

Town of Carver Code of Civil Conduct

The Town of Carver's municipal government values respect, integrity, civil behavior and expects that all employees, members of all boards and committees, those representing the Town, and members of the public in attendance at Town sponsored events/meetings, shall act with such respect, integrity and civil behavior. It is our earnest desire to work collaboratively with fellow employees, committee and board members, and all members of the public on this issue and in this manner. It is our desire to serve our residents and each other in as efficient and professional manner as possible. As your Select Board, we are committed to providing the public with the highest level of services, delivered in the most efficient manner, using any and all resources that are available to us.

As public officials, we are committed to assure that all who enter into our buildings, gather at any event, and during all public discourse, shall be treated with respect, professional behavior, and civil speech.

Accordingly, no employee, member of the Boards, Commissions and Committees, or any other person so engaged by the Town of Carver, shall enter into a discussion without displaying the highest standards of personal integrity, truthfulness, honesty, civility and fairness in carrying out his or her public duties.

On behalf of our Community, the Town of Carver ("Town") Select Board hereby adopts the following Code of Civility¹ :

Civility – Respect and civility from all employees, volunteers, those representing the Town in any capacity, and those in attendance at any Town function shall be maintained at all times, including and especially during public meetings. Public meetings are to be free from disrespect, creating a public embarrassment, and/or personal attacks on any person so mentioned at the event or not in attendance. The public, as well as Town Officials and employees, shall be free to express their ideas -- as is their right -- without the threat of harassment. All persons, as mentioned, shall not be verbally or physically accosted or assaulted, nor engage in that manner for any reason at any time.

Integrity – Appropriate social, ethical, and organizational norms in all Town related activities shall be maintained at all times.

Respect – All persons shall be treated in a fair and equitable manner, without exception. No employee, member of any board, commission or committee, or person representing the Town of Carver, shall at any time for any reason raise his/her voice in an intimidating manner, nor demean or purposefully embarrass any person in any Town building, on any Town property, or at any meeting, presentation, or similar event sponsored by the Town. It is expected that any person doing business in Town buildings or at a Town event shall be similarly respectful to all others in attendance and those responsible for the event.

Ethics – All parties shall maintain the highest standards of professional behavior and compliance with all Ethics Commission laws, regulations, and policies under which we operate as a Town.

¹ It is understood that due to circumstances beyond the norm and the critical nature of their positions, Police, Fire, and EMS Department personnel will act under applicable guidelines of Carver Police Department, Fire Department and Emergency Medical Services Departments Rules and Regulations.

Communications – All parties mentioned above shall strive to be open, consistent, truthful, and respectful in all communications – written and verbal – as this is vital for reflective and sound decision-making for our community.

Teamwork – The Town, including all departments, shall promote an atmosphere of teamwork and mutual respect to achieve organizational goals, recognizing at all times that unity of purpose and effort leads to productivity and greater accomplishments for our Town.
