid:	13,224.66

A significant number of staffing changes have occurred this year. The untimely death of Anne Hyde was a great loss to all of us who knew her and worked with her. Carol Gay assumed the role of Acting Supervisor until Karen Barnes was hired in June to fill the position of Supervisor/Administrator. Carol Gay resigned in June to become the Clinical Coordinator of the newly formed Cranberry Area Hospice. Linda Herzner, R.N., was hired to fill one of the staff nursing positions. Patricia Prew, Secretary to the CPHNC and the Board of Health, also resigned in June to pursue other career opportunities. Beverly Chinetti was hired to fill the secretarial position. We wish all of our former staff members well in their new positions and are delighted to have our new staffing group.

In September, Dr. Phyllis Hollenbeck became a member of our Professional Advisory Committee and assumed her role as Medical Advisor to the Carver Public Health

Nurse Committee. Dr. Stephen Hughes resigned his position as Medical Advisor September 1, 1982. Other new members of the Professional Advisory Committee are Beverly Chinetti, Consumer; Attorney Donald Church, Jay John, Consumer; Dr. Irwin Lakin; Father Gerald McGann; Rev. Robert Merritt; Kathleen Murray, R.N.; Rachel Penti, R.N.; and Valerie Dennehy, S.W. We are delighted to have these health care consumers and providers involved with our agency. The continued interest and support of the entire Professional Advisory Committee is greatly appreciated.

Our agency continues to be involved with other area home health agencies to better meet program goals. Collaborative efforts include: monthly supervisor's meetings to share new information and solve mutual problems, quarterly record reviews, and in-service programs. This cooperation and collaboration is cost-effective and improves productivity plus efficiency.

Public Education programs were held in 1982 and will continue to be a focus in 1983. A program was held at Cranberry Village in November giving information about the agency and the services it provides to town residents. A similar meeting is planned for South Meadow Village in early 1983.

A collaborative effort including the University of Massachusetts Cranberry Experimental Station, the State of Mass. Department of Occupational Hygiene and our agency produced a well-attended program for cranberry growers dealing with the safe use and handling of pesticides.

Plans are being made to establish a Friends of the Carver Public Health Nurse Committee. This would be a volunteer, non-profit organization that would support the activities of the nursing agency. The volunteer group would assist at Blood Pressure and Flu Clinics, help with publicity and do fund raising. Funds raised could be used to purchase medical equipment and to provide reimbursement of home health services to patients without adequate health insurance. We are just at the planning stages and the help of any interested Carver residents would be greatly appreciated.

There are two newly formed hospice organizations serving residents of our town. A hospice is fundamentally a coordination of all community services available to support a patient and family in allowing a terminally ill patient to die at home. The Cranberry Area Hospice covers the towns of Plymouth, Duxbury, Marshfield, Plympton, Kingston, Hanson, Halifax, Pembroke, Hanover and Carver. The Wareham Area Hospice serves the towns of Wareham, Marion, Mattapoisett, Rochester, Bourne, Sagamore and Carver. Both of these organizations will contract with the CPHNC to provide the home health care component to their patients.

The past year has been an active and productive one for our agency. I am delighted to have begun what I hope will be a long and positive association with the Carver Public Health Nurse Committee. Our entire staff is committed to providing cost-effective, quality home health care to the residents of Carver.

Karen K. Barnes, R.N.

Department of Public Works

Honorable Board of Selectmen:

The past year has seen the following work accomplished by the Department of Public Works.

Most notable has been the construction of a new entrance for Rochester Road. Because of the extensive excavation which had to be done, the project has taken longer than anticipated. Only the final wearing surface of bituminous pavement remains to be done to complete the project.

Drainage improvements were provided on Tremont St., Meadow St., Wareham St., and in Wenham Shores.

Paving and pavement maintenance were provided on the following Town roads: Plymouth St., Gate St., Purchase St., Rt. 44, Green St., Silva St., Old Main St., Linton Drive, Meadow St., Pine St., Rochester Rd., Lakeview St., Shaw Rd., Seipet St., Indian St., and Tremont St.

A new entrance was constructed into the Central Cemetery in Center Carver.

The Department has put to good use the newly purchased riding lawn mower, and dump truck, all of which were approved for purchase at the last Annual Town Meeting. It is essential that equipment be replaced at regular intervals to provide the town with the most cost effective way to provide services as required of the Department of Public Works.

The inmates from MCI, Plymouth, are back working for the Town of Carver on a regular basis and all indications point to the program becoming more and more beneficial to the Town of Carver. Besides working for the D.P.W., they have provided services to the schools and library with other departments showing interest in their services.

The reconstruction of South Meadow Road and Route 58 have been talked about for several years and it seems that now the actual work may be starting very soon. The lack of actual funding has been the reason for the delays, but with the most recent increase in the Federal tax on gasoline, it is imminent they will be constructed.

This Department would like to thank all those Carver residents who have agreed to provide easements in connection with the reconstruction of Route 58. These easements have been provided in the best interest of all the Town of Carver residents. Both projects are being funded 75% Federal money and 25% State. Project cost for South Meadow Road is 1.25 million and Route 58 is budgeted for 4 million, so you can see Carver will be getting its share.

Richardo Gomes and his crew of summer youth are due a word of thanks for their efforts in projects tackled by them. The major clean-up around Town Hall, Police and Fire Station and the painting of the Town Barn were all completed on time. The daily clean-up of the parks and beaches is a must and was well handled by the crew. The general clean-up of intersections has provided safety and a more pleasing appearance in these areas.

There were 20 burials attended to.

All Parks and Cemeteries were maintained in the usual manner.

All catch basins in Town were cleaned of sand and debris.

A special thanks should go to the CAPS for providing the Department of Public Works with a tire cage. The cage is used extensively to prevent injury to the mechanics while repairing tires on all town vehicles.

This Department would like to express its gratitude to other Town Departments and especially the D.P.W. employees for a job well done over the past year.

Respectfully submitted,

Report of the Office of Public Prosecutor

To The Honorable Board of Selectmen:

During the year 1982, the Office of Public Prosecutor continued to function as in the past for the benefit of the Town of Carver, Marion, Mattapoisett, Rochester and Wareham. We represented the Towns and their various departments in almost all matters which were brought before the Wareham District Court and, during this time, began our fifteenth year of service to you.

During the month of December 1982, I learned that the office had been chosen as an example or model for other Towns of the Commonwealth, as a method of solving local problems by joint town initiative and cooperation, without waiting for assistance from larger governmental entities, such as the County, State or Federal Governments. This survey was conducted by the Harvard University Graduate School.

As a friend of the Court and also to give further service to the towns, we continue to aid victims of crimes, who are inhabitants of your town, when they appear at the Court for aid and assistance from the Criminal Justice System.

The case load increased slightly over the year, leaving a substantial backlog of cases awaiting trial as of the end of December 1982. However, with the implementation of a new Court procedure, we have begun to substantially cut into the backlog and hopefully will be current in a matter of months.

Office of Emergency Preparedness—1982

New and revised emergency plans were prepared and submitted to the Massachusetts Civil Defense Agency for the Town of Carver.

The alerting sirens for the 10 mile EPZ for the Emergency Response Plan for Pilgrim Nuclear Power Station were installed and tested by Boston Edison and the control panel for them was installed at the Carver communications center.

The required Federal Emergency Management Agency test for the Pilgrim I EEP was held on March 3, 1982, and successfully passed by the Town of Carver.

Members of Carver Civil Defense attended seminars on search and rescue and radiological defense officer training.

Twelve Area II, MCDA meetings were attended and eleven local meetings were held.

A new administrative office for the Office of Emergency Preparedness was established at the Town Hall.

Four new members joined the civil defense staff this year.

A new 100 foot radio tower for police, fire, and civil defense communications was installed at the communications center.

Additional radio communications equipment was purchased for civil defense, fire, and police departments through Boston Edison in fulfillment of the Carver Emergency Response Plan for Pilgrim I.

Maps and materials for emergency planning were obtained from Area II, MCDA.

Over 900 hours of time were devoted to the town by the CD staff.

210	hours of Church traffic duty
450	hours of patrol duty
114	hours of emergency service, assisting police
84	hours of educational studies
<u>78</u>	hours of state and area meetings
936	total hours in the service of Carver

Civil Defense is a function of Federal, State, and local governments established to insure the safety of citizens and to mitigate the damage caused to communities by natural and national disasters.

The Carver Office of Emergency Preparedness extends a thank you to all the volunteers and to the residents of Carver for their efforts and cooperation in the past year.

Report of Trustees for Plymouth County Cooperative Extension Service

by Mary M. McBrady, *Director*

The Plymouth County Cooperative Extension Service's office is located on High Street, Hanson, and can be reached by calling 293-3541, 447-5946 or 746-0053.

STAFF:

Our staff is comprised of a Director, two Regional Agricultural Specialists, a Community Development Specialist, two Home Economists, three 4-H Agents, one part-time 4-H & Home Horticultural Agent and four clerical staff.

In addition to our County Staff, we administer a Nutritional Educational Program for limited-income families in Plymouth County. EFNEP, staffed by one nutritionist and nine nutrition assistants, is located at 32 Belmont Street, Brockton. This program is funded by Federal Nutrition Funds, through the University of Massachusetts, our Land-Grant College. A monthly nutrition newsletter can be sent to you by calling the Brockton Office at 583-2545 or 583-2598. Presently, 31 subscribe from your town.

In our traditional 4-H Program, we have 1,132 members with 22,944 other youth participating in our short-term and school programs. The 1980 population of Plymouth County schools was 86,443. This means that 26.5% of the Plymouth County youth have been involved in our programs this year.

In your town, Carver, there were 197 youth that participated in these programs.

The Home Economics Department has a monthly newsletter, Extension Post, with 1,300 subscribers. Call the Extension Service to be placed on the mailing list.

In addition, free bulletins on food preservation, vegetable gardening, nutrition, insect problems, community resource listings and many more are available by calling, writing or stopping by the Plymouth County Extension Service at High Street, Hanson. We continue to test soil, free of charge, for Plymouth County residents. Our Home Economist will also check your pressure cooker gauge.

Contact your Town Director, Jean Gibbs, for the County Cooperative Extension Service with any suggestions or requests.

In accordance with the General Laws of the Commonwealth, Chapter 128, the Trustees for Plymouth County Cooperative Extension Service are empowered to receive, on behalf of the County, money appropriated by any town, or by the Federal Government for carrying out the provision of the Law, under which they are appointed.

Agents have made contacts during the past year in every community, either by public meetings, individual visits, group discussions and demonstrations, in attempting to assist the needs of the citizens toward helping to solve management problems, better living, and better community service. The Extension Service staff have been ably assisted by many local volunteer leaders.

A total expense of \$100.00 was incurred during the year for the purchase of material needed in carrying on the various Extension Programs. The appropriation made by your town was used for residents of the town and expended as follows:

Expense—1981-82

Books & Manuals Purchased for Town Officials	\$ 7.30
Town Director's Expense	—
Bulletins, Paper, etc.	46.00
4-H School Programs	33.40

Southeastern Regional Planning and Economic Development District

During 1982 the Town of Carver continued its membership for the thirteenth year in the Southeastern Regional Planning and Economic Development District. SRPEDD is a planning and economic development agency formed under state law to serve twenty-eight communities in southeastern Massachusetts by providing a cooperative approach to regional issues.

The District is governed by a Commission consisting of a chief elected official or designee and a planning board representative from each participating municipality and six low-income and minority representatives. Carver's Commission representatives from the Board of Selectmen and Planning Board, respectively, are David G. Knight, a member of the Executive Committee and the Economic Development Committee, and Timothy McGillicuddy, Jr., who serves on the Executive Committee.

In addition to regional planning and economic development, SRPEDD assists member cities and towns. Through the free municipal assistance program, each community receives time for local projects and assistance in preparing applications for federal and state funds.

The agency's purpose is to plan for regional land use, economic development, housing, transit, transportation, solid waste, energy resources and conservation, and air and water quality. Local participation in these regional plans enables communities to be eligible for federal and state dollars.

Services to Carver this past year included:

- Preparing a planned tourist/commercial district and an airport district; and
- Providing assistance in updating the town's zoning by-law.

Regional plans and other activities conducted this year benefiting all communities include:

- The **Overall Economic Development Program** (OEDP) which makes member communities eligible for U.S. Economic Development Administration funding and a 10 percent bonus for public facility projects.
- The **Transportation Improvements Program** (TIP) which lists major projects in each community for federal and state funding. A project must be included on the TIP in order to be eligible for these funds.
- A Housing Conversion and Rehabilitation Program funded with bonus money provided to SRPEDD by the U.S. Department of Housing and Urban Development. The program will provide grants to establish approximately 25 new housing units in existing structures throughout the region.
- Marketing Southeastern Massachusetts—SRPEDD was actively involved in the Golden Connection effort in California to attract high technology industries to the region; sponsored a conference for over 100 local officials at Southeastern Massachusetts University on marketing the region; and prepared a special edition of the **Southeastern Massachusetts Fact Book** which provides all the data necessary for development decisions.
- Certification by the U.S. Small Business Administration of the South Eastern Economic Development (SEED) Corporation, established by SRPEDD. SEED will provide low-interest, long-term financing to small businesses in southeastern

Massachusetts through SBA's "503" Program.

- SRPEDD also conducts "A-95" and environmental assessment reviews of state and federally funded projects; reviews of industrial revenue bonds; and reviews of all local zoning amendments. The reviews are advisory and are oriented toward making proposals more cost-effective and feasible.

SRPEDD represents the collective will of its member communities. As the responsibilities and problems of municipalities become increasingly complex, the District can provide technical assistance to local boards, encourage cooperation among communities, and provide a comprehensive approach to issues that cross local boundaries.

Carver Public Library Annual Report 1982

The present library building was ten years old as of November 4, 1982. We dedicated the revamping of the magazine room to the memory of a long-time friend and trustee of the library, Mrs. Catharine Shaw. The new room was a storage space and is now a genealogy, processing and magazine room. Thank you to all who have befriended the library these past ten years. Growing library use can be measured in part by circulation statistics. In 1972, 12,000 materials circulated. In 1982, over 30,000 materials circulated. Book circulation is but one part of the library's contribution to the town. We try to meet informative, recreational and intellectual needs of the local community. This involves programs for adults and children as well as personal service of the library staff. The future of libraries is seen as a cooperative effort of all communicative and informational institutions to bring together the maelstrom of information and thought. Libraries can not sit off in their own little worlds today, but must be totally involved with the life of the community.

Carver Public Library is involved in sponsoring programs such as the Carver Children's Theater with money from the Arts Lottery Grant, as well as working with adults in local clubs and groups such as the annual May Quilt Show with the Cranberry Quilter's Association. The direction of the programs has turned mainly to encouraging children to use the library. Preschool storyhours in the winter, summer storyhours, children's movies such as "Hobbit", and "Red Balloon", school vacations activities like reading for tickets to the library carnival, introduction to computer courses, contests in learning activities such as Halloween window painting, bird identification, and cranberry counts, and holiday treats on Thanksgiving and Christmas with films and speakers. We have tried to coordinate with school activities in helping with borrowing films from Boston Public Library and having short introduction tours for individual classes. Preschools and scout groups use the library for meeting and party activities. Several children's sports activities use it for meetings and sign up. Adult programming is mainly in the informative and service nature. We had some films on travel, but most of the programs were on information about sewing, your psychic world, repair and maintenance of small machines, quilt show, tax information, adoption listings and displays by Dona Mahoney, Old Home Day exhibits thanks to Bill Holmes, and passes to local museums and attractions for families to use to save money and have a day out. We must thank all the people who gave of their time and money for our programs this year. The County Extension Service, Cranberry Quilters Association, Cranberry Connection and C.A.P.S. for donating the museum pass money, magazines, and time. Thank you to those donating books, such as Mrs. Ruth Hawkes and Mr. Henry Shaw in the genealogy area, Friends of the library in the reference area, the Cranberry Village association for large print books, and to Terry Katz and other friends who donated

magazine subscriptions to the library. Edaville Railroad was especially nice to donate their pass for library patrons use, and we would like to draw your attention to the replica of punishment stocks used in the Old Colony that is on display courtesy of the Friends of the Library.

This year the building leaks have been cleared up with brick repair to the outside walls. The furnace has been repaired and working well, and the Friends of the library children's group has helped to paint and decorate the library. The Garden Club provided us with Christmas decorations and help with indoor plants. Mrs. Mary Corthell of Cranberry Country Florist has donated a flower arrangement weekly to the library and other town buildings. Thank you also to Mary Edith Weber for donating over 100 educational and literary records.

The Friends of the library has reorganized this year with the help of the current officers, Pat Weston, President, Stephanie Sullivan, Children's Vice President, Joyce Mazalewski, Treasurer, and Helen Walsh, Secretary. They now have a newsletter and meet on Saturdays when called. Their activities are involved with the volunteering at the library and with a service to shut-ins called Reading Railroad. Two outstanding volunteers this past year were Mr. Larry Hemingway and Miss Paula Copello. There are so many more people to thank for their help during the year, that it is impossible to do in an annual report. The support of the town has been greater than ever this year and the future of the library looks very bright.

Plymouth County Mosquito Control Project

Commissioners:

Frank E. Parris, Chairman
G. Ward Stetson, Secretary
William J. Mara
Carolyn Brennan
Richard E. Krugger, Sr.

Gary L. Benzon
Superintendent

The Commissioners of the Plymouth County Mosquito Control Project are pleased to submit the following report for 1982.

The Project is comprised of 21 Plymouth County Towns, the City of Brockton, and the town of Cohasset (Norfolk County). In all, approximately 350,000 people in an area of 621 square miles are served through an integrated, multi-faceted approach to mosquito control. The sweeping revisions in the program, begun in 1982, are nearly complete, and are resulting in safer and more effective control despite the lack of inflationary increases in funding for six years.

1982 was relatively wet, and mosquito populations were higher in many areas than in 1981. To provide relief, 289,000 acres were treated by truck-mounted Ultra-low volume aerosol sprayers. Standing water that could be reached on foot was treated to control breeding. 2,459 man hours were expended checking and treating such areas. In addition, 4,094 storm sewer catch basins were treated in areas where they hold water.

During August of 1982, the Project acquired a small airplane for spraying large mosquito breeding areas that cannot be reached on foot. This acquisition will be a most significant factor in improving mosquito control while decreasing the already low hazard to humans. Only insecticides classified by the EPA as "relatively non-toxic" will be used, and then only over swamps, marshes, and other wet breeding areas—not over residences.

During the cold months, field crews removed obstructions from 142,000 linear feet of ditches and streams to prevent backups and the resultant mosquito breeding pools. Very little excavation work was performed by hydraulic backhoe during 1982 to divert funds to the purchase of a new backhoe unit and a truck to transport the tractor. Backhoe work will resume during the spring of 1983. Due to the large number of requests received for such work, future projects must be evaluated solely on the basis of efficacy in controlling mosquitos.

To an increasing extent, use of chemicals in controlling mosquitos will be based on hard numerical data received through various surveillance methods carried out by our fieldmen, entomologists, and local volunteers. The result will be more selective, judicious, and timely treatments. An increase in "larvaciding" will mean a decrease in "fogging" of residential areas. Finally, the Project is planning to develop its own arbovirus surveillance program in light of recent outbreaks of Eastern Equine Encephalitis.

We wish to thank the citizens and personnel of our member municipalities for their cooperation during the past year.

Carver Public Schools

The 1982 school year in the Carver Schools continued to experience an increase in student enrollment. 1982 started with an enrollment of 1095 students, Kindergarten through grade six, while the year ended with 1158 students. This change in enrollment represents a 5.7% increase in one year. In addition, 132 seventh grade students, although the responsibility of the region, were housed at the Governor John Carver School. In response to an unexpected increase in Kindergarten enrollments, the School Committee hired a part-time Kindergarten teacher as well as one full-time Kindergarten aide. The following new staff members joined the Governor John Carver faculty in 1982:

Mary Ross	Kindergarten (part-time)
Denise DeCoursey	Kindergarten Aide
Mary Ellen Casey	Resource Room
Michele Wilkins	School Nurse
Joseph Fernandes	Custodian (part-time)
Franklin Silva	Custodian
Gayle Szymczak	Music
Sharon Mallon	Bus Driver

The year was highlighted by the dissolution of Union #62. As a result of this action, Carver became a self contained school district for grades K-6. In this regard, the following staff assignment changes went into effect:

Norman Bossio	Superintendent of Schools
Joseph Kopitsky	Special Education Administrator
William Lander	Administrative Assistant (part-time)
Betty LeBel	Payroll Clerk

The school department utilized computer support from Old Colony Regional Vocational Technical School. New telephone systems were necessary as a result of the large number of daily communications.

The School Needs Study Committee was busy throughout the year studying space needs and looking into the fiscal, program, and educational implications of possibly dissolving the region and building a secondary school complex in Carver.

Curriculum development was a major focus of the staff during the year. As a result of a Chapter 2, E.C.I.A. Block Grant Award, Carver developed and adopted a new language curriculum. A staff committee worked through the summer to formulate the scope and sequence of K-6 language skills. Also as a result of the grant award, new language textbooks will be made available to every Carver student in the elementary grades. In addition, a staff sub-committee wrote, submitted, and was awarded a Commonwealth In-Service Grant designed to improve students' basic skills in writing. Teachers participated in comprehensive in-service training sessions as a result of the grant project. Students submitted writing samples on a regular basis. As a result, at least in part of this curriculum priority, virtually 90% of the grade 3 and 6 students passed the writing portion of the state mandated minimum competency tests. Other on-going committees included Staff In-Service Training and a Discipline Committee to review and update the Discipline Handbook for Students.

In addition, the School Committee adopted the new Health Science Curriculum complete with new textbooks for students in K-6. For the first time, a job-sharing arrangement was approved by the School Committee for two grade five teachers.

Santa Claus visited the school via helicopter; he also managed to visit the

Kindergarten children at Benjamin Ellis. For the third consecutive year, the fourth grade children attended Natures' Classroom in Swanzey, New Hampshire. A great deal of community support and financial assistance from local organizations helped make the trip possible. A highly successful spaghetti dinner and a staff volleyball game with the CAP's helped financially support the New Hampshire trip. Richard Brown continued to serve as the school department's head custodian and Roberta Perry continued to run the well managed and efficiently operated school lunch program.

The allied arts programs of art, music, and physical education continued to balance the strong academic program of basic skills instruction. Chapter 766 programs included guidance and counseling, resource room, learning disability/reading, school psychologist, physical and occupational therapy, speech therapy, mobility, and orientation for the blind. One hundred and fifty four (154) special needs students were serviced within the Carver School setting, while twenty six (26) outside day and residential placements were maintained as required by law. The Chapter I program continued to provide remedial assistance to approximately one hundred (100) Carver children in the areas of reading and math. Two (2) grants, P.L. 94-142 and P.L. 89-313, provided several special needs staff positions at a significant financial savings to the Town. The Kindergarten screening program was conducted in the spring in order to better prepare the school system to identify and remediate children with potential special needs.

An active Chapter I Parent Advisory Council, under the direction and leadership of Paula Witham, was initiated this year. Use of the school facilities and the school busses continue to be made available to local community groups. Virtually every evening the buildings are being utilized by organizations in the Town. A modest \$5.00 rental fee was voted by the School Committee for use of a school facility.

The P.T.O., under Joy Cappola's able leadership continued to provide support to the school. Activities included an exercise program, linen calendar sale, Santa's Workshop, Craft Show, Fashion Show, family portraits, and a teachers' Christmas luncheon. In addition, the P.T.O. sponsored several enrichment programs for the children. The P.T.O. donated a substantial amount of money to go towards the purchasing of supplies. Under the direction of assistant principal, Fred Morris, a voluntary crew of staff and community volunteers built a new playground for the Kindergarten children at the Benjamin Ellis School. The Volunteer Program, under Helen Walsh's coordination, continued to make a significant contribution to the school. Two thousand and twenty-five (2025) hours of volunteer service were recorded during 1982.

1983 will bring extraordinary challenges for the Carver staff. Important decisions will be made by the Carver Community regarding space needs and the issue of regionalization. The commitment of the school will continue to be towards providing the highest quality basic skills instructional program for every Carver student.

Respectfully submitted,
Norman Bossio
Superintendent/Principal

TOWN WARRANT

AND REPORT OF THE

FINANCE COMMITTEE

OF THE

TOWN OF CARVER

MASSACHUSETTS

ANNUAL TOWN MEETING
and
SPECIAL TOWN MEETING

Election: Saturday, April 9, 1983

Meetings: Monday, April 11, 1983

Finance Committee Report

The Finance Committee's primary function and responsibility is to maintain financial order in the Town. This is done through investigations and reviewing budgets with town departments and committees on their expenditures during the previous year and their anticipated requirements for the next fiscal year.

The Finance Committee then prepares an annual budget for insertion in the Annual Town Meeting Warrant, together with recommendations, brought about through investigation, for action on all warrant articles.

The Finance Committee also has authority over transfers to be made from the reserve fund, which provides for extraordinary and unforeseen town expenses. A list of the fiscal year 1982 reserve fund transfers are enclosed in our report.

The adoption of Proposition 2½ has completely reversed the municipal budget process. In past years we began with budget requests and voted appropriations at the Annual Town Meeting. The process ended when the State certified our tax rate, calculated to cover our expenditures, now we start with a tax levy limit and tailor our budgets to the amount of money that we are allowed to raise through taxation. We are enclosing two pie charts. One to explain where the money to run the town comes from and what percentages and the other to show how the money is disbursed and in what percentages.

As we proceed into the third year of voter mandated financial restrictions the Finance Committee is recommending departmental budgets and action on articles that reflect a fair distribution of the monies available to operate the Town in an effective and responsible manner.

After reviewing the Town budgets, in depth, we feel in order to maintain services in Town and to avoid any lay offs of Town employees, we the Finance Committee are recommending level funded or less budgets for all departments.

Respectfully,

Nicholas J. Femia, *Chairman*
Finance Committee

Municipal Finance Terminology

The following terms are frequently used in the Annual Town Report and at Town Meetings. In order to provide everyone with a better understanding of the meaning, the following definitions are provided.

SURPLUS REVENUE: (often referred to as "Excess and Deficiency")

This fund represents the amount by which the Cash, Accounts Receivable and other floating assets exceed the liabilities and reserve. This is a bookkeeping item.

AVAILABLE FUND: (often referred to as "Free Cash")

Available Funds is the amount certified annually by the State Bureau of Accounts by deducting from surplus revenue all uncollected taxes for prior years. This fund may be used by a vote of the Town Meeting.

OVERLAY:

The Overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements granted and avoiding fractions.

OVERLAY RESERVE:

This is the accumulated amount of the Overlay for various years not used or required to be held in the specific Overlay account for a given year, and may be used by vote of the town for extraordinary or unforeseen purposes or voted into the Reserve Fund.

RESERVE FUND:

This fund is established by the voters at an annual town meeting only and may be composed of (a) an appropriation (not exceeding 5% of the tax levy of the preceding year), (b) money transferred from Overlay Reserve, or (c) both.

STABILIZATION FUND:

This is a fund created to provide a reserve for capital expenditure. Appropriations from the Stabilization Fund may be made at an Annual Town Meeting by a two-thirds vote for any purpose the town is authorized to borrow money for under Section 7 or 8 of Chapter 44 or for such other purpose as is approved by the Emergency Finance Board.

CHERRY SHEET:

Named for the cherry colored paper on which the Massachusetts Commission of Corporations and Taxation traditionally has printed it, the cherry sheet carries the figures which must be used by the Assessors in determining the amount to be raised by taxation.

It lists the amounts of county tax and state assessments, as well as the estimated tax distributions from the General Fund, reimbursements, agency funds, and the Sales and Use Taxes.
