SUBJECT: Request for a Time Extension, Order of Resource Area Delineation
DEP File # SE 126-622, 62 West Street, Carver, MA

Dear Chairman Moore and Members of the Commission,

On behalf of my clients, Stephen & Michelle Murphy, I wish to request a time extension of 2 years from the original Order of Resource Area Delineation, that was issued by the Commission for the property located at 62 West St., Carver MA, on May 19, 2021.

This time is requested to allow for the additional review of a new residential development project by the Planning Board, and the subsequent submission of a Notice of Intent for review by the Commission.

An inspection of the site by myself, in consultation with Bob Gray, PWS, indicated that the original resource area delineations are still accurate.

Please find attached the WPA Form 7, and a check for the fee of \$50.00.

We respectfully request approval of this time extension. Thank you and please contact me if you have any questions.

Sincerely,

Edward L. Pesce, P.E.

cc: Steve & Michelle Murphy
